1. Safety Information

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in injury to pets or damage to the product.

- **Assembly:** Assemble according to the included instructions. Ensure all panels and latches are properly secured before use.
- **Supervision:** Always supervise pets during use of the kennel.
- **Placement:** Place the kennel on a flat, stable surface. Use ground pins to securely anchor the kennel to soil for enhanced stability.
- **Inspection:** Regularly inspect the kennel for any loose parts, damage, or wear. Do not use if any components are compromised.
- **Sharp Edges:** The kennel features smooth welded joints to prevent sharp edges. However, always exercise caution during assembly and handling.

2. Product Overview

The LOVMOR Outdoor Dog Kennel with Roof is a heavy-duty steel enclosure designed to provide a safe and comfortable outdoor space for medium dogs. It is suitable for daily outdoor activity, light training, and playtime in your yard, patio, or garden.

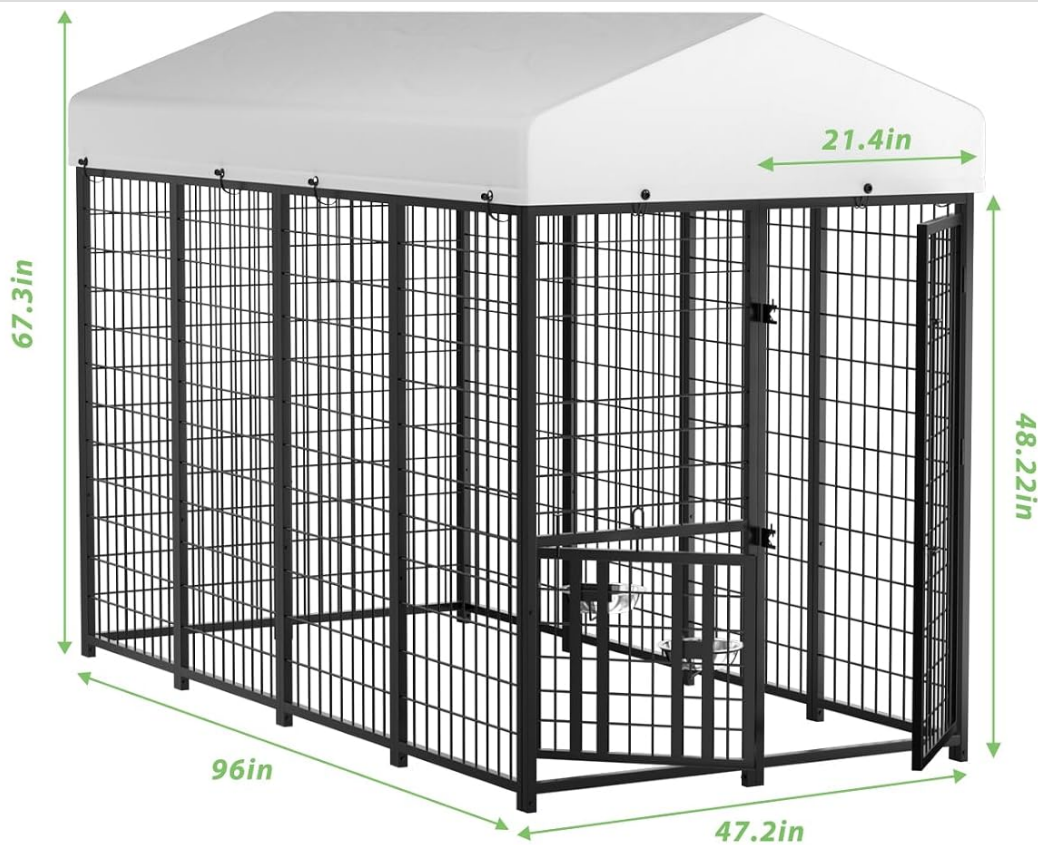

Figure 2.1: Overall view of the LOVMOR Outdoor Dog Kennel with key dimensions.

