

OSTBA GGJ-Tray

OSTBA GGJ Series Food Dehydrator Replacement Tray User Manual

INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your OSTBA GGJ Series Food Dehydrator Replacement Tray. Please read these instructions carefully before use to ensure optimal performance and longevity of the product.

PRODUCT OVERVIEW

The OSTBA GGJ Series Food Dehydrator Replacement Tray is specifically designed to be compatible with OSTBA GGJ series food dehydrators. It serves as an ideal replacement or an additional tray to expand your dehydrating capacity. Crafted from BPA-free, food-grade material, this tray ensures a safe surface for drying a variety of foods, including fruits, vegetables, herbs, meats, and pet treats. Its durable and heat-resistant construction is built to withstand repeated drying cycles, maintaining its shape and performance over time. The smooth surface facilitates easy cleaning, making it a practical and convenient accessory for your dehydrator.

COMPATIBILITY

This replacement tray is exclusively designed for use with **OSTBA GGJ series food dehydrators**. It is crucial to verify your dehydrator's model number to ensure proper fit and function. This tray is not a universal fitting item and may not be compatible with other dehydrator brands or models.

INSTALLATION

1. Ensure your OSTBA GGJ series food dehydrator is turned off and unplugged before installing or removing trays.
2. Carefully align the replacement tray with the existing trays or the base of the dehydrator.
3. Gently slide the tray into position, ensuring it sits securely and level. The lightweight design allows for easy stacking.
4. Once all trays are in place, you may proceed with preparing your food for dehydration.

USAGE GUIDELINES

- **Food Preparation:** Prepare your fruits, vegetables, herbs, meats, or pet treats according to your dehydrator's recipe or guidelines. Ensure food items are cut to appropriate sizes for even drying.
- **Loading Trays:** Arrange food items on the tray in a single layer, avoiding overcrowding. This allows for optimal air circulation and efficient drying.
- **Stacking:** The trays are designed to stack easily. Ensure each tray is properly seated before adding the next.
- **Monitoring:** Periodically check the drying progress as per your dehydrator's instructions.

CARE AND CLEANING

Proper cleaning and maintenance will extend the life of your replacement tray.

- **After Each Use:** Allow the tray to cool completely. Remove any food residue.
- **Hand Washing:** The smooth surface makes it easy to wipe clean with a damp cloth and mild dish soap. Rinse thoroughly with warm water.
- **Dishwasher Safe:** For added convenience, the tray is dishwasher safe. Place it on the top rack for best results.
- **Drying:** Ensure the tray is completely dry before storing or reusing.
- **Storage:** Store in a clean, dry place. The trays are stackable for compact storage.

TROUBLESHOOTING

Issue: The replacement tray does not fit my dehydrator.

Solution: This tray is specifically designed for **OSTBA GGJ series food dehydrators**. Please double-check the model number of your dehydrator. If your dehydrator is not an OSTBA GGJ series model, this tray will not fit correctly. This is not a universal product.
