1. SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Keep this manual for future reference.

- **Weight Capacity:** Do not overload the table or chairs beyond their specified weight capacity to prevent tip-over and ensure safety. The table has a weight capacity of 220 lbs, and each chair has a weight capacity of 310 lbs.
- **Assembly:** Ensure all components are securely fastened before use. Periodically check and tighten all screws and bolts.
- **Placement:** Place the dining set on a flat, stable surface to prevent wobbling or tipping.
- **Children:** Supervise children around the dining set to prevent accidents. Do not allow children to climb on the table or chairs.
- **Moving:** When moving the dining set, lift it rather than dragging it to prevent damage to the product or floor.

2. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. This product is shipped in three boxes.

- 1 x Dining Table (Box 1)
- 4 x Chairs (2 chairs per box, Box 2 & Box 3)
- 1 x User Guide (Included in Box 1)

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this dining set. Follow the detailed instructions and illustrations provided in the included user guide. Ensure you have adequate space and the necessary tools (usually an Allen wrench, often included) before starting.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
- 2. Identify Hardware:** Separate and identify all screws, bolts, and other hardware components using the parts list in your user guide.
- 3. Assemble Chairs:**
 - Attach chair legs to the seat frame.
 - Secure the backrest to the chair frame.
 - Install footrests between the chair legs.
 - *Note: Do not fully tighten screws until all parts are aligned.*
- 4. Assemble Table:**

- Attach table legs to the tabletop.
 - Ensure all connections are firm and stable.
5. **Final Tightening:** Once all components are assembled and aligned, gradually tighten all screws and bolts with the provided tool. Do not overtighten.
 6. **Stability Check:** Gently shake the assembled table and chairs to ensure stability. If any wobbling occurs, recheck all connections.

6. TROUBLESHOOTING

If you encounter any issues with your dining set, refer to the following common solutions:

- **Wobbling Table/Chairs:**

- Ensure all screws and bolts are fully tightened.
- Check that the dining set is placed on a level surface.
- If the floor is uneven, consider using furniture pads or shims under the legs.

- **Difficulty during Assembly:**

- Review the assembly instructions carefully, paying attention to diagrams.
- Ensure you are using the correct hardware for each step.
- Do not fully tighten screws until all parts are loosely assembled and aligned.

- **Missing Parts:**

- Double-check all packaging materials to ensure no small parts were overlooked.

- Refer to the "Package Contents" section and contact customer support if parts are genuinely missing.