Key Features:

- **All-Weather Protection:** Equipped with a waterproof and UV-resistant roof canopy to shield your pet from sun exposure, rain, and light harsh weather.
- **Secure Double Latch Door:** Helps prevent accidental opening and keeps pets safely contained.
- **Adjustable Feeding System:** Includes stainless steel feeding bowls with adjustable height and a 360-degree rotating holder for convenient feeding.
- **Heavy-Duty Steel Frame:** Constructed from reinforced galvanized steel with a rust-resistant powder-coated finish, designed to resist chewing, bending, and corrosion.
- **Modular Panel Design:** Allows for quick and straightforward assembly.

3. Setup Instructions

Assembly of the LOVMOR Outdoor Dog Kennel is designed to be straightforward. It is recommended to have two people for easier assembly.

3.1 Unpacking and Component Identification

Carefully unpack all components from the box. Refer to the included parts list in your manual to identify each piece. All necessary screws and a wrench are provided.

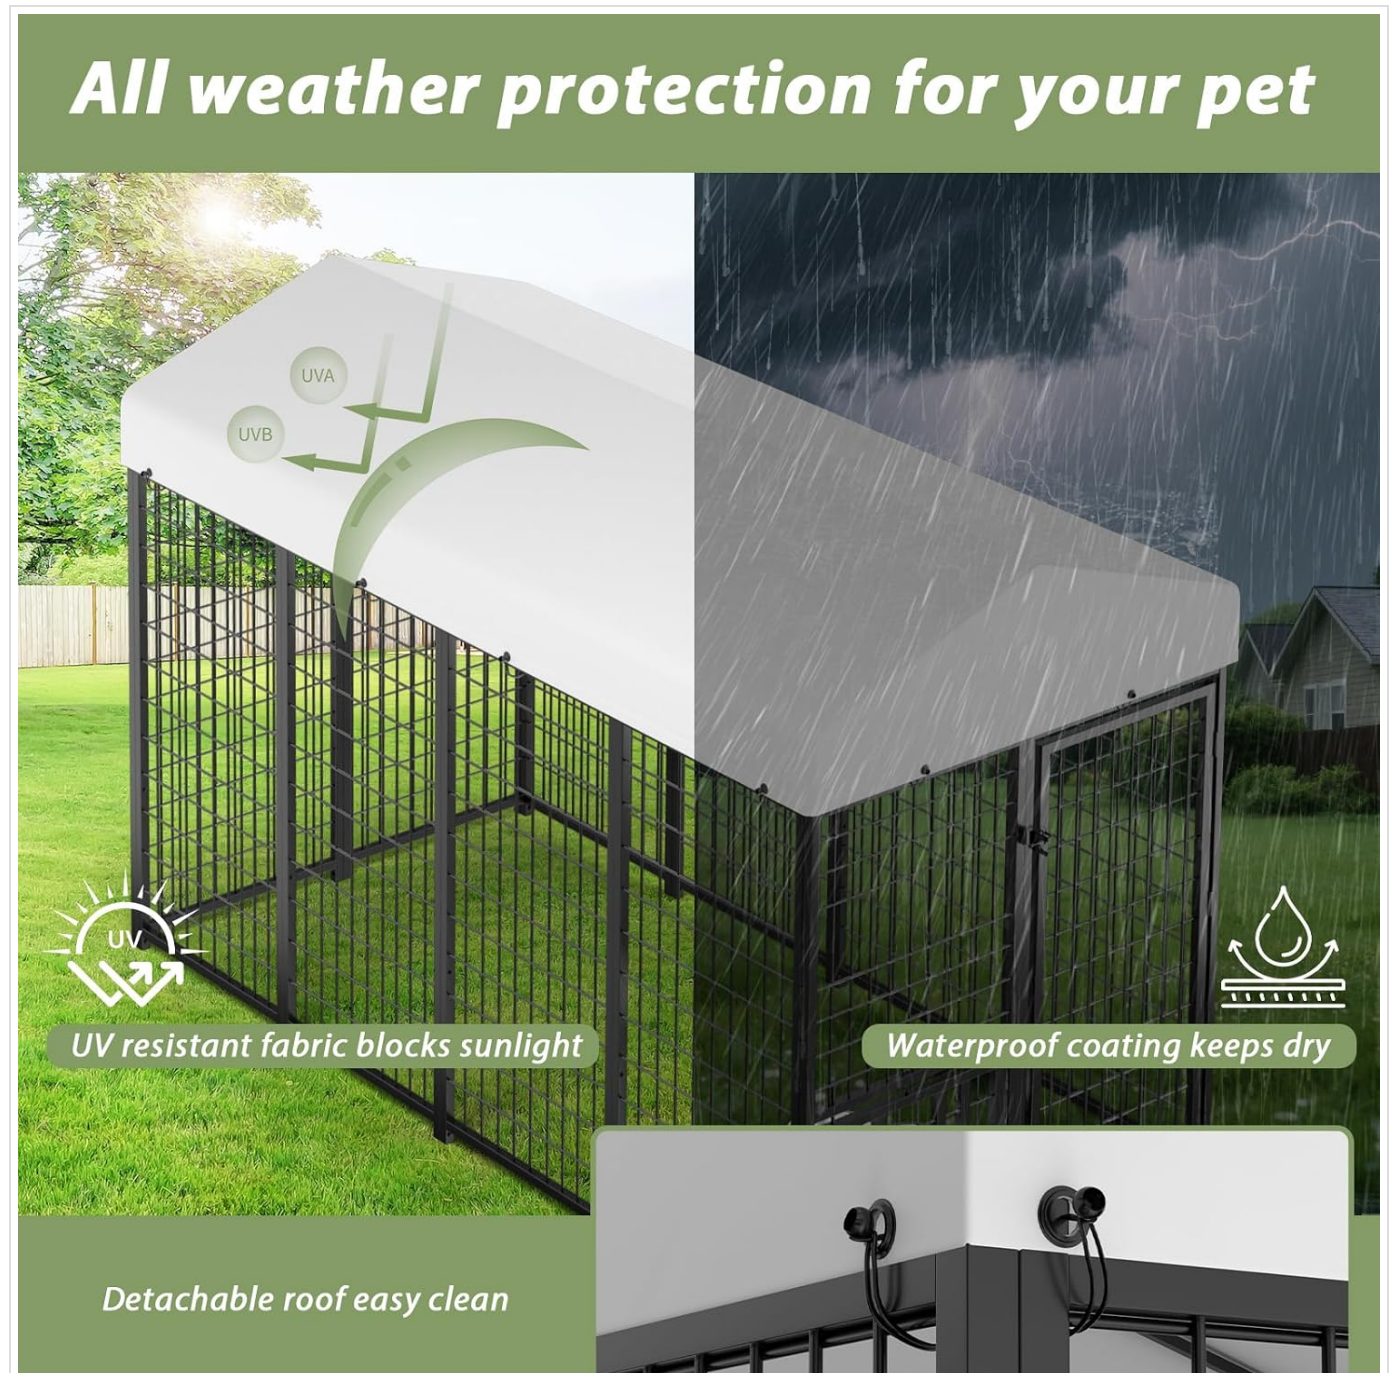

Figure 3.1: All components should be laid out and identified before starting assembly.

3.2 Assembling the Panels

Connect the individual panels using the provided screws and nuts. The design allows for hand-tightening, but ensure all connections are secure. It is helpful to have a second person hold panels in place during this step.

Video 3.1: This video demonstrates the step-by-step assembly process of the LOVMOR Outdoor Dog Kennel, including connecting panels and securing components.

3.3 Attaching the Roof Frame

Once the main wall panels are assembled, attach the roof frame pieces. These pieces connect with screws and are designed for easy alignment. Ensure all connections are firm.

3.4 Installing the Canopy

Drape the waterproof and UV-resistant canopy over the assembled roof frame. Secure the canopy to the frame using the elastic cords or ties provided, ensuring it is taut and covers the entire top area to offer maximum protection.

