DWVO MADWVh2m6q

DWVO 30x24in Stainless Steel Table with Adjustable Shelf & Wheels Instruction Manual

Model: MADWVh2m6q

1. SAFETY INFORMATION

Read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Limits:** Do not exceed the maximum weight capacity of 330 lbs for the top surface and 220 lbs for the adjustable shelf. Overloading can cause instability and damage.
- **Proper Assembly:** Ensure all components are correctly assembled and all fasteners are tightened securely before use. Loose parts can lead to instability.
- **Stable Surface:** Always place the table on a flat, level, and stable surface. Use the adjustable leveling feet to ensure stability if not using wheels.
- **Cleaning:** Use appropriate cleaning agents for stainless steel. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Moving the Table:** When moving the table, especially with items on it, ensure the path is clear and move slowly to prevent tipping. Engage wheel brakes when the table is in its desired position.
- **Children and Pets:** Keep children and pets away from the assembly area. Do not allow them to climb or play on the table.
- **Heat Resistance:** While stainless steel is heat-resistant, avoid placing extremely hot items directly on the surface for extended periods without protection to prevent potential discoloration or damage.

2. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Stainless Steel Tabletop
- Adjustable Underself
- Table Legs (4)
- Universal Wheels with Brakes (4)

- Detachable Hooks (6)
- Assembly Hardware (screws, washers, nuts)
- Assembly Tools (wrench, screwdriver)
- Gloves

3. ASSEMBLY INSTRUCTIONS

Follow these steps for proper assembly. It is recommended to have two people for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.

Image: All components of the DWVO stainless steel table laid out for assembly, including the tabletop, legs, shelf, and hardware.

2. **Attach Legs to Tabletop:** Secure the four table legs to the underside of the tabletop using the provided screws and tools. Ensure they are firmly attached.

PRODUCT ATTRIBUTES

Image: A close-up view showing a table leg being securely attached to the underside of the stainless steel tabletop with screws.

3. **Install Adjustable Shelf:** Slide the adjustable undershelf onto the legs. Use the pre-drilled holes and locking mechanisms to set the desired height. Ensure the shelf is level and secure.

ADJUSTABLE SHELVES

High Physical Stability

Freely Adjustable

4. **Attach Wheels:** Screw the universal wheels into the bottom of each table leg. Ensure all four wheels are securely fastened.

4 UNIVERSAL WHEELS

Image: A close-up of a universal wheel, equipped with a brake, being screwed into the base of a table leg.

5. **Install Detachable Hooks:** Attach the detachable hooks to the side of the tabletop as desired for hanging utensils or towels.

Image: Kitchen utensils, including spatulas and whisks, are shown hanging neatly from the detachable hooks installed on the side of the stainless steel table.

6. **Final Check:** Once assembled, gently shake the table to ensure all connections are tight and the table is stable. Adjust leveling feet if necessary (if not using wheels).

4. OPERATING INSTRUCTIONS

Adjusting Shelf Height

The undershelf can be adjusted to accommodate items of various sizes. To adjust, loosen the locking mechanisms on each leg, slide the shelf to the desired height, and re-secure the locks. Ensure the shelf is level before placing items on it.

Using Wheels and Brakes

The table is equipped with four universal wheels for easy mobility. Each wheel includes a brake. To move the table, ensure all brakes are disengaged. To secure the table in place, press down on the brake levers on each wheel until they lock. Always engage brakes when the table is stationary to prevent accidental movement.

4 UNIVERSAL WHEELS

5. MAINTENANCE AND CARE

- **Cleaning:** Wipe the stainless steel surfaces regularly with a soft cloth and a mild detergent or stainless steel cleaner. Avoid abrasive pads, steel wool, or harsh chemicals that can scratch or damage the finish. Always wipe in the direction of the grain.
- **Rust Prevention:** The table is made from 201 stainless steel, which is corrosion and rust-resistant. However, to maintain its appearance and integrity, avoid prolonged contact with acidic substances or standing water. Dry the surface thoroughly after cleaning.
- **Check Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Wheel Care:** Keep the wheels free of debris. If the table becomes difficult to move, clean the wheel casters.

