Assembly Instructions

Follow the detailed, step-by-step instructions provided in the included instruction manual to assemble your Red Rose Petal Flower Gun model. The assembly process is designed to be immersive and satisfying for experienced builders.

- **High-Quality Materials:** The building blocks are made from high-quality ABS plastic, ensuring a solid fit and stable structure once assembled.
- **Secure Connections:** Each piece is designed to connect securely, contributing to the durability and stability of the finished model.
- **Modular Design:** The gun and rose embellishments are designed to be disassemblable, allowing for customization or

easier storage if desired.

Operating the Model

Once assembled, the Red Rose Petal Flower Gun Building Blocks model offers several interactive features:

- **Movable Hammer:** The hammer component can be moved manually.
- **Rotatable Wheel:** The wheel mechanism is designed to rotate.
- **Movable Trigger:** The trigger can be pressed.

These features are for display and light interaction. The model is primarily intended as a decorative piece.

Maintenance

To keep your Tobocoy Red Rose Petal Flower Gun Building Blocks model in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when moving it, to prevent accidental detachment of pieces.

Troubleshooting

If you encounter any issues during assembly or with the finished model, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If pieces are genuinely missing, contact customer support.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces for each step as indicated in the instruction manual. Apply gentle, firm pressure to connect pieces. Avoid forcing connections, which could damage the blocks.
- **Unstable Structure:** Review previous assembly steps to ensure all connections are secure and pieces are correctly oriented. A loose connection can affect overall stability.
