

## SANODESK 71x43 L-Shape

# SANODESK 4-Leg L-Shaped Electric Standing Desk User Manual

Model: 71x43 L-Shape

Brand: SANODESK

## 1. PRODUCT OVERVIEW

---

The SANODESK 4-Leg L-Shaped Electric Standing Desk is designed to provide a versatile and ergonomic workspace for home offices, gaming setups, and general computer workstations. This desk features electric height adjustment, allowing users to seamlessly switch between sitting and standing positions throughout the day. Its robust 4-leg design ensures stability at all heights, and the L-shape provides ample surface area for multiple monitors and accessories.

## 2. KEY FEATURES

- **4-Leg L-Shaped Design:** Provides enhanced stability and a spacious work area.
- **Electric Height Adjustment:** Smooth and quiet operation for effortless transitions between sitting and standing.
- **Memory Presets:** Three programmable height settings for quick adjustments to preferred positions.
- **Durable Construction:** Engineered wood desktop with a robust carbon steel frame and legs.
- **Generous Workspace:** Ample surface area to accommodate multiple monitors, peripherals, and work materials.
- **Whisper-Quiet Operation:** Motor operates at approximately 45dB, ensuring minimal disturbance.
- **Surface Durability:** Desktop is scratch-proof, rust-resistant, and made from eco-friendly materials.

### 3. SETUP & ASSEMBLY

---

Assembly of the SANODESK 4-Leg L-Shaped Electric Standing Desk is required. Detailed instructions are included with the product. While assembly is designed to be straightforward, it is recommended to have two people for moving and assembling the desk due to its weight and size. Please note that not all assembly tools are included.

#### 3.1 Installation Options

The L-shaped desk offers two installation options to match your workspace layout: the long side can be configured on either the right or the left.

### 4. OPERATING INSTRUCTIONS

---

The desk features an electric height adjustment system with a control panel for easy operation.

#### 4.1 Adjusting Desk Height

- Use the **Up** (▲) and **Down** (▼) arrow buttons on the control panel to manually raise or lower the desk to your desired height. The current height will be displayed on the digital screen.

## 4.2 Using Memory Presets

The desk allows you to save up to three preferred height settings for quick recall.

1. Adjust the desk to your desired height using the Up/Down arrows.
2. Press the "M" button. The display will flash.
3. Immediately press one of the numbered preset buttons ("1", "2", or "3") to save the current height to that preset.
4. To recall a saved height, simply press the corresponding numbered preset button. The desk will automatically move to the saved position.

## 5. MAINTENANCE

To ensure the longevity and optimal performance of your SANODESK standing desk, follow these maintenance guidelines:

- **Cleaning:** The desk surface is easy to clean. Use a soft, damp cloth with a mild cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Regular Inspection:** Periodically check all screws and connections to ensure they are tight. Retighten if necessary.
- **Cable Management:** Keep cables organized to prevent entanglement with the moving parts of the desk.
- **Weight Distribution:** Distribute weight evenly across the desk surface, especially when adjusting height, to prevent strain on the motors.

## 6. TROUBLESHOOTING

If you encounter any issues with your SANODESK standing desk, please refer to the following common troubleshooting tips:

- **Desk Not Moving:** Ensure the power cable is securely plugged into both the desk and a working power outlet. Check for any obstructions under or around the desk that might prevent movement.
- **Uneven Movement:** If the desk moves unevenly, check that all legs are properly assembled and that the desk is on a level surface. Recalibrate the desk if necessary (refer to the full instruction manual for calibration steps).
- **Error Codes:** If the display shows an error code, consult the detailed troubleshooting section in the complete instruction manual provided with your product.
- **Physical Damage:** In case of any physical damage, such as dents or issues with the drive mechanism, contact customer support immediately.

For more complex issues or if troubleshooting steps do not resolve the problem, please contact SANODESK customer support.
