

Bellemave FST00281-TXT-AE1

Bellemave Twin XL Upholstered Daybed with LED Lights and Trundle

Model: FST00281-TXT-AE1

Brand: Bellemave

1. INTRODUCTION

Thank you for choosing the Bellemave Twin XL Upholstered Daybed with LED Lights and Trundle. This manual provides essential information for the safe assembly, operation, and maintenance of your new daybed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This daybed features a Twin XL size main bed and a pull-out trundle bed, ideal for accommodating guests or maximizing space. It is constructed from solid MDF and plywood, upholstered in linen, and includes integrated LED lighting for added ambiance.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety guidelines may result in injury or damage to the product.

- Exercise caution around sharp edges during assembly and use.
- Do not exceed the maximum weight capacity of **250 pounds** for each bed (main daybed and trundle).
- Always follow the assembly instructions precisely to ensure the stability and safety of the daybed.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten hardware as needed.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are

missing or damaged, please contact customer support.

- Upholstered Headboard and Side Panels
- Main Daybed Frame Components
- Trundle Bed Frame Components
- Wooden Slats for Main Bed and Trundle
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- LED Light Strip and Power Adapter
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly of the Bellemave Daybed requires two adults and approximately 1-2 hours. Manual installation is recommended. All parts are clearly indicated, and pre-drilled holes simplify the process. Please follow the step-by-step instructions provided in the separate assembly manual included in your package.

Assembly Tips:

- Clear a spacious area for assembly to prevent damage to the product or your flooring.
- Lay out all components and hardware before starting.
- Do not fully tighten all screws until the entire frame is assembled to allow for minor adjustments. Once assembled, tighten all screws securely.
- Ensure the correct number of slats are used for both the main bed and the trundle to provide adequate support.

5. OPERATING INSTRUCTIONS

5.1. Trundle Bed Operation

The trundle bed is designed for easy access and storage. It slides smoothly on wheels beneath the main daybed frame.

1. **To Extend:** Gently pull the trundle bed frame outwards from under the main daybed. The wheels will allow it to roll out smoothly.
2. **To Retract:** Push the trundle bed frame back into its position under the main daybed until it is fully concealed.

5.2. LED Light Operation

The daybed is equipped with LED lighting on both sides, offering 7 adjustable colors to enhance your room's ambiance.

1. **Power On/Off:** Locate the power switch or remote control for the LED lights. Press to turn the lights on or off.
2. **Change Colors:** Use the provided remote control or integrated button (if applicable) to cycle through the 7 available colors.
3. **Adjust Brightness:** Some models may offer brightness adjustment via the remote control.

6. MAINTENANCE

6.1. Cleaning the Upholstery

- For general cleaning, gently vacuum the linen fabric using an upholstery attachment to remove dust and debris.
- For spills, blot immediately with a clean, dry cloth. Avoid rubbing, as this can spread the stain.
- For stubborn stains, use a mild fabric cleaner specifically designed for linen upholstery. Test on an inconspicuous area first.
- Do not use harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the fabric.

6.2. Frame and Hardware Care

- Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability.
- Wipe the wooden components with a soft, damp cloth. Avoid using silicone-based polishes or cleaners.
- Ensure the trundle wheels are free of debris to allow smooth operation.

6.3. LED Light Care

- Keep the LED light strip clean and free of dust. Wipe gently with a dry, soft cloth.
- Ensure the power adapter and cables are not pinched or damaged.
- If the LED lights malfunction, check the power connection before contacting support.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your Bellemave Daybed.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Daybed feels wobbly or unstable.	Loose hardware connections.	Check and re-tighten all bolts and screws on the frame. Ensure all components are correctly aligned.
Trundle bed does not slide smoothly.	Debris in wheels or track; misaligned frame.	Clear any obstructions from the trundle wheels. Check if the trundle frame is properly aligned within the daybed frame.
LED lights are not working.	Power connection issue; faulty light strip.	Ensure the power adapter is securely plugged into an outlet and the light strip. Check for any visible damage to the cable or strip.
LED colors are not changing.	Remote control battery low; remote not aimed correctly.	Replace the remote control battery. Ensure the remote is aimed at the LED receiver.