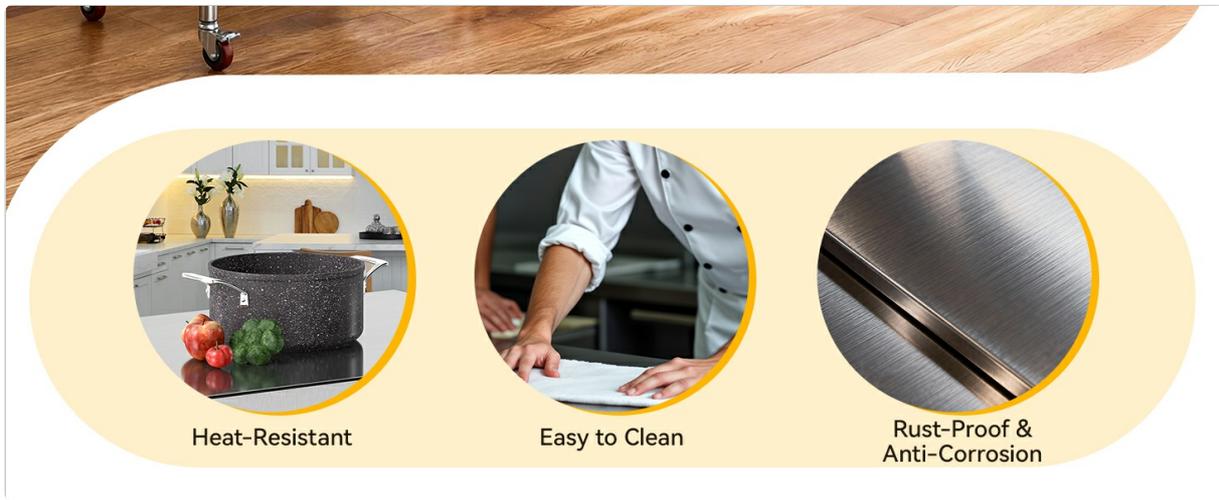

Image: A person wiping down a stainless steel surface, illustrating the table's rust-resistant and easy-to-clean attributes.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Table is wobbly or unstable.	Loose fasteners; uneven floor; shelf not properly secured.	Check and tighten all screws and bolts. Ensure the adjustable shelf is locked into place. If using leveling feet (instead of wheels), adjust them until the table is stable.
Wheels do not roll smoothly or table moves unintentionally.	Wheel brakes engaged; debris in casters; damaged wheel.	Ensure all wheel brakes are disengaged. Clean any debris from the wheel casters. If a wheel is damaged, contact customer support for a replacement.
Shelf slides down after adjustment.	Locking mechanisms not fully engaged; shelf overloaded.	Ensure the locking mechanisms on the legs are fully engaged after adjusting the shelf height. Reduce the weight on the shelf if it exceeds the 220 lbs limit.

7. SPECIFICATIONS

Feature	Detail
Brand	DWVO
Model Number	MADWVh2m6q
Product Dimensions (D x W x H)	30"D x 24"W x 33.8"H
Item Weight	26.5 Pounds
Maximum Weight Recommendation (Top)	330 Pounds
Maximum Weight Recommendation (Shelf)	220 Pounds
Frame Material	201 Stainless Steel
Color	Silver

Feature	Detail
Style Name	Basic with Wheels
Included Components	Assembly Guide, Tools
Required Assembly	Yes
Indoor/Outdoor Usage	Indoor
NSF Certified	Yes (C0731509)

8. WARRANTY AND SUPPORT

For warranty information, missing parts, or technical support, please contact DWVO customer service. Refer to your purchase documentation for specific contact details or visit the official DWVO website.
