Virubi N757P385454W

Virubi King Size Upholstery Platform Bed N757P385454W Instruction Manual

Model: N757P385454W

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use of this product. Failure to follow these instructions may result in injury or damage.

- Keep all small parts and packaging materials away from children.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the bed frame or use it as a ladder.
- Use only the recommended mattress size and weight. This King size bed is designed to support a maximum weight of 800 lbs.
- Assembly requires two people for safety and ease.

PACKAGE CONTENTS

Verify that all components are present before starting assembly. If any parts are missing or damaged, please contact customer support.

- Headboard sections
- Footboard sections
- Side rails
- Wooden slats and support legs
- Hardware pack (bolts, washers, nuts, Allen wrench)

ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 40 minutes with two people. Ensure you have adequate space and all tools ready.

Tools Required:

- Included Allen Wrench
- Phillips Head Screwdriver (not included, may be needed for some fasteners)

Step-by-Step Guide:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Refer to the parts list to ensure everything is present.
2. **Assemble Headboard and Footboard Sections:** Connect the individual upholstered block sections of the headboard and footboard using the provided hardware. Ensure they are aligned correctly.

3. **Attach Side Rails:** Connect the assembled headboard and footboard to the side rails. Use the appropriate bolts and tighten them securely. Do not overtighten.
4. **Install Center Support Beam (if applicable):** Some models may include a center support beam. Install it according to the diagrams, ensuring it is level and securely fastened to the headboard and footboard.
5. **Place Wooden Slats:** Position the wooden slats across the bed frame. Ensure they are evenly spaced and secured to the side rails using the pre-drilled holes and screws.

Image: A close-up view of the bed frame's interior, showing the sturdy wooden slats designed to support a mattress without the need for a box spring. This detail highlights the slat placement and construction.

USAGE AND OPERATION

This platform bed is designed for optimal comfort and support with various mattress types.

- **Mattress Compatibility:** The bed frame is suitable for latex, memory foam, or traditional spring mattresses. A box spring is not required due to the robust slat system.
- **Weight Capacity:** The King size frame is engineered to support up to 800 lbs, including the mattress and occupants. Do not exceed this weight limit.
- **Placement:** Position the bed on a level surface to ensure stability and prevent undue stress on the frame.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Virubi platform bed.

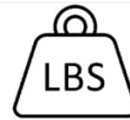

- **Fabric Care (Boucle Upholstery):**

- Regularly vacuum the boucle fabric using a soft brush attachment to remove dust and debris.
- For spills, blot immediately with a clean, dry cloth. Do not rub.
- For stubborn stains, use a mild fabric cleaner specifically designed for upholstery. Test on an inconspicuous area first.
- Avoid direct sunlight to prevent fading.

- **Frame Care:**

- Wipe the frame with a soft, damp cloth. Avoid harsh chemicals.
- Periodically check all bolts and connections and tighten them if they have loosened.

KING SIZE: INCH

Weight Capacity

Max to 800lbs

Mattress

6"-10"

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Squeaking Noises:**

- Check all bolts and screws. Tighten any loose connections.

- Ensure slats are properly seated and not rubbing against the frame.
- Verify the bed is on a level surface.
- **Instability/Wobbling:**
 - Re-check all assembly connections, ensuring they are fully tightened.
 - Confirm that all support legs (if any) are making firm contact with the floor.
- **Slats Shifting:**
 - Ensure slats are correctly installed in their designated positions and secured with screws where applicable.

PRODUCT SPECIFICATIONS

Feature	Specification
Brand	Virubi
Model Number	N757P385454W
Size	King
Color	Green
Product Dimensions	88.58"L x 83.07"W x 30"H
Weight Capacity	Up to 800 lbs
Frame Material	Medium Density Fibreboard
Special Feature	No Box Spring Needed
Included Components	Headboard
Item Weight	126.1 Pounds
