MINISO MS105

MINISO MS105 AI Translation Earbuds User Manual

Model: MS105

1. INTRODUCTION

The MINISO MS105 AI Translation Earbuds are designed to facilitate real-time, two-way communication across 134 languages. These earbuds integrate advanced AI technology with high-fidelity audio, offering a versatile solution for travel, business, and language learning. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance.

2. WHAT'S IN THE BOX

Verify that all items are present in your package:

- Translation Earbuds (x2)
- Charging Case (x1)
- User Manual (x1)
- AI Translation Instruction Manual (x1)

- Type-C Charging Cable (x1)
- Different Sizes of Ear Tips (x2 pairs)

3. SETUP GUIDE

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided Type-C charging cable to the charging port on the case and a compatible USB power source. The LED power indicator on the case will display the current battery status. A full charge provides up to 60 hours of total playback time.

3.2 Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. Activate Bluetooth on your smartphone, tablet, or other compatible device.
3. Search for "MINISO MS105" in the list of available Bluetooth devices.
4. Select "MINISO MS105" to pair. A voice prompt will confirm successful connection.

The earbuds utilize Bluetooth 6.0 for a stable connection, longer transmission range, and lower power consumption.

What's in the box?

- Translation earbuds x2
- Charging case x1
- User manual x1
- AI translation instruction manual x1
- Type-C charging cable x1
- Different sizes of ear tips x2 pair

3.3 App Installation

To access the full range of translation features and modes, download the dedicated MINISO AI Translation app from your device's app store (compatible with iOS & Android). Follow the in-app instructions to complete the setup and link your earbuds.

4. OPERATION GUIDE

4.1 Translation Modes

The MINISO MS105 earbuds offer five customizable translation modes via the companion app, supporting 134 languages:

Image: Overview of available translation modes in the app.

AI Chat Mode

Engage in natural conversations with AI-powered real-time translation. The system provides human-like responses for fluid, effortless communication in any language.

Hi-Fi Audio, Pure Bliss

13mm drivers deliver studio-grade sound with deep bass. Perfect for both crystal-clear translation and immersive music.

Deep Bass

13mm Drivers

HiFi Sound

HD Calls

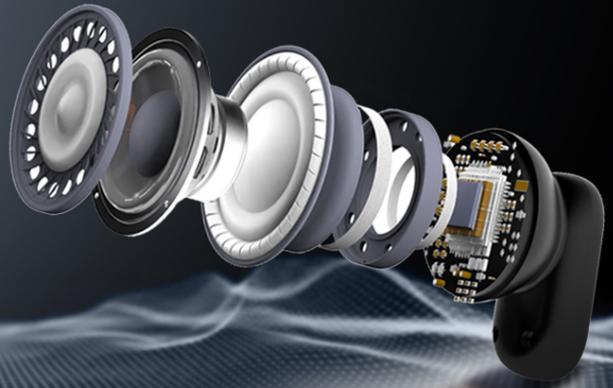

Image: AI Chat Mode in use.

Free Talk Mode

Ideal for two-person conversations. Both individuals wear an earbud, and bilingual input is converted into real-time audio through the earbuds, enabling flexible and smooth cross-language communication.

AI-Powered Translation at Your Fingertips

Boost productivity with real-time translation for multilingual meetings, travel conversations, and language learning—seamlessly integrated into your listening experience.

Multilingual Meetings

Global Travel

Studying Abroad

Overseas Business Trips

Image: Free Talk Mode for two-way conversations.

Translation Machine Mode

Type text on your phone, and hear the translations spoken aloud via the earbuds. This mode is useful for ordering food or navigating situations where direct speech might be challenging.

IPX5 Water-Resistant

With an IPX5 rating, these earbuds are fully protected against sweat and rain, ideal for workouts and commutes.

Headphone+Phone Mode

Tap your phone to get instant translation through the earbuds. This mode allows for confident responses in various conversations by using your phone as an input device.

Find Your Perfect, All-Day Fit

Achieve exceptional comfort with two included sizes of soft silicone ear tips. They provide a secure, pressure-free seal tailored for extended wear.

Photo Translation

Point your camera at text on menus, signs, or documents. The app will automatically recognize the text and translate it into your target language, delivering the translation to your earbud.

Image: Photo Translation feature.

Video Subtitle Translation

Watch videos with real-time translated audio. The AI instantly translates dialogue, delivering subtitles directly to your earbud for movies, meetings, or learning content.

4.2 Smart Pinch Control

The earbuds feature intuitive force-sensor controls for managing music, calls, and translation functions. Refer to the diagram below for specific gestures:

Image: Smart Pinch Control gestures.

4.3 Audio Features

Equipped with 13mm dynamic drivers, the earbuds deliver Hi-Fi stereo sound with deep bass, ensuring clear vocal translation and immersive music playback.

5. CARE AND MAINTENANCE

5.1 Cleaning

Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents. Remove ear tips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

5.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.

5.3 Water Resistance

The earbuds are rated IPX5 water-resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and commutes, but they are not designed for submersion in water. Do not expose the charging case to water.

Image: IPX5 Water-Resistant feature.

5.4 Ear Tip Replacement

For optimal comfort and sound quality, choose the ear tips that best fit your ears. The package includes different sizes (S, M, L). Gently twist and pull to remove existing ear tips, then push and twist to attach new ones.

Image: Ear tip sizes for a comfortable fit.

6. TROUBLESHOOTING

If you encounter issues with your MINISO MS105 earbuds, refer to the following common solutions:

- **Earbuds not pairing:** Ensure Bluetooth is enabled on your device and the earbuds are charged. Place them back in the case, close the lid, wait a few seconds, then open and try pairing again.
- **No sound or poor audio quality:** Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly seated in your ears and the ear tips provide a good seal. Re-pair the earbuds if necessary.
- **Translation delays or freezing:** Ensure a stable internet connection for the translation app. Speak clearly and at a moderate pace. Rapid speech or noisy environments can affect translation accuracy and speed.
- **Earbuds not translating:** Confirm that the MINISO AI Translation app is installed, open, and properly connected to the earbuds. Ensure the correct translation mode is selected within the app.
- **Charging issues:** Verify that the Type-C cable is securely connected to both the case and the power source. Check if the charging port is clean and free of debris.

7. TECHNICAL SPECIFICATIONS