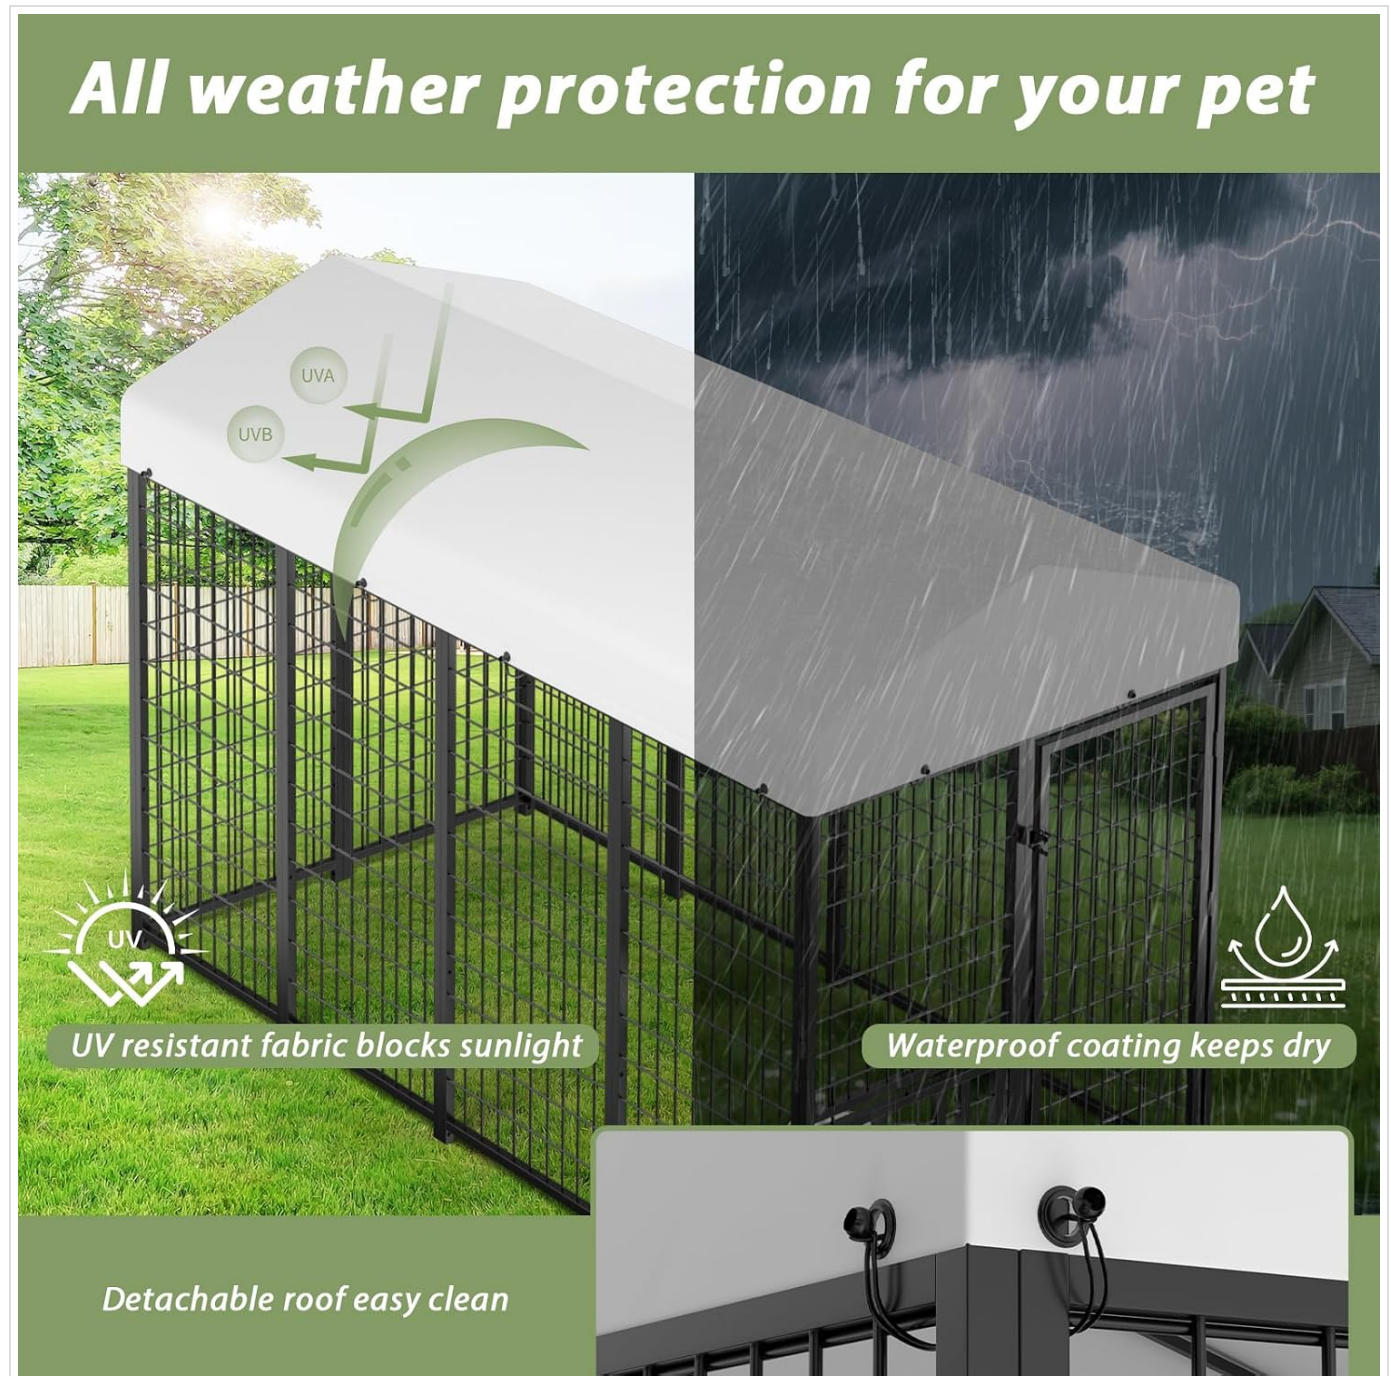

Figure 3.2: The kennel with its protective canopy, highlighting its UV resistance and waterproof coating.

3.5 Securing to the Ground

For enhanced stability, especially on soft ground, use the included ground pins to anchor the kennel. Insert the pins through the designated loops at the base of the kennel and firmly push them into the soil.

Powder coating prevents rust and corrosion

Double latch lock keeps pets safe

Heavy duty steel frame strong and stable

Ground anchors keep kennel stable

Figure 3.3: Detailed view of the kennel's construction, including the ground anchors for stability.

4. Operating Instructions

4.1 Using the Double Latch Door

The kennel features a double latch door system for secure closure. To open, disengage both latches and pull the door outwards. To close, push the door shut and ensure both latches are securely engaged to prevent accidental escapes.

4.2 Utilizing the Adjustable Feeding Bowls

The kennel includes two stainless steel feeding bowls mounted on a 360-degree rotating holder. This allows you to easily refill food and water without entering the kennel.

- **Adjusting Height:** The bowls can be adjusted to different heights to accommodate dogs of various sizes. Loosen the securing mechanism, slide the bowls to the desired height, and re-tighten.
- **Refilling:** Rotate the bowl holder outwards to access the bowls from outside the kennel. Fill with food or water, then rotate back inwards for your pet.

Video 4.1: This video highlights the features of the LOVMOR Outdoor Dog Kennel, including the roof canopy and the convenient feeding door with adjustable bowls.

5. Maintenance

- **Cleaning the Frame:** The powder-coated steel frame can be cleaned with a damp cloth and mild soap. Rinse thoroughly and dry to prevent water spots.
- **Canopy Care:** The waterproof canopy can be easily removed for cleaning. Wipe it down with a damp cloth and mild detergent. Ensure it is completely dry before reattaching or storing to prevent mold or mildew.
- **Feeding Bowls:** The stainless steel bowls are removable and dishwasher-safe for easy cleaning.
- **Rust Prevention:** While the frame is rust-resistant, regular inspection and cleaning can prolong its lifespan, especially in humid environments.

6. Troubleshooting

- **Kennel Instability:** Ensure all screws are tightened. If on soft ground, verify ground pins are fully inserted and consider adding additional anchors if needed.
- **Difficulty with Latch:** Check for any obstructions or misalignment. Ensure the door is properly seated in the frame before attempting to latch.
- **Canopy Sagging:** Re-adjust the elastic cords or ties to ensure the canopy is pulled taut across the roof frame.
- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately.

7. Product Specifications

Feature	Detail
Model Number	NVL-DK-M
