

Shintenchi CJ001

Shintenchi CJ001 Lift Top Coffee Table User Manual

Model: CJ001

1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 85 lbs (38.5 kg) on the tabletop when not lifted.
- **Moving Parts:** Exercise caution when operating the lift-top mechanism to avoid pinching fingers or other body parts. Keep children and pets away from the table during operation.
- **Stability:** Ensure the table is placed on a flat, stable surface. Do not stand or sit on the table.
- **Assembly:** Assembly requires two adults. Follow all steps carefully.
- **Maintenance:** Regularly check all screws and connections to ensure they remain tight.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Part	Description	Quantity
A	Tabletop Panel	1
B	Base Frame Panels	Various
C	Table Legs	4
D	Lift Mechanism	2 sets
E	Hardware Pack	1

Tools Recommended: Allen Key (included), Phillips Head Screwdriver (not included), Electric Drill (optional, for faster assembly).

3. ASSEMBLY INSTRUCTIONS

Follow these steps carefully. It is recommended to have two people for assembly, especially when installing the lift mechanism.

1. **Assemble the Base Frame:** Connect the base frame panels (B) using the provided hardware from pack (E). Ensure all connections are secure.
2. **Attach the Legs:** Securely attach the four table legs (C) to the assembled base frame using the appropriate hardware. Ensure the angled legs are oriented correctly for stability.
3. **Install the Lift Mechanism:** Attach the lift mechanism sets (D) to the inside of the base frame.
Important: Ensure the mechanism is correctly oriented before tightening screws. This step often requires two people to align and secure properly. Foam bumpers should be placed under the tabletop where it meets the mechanism to prevent noise and pinching.
4. **Attach the Tabletop:** Carefully align the tabletop panel (A) with the lift mechanism. Secure the tabletop to the mechanism using the remaining hardware. Test the lift function gently to ensure smooth operation.

4. OPERATING INSTRUCTIONS

The Shintenchi CJ001 coffee table features a versatile lift-top design and hidden storage.

4.1. Using the Lift-Top Function

To raise the tabletop, gently pull the front edge of the table upwards. The hydraulic lifter will assist in a smooth and quiet ascent. To lower, gently push the tabletop down until it rests in its original position. Ensure no objects are obstructing the mechanism during movement.

Figure 4.1: The lift-top mechanism allows for adjustable tabletop height.

4.2. Accessing Hidden Storage

When the tabletop is lifted, the large hidden compartment becomes accessible. This space is ideal for storing items such as laptops, books, remote controls, or other living room essentials, keeping your space tidy.

WHY CHOOSE US ?

5. MAINTENANCE

Proper care will ensure the longevity of your coffee table.

- **Cleaning:** The smooth tabletop is waterproof and easy to clean. Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Wipe up spills immediately to prevent staining.
- **Protection:** Use coasters for drinks and placemats for hot items to protect the surface.
- **Inspections:** Periodically check all screws and bolts for tightness and re-tighten as necessary.

6. TROUBLESHOOTING

If you encounter any issues with your coffee table, refer to the following common solutions:

- **Tabletop is wobbly:** Ensure all leg and frame connections are securely tightened. Check that the table is on a level surface.
- **Lift mechanism is stiff or uneven:** Ensure no objects are caught in the mechanism. Apply a small amount of silicone lubricant to the moving parts if necessary. If the issue persists, re-check the installation of the lift mechanism.
- **Scratches on surface:** While the material is scratch-resistant, deep scratches can occur. Use furniture repair kits for minor damage.

7. SPECIFICATIONS

Detailed product specifications for the Shintenchi CJ001 Lift Top Coffee Table.

Figure 7.1: Product dimensions and weight capacity.

Feature	Detail
Model Number	CJ001
Product Dimensions	21.56"D x 39.4"W x 21"H
Item Weight	46.2 Pounds (20.95 kg)
Frame Material	Wood
Top Material Type	Engineered Wood (P2 grade particleboard)
Color	Ivory
Table Design	Lift Top Coffee Table
Special Features	Hidden Storage, Adjustable Height
Assembly Required	Yes
Max Tabletop Load (not lifted)	85 lbs
