DUMOS DMLXZ8JDD

DUMOS Gaming Desk Instruction Manual

Model: DMLXZ8JDD | Brand: DUMOS

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DUMOS Gaming Desk. Designed for stability and functionality, this L-shaped desk features a heavy-duty structure, integrated power outlets, USB/Type-C charging ports, and customizable RGB LED lighting. Please read these instructions carefully before assembly and use to ensure proper setup and safe operation.

Figure 1.1: Fully assembled DUMOS Gaming Desk with monitor stand and storage shelves.

Safety Information

Always assemble the desk according to the provided instructions. Ensure all components are securely fastened and the desk is level before use to prevent stability issues. Do not overload the desk or shelves beyond their stated weight capacity. Keep liquids away from electrical components.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact DUMOS customer support.

- Computer Desk Components (Desktop panels, Steel frame parts, Legs)
- Assembly Hardware (Screws, bolts, nuts, washers)
- Assembly Tools (Allen wrench, screwdriver)
- Power Outlet Unit with USB/Type-C ports
- LED Light Strips and Controller
- Fabric Side Bag

- Utility Hook
- Instruction Manual

3. SETUP AND ASSEMBLY

Assembly typically takes 25-30 minutes for one person. Follow the included picture-based guide for detailed step-by-step instructions. Ensure you have adequate space for assembly.

3.1 Desk Orientation (Reversible Design)

The DUMOS Gaming Desk features a reversible L-shaped design, allowing you to configure the longer section of the desk to either the left or right side to best suit your room layout and workflow. Refer to the assembly guide for specific instructions on how to achieve your desired orientation.

Figure 3.1: Reversible design and key dimensions of the DUMOS Gaming Desk.

3.2 General Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Assemble Frame:** Connect the steel frame parts using the provided hardware. Ensure all screws are finger-tightened initially.
3. **Attach Legs:** Secure the desk legs to the assembled frame.
4. **Install Desktop Panels:** Place the desktop panels onto the frame and secure them with the appropriate hardware.
5. **Install Monitor Stand and Shelves:** Attach the monitor stand and storage shelves as indicated in the manual.
6. **Install Power Outlet Unit:** Mount the power outlet unit to the designated location on the desk.
7. **Install LED Lights:** Adhere the LED light strips to the underside of the monitor stand or desk edge as desired, connecting them to the controller.
8. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the provided tools. Do not overtighten.
9. **Level the Desk:** Adjust the leveling feet at the bottom of the desk legs to ensure the desk is stable and does not wobble.

4. OPERATING INSTRUCTIONS

4.1 Integrated Power Outlets and Charging Ports

The DUMOS Gaming Desk is equipped with a convenient power strip featuring 3 standard AC power outlets (120V/12A), 1 USB port, and 1 Type-C charging port. This allows for direct power and charging of your devices without needing additional power strips.

- **AC Outlets:** Plug in your computer, monitors, and other AC-powered peripherals.
- **USB Ports:** Use the USB (5V/2A) and Type-C ports to charge smartphones, tablets, gaming controllers, and other USB-powered devices.
- **Power Cord:** Connect the desk's main power cord to a wall outlet. The power cord is approximately 4.92 feet long.

Figure 4.1: Detail of the integrated power outlets and charging ports.

4.2 RGB LED Lighting System

Enhance your gaming or work environment with the integrated RGB LED lighting system. The lights can be controlled via a physical key controller or a dedicated smartphone application.

- **Key Control:** Use the included physical controller to cycle through 7 static colors, adjust 6 brightness levels, and select from 22 dynamic modes.
- **App Control:** Download the compatible smartphone application to access over 60,000 colors, fine-tune brightness, adjust color temperature, and set flash effects. The app also supports music synchronization for an immersive experience.
- **Benefits:** The LED lighting can help reduce eye strain and improve focus during extended use.

4.3 Ergonomic Monitor Stand

The elevated monitor stand is designed to position your screen at an optimal height, promoting proper posture and reducing neck and eye strain during long sessions. It also provides additional storage space underneath for keyboards, mice, or other accessories.

Figure 4.3: Benefits of the ergonomic monitor stand for posture.

4.4 Storage Features

The desk includes various storage solutions to keep your workspace organized:

- **Open Shelves:** Integrated shelves provide space for books, decor, or other items.
- **CPU Stand:** A dedicated platform keeps your computer tower off the floor, improving airflow and protecting it from dust.
- **Fabric Side Bag:** A removable fabric bag attaches to the side of the desk, ideal for storing headphones, cables, or small accessories.
- **Utility Hook:** Use the hook for hanging headphones or other items.

5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your DUMOS Gaming Desk.

- **Cleaning the Desktop:** Wipe the desktop surface with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the scratch-resistant finish.
- **Cleaning the Frame:** The metal frame can be cleaned with a damp cloth. Dry immediately to prevent rust.
- **Electrical Components:** Ensure the desk is unplugged before cleaning near the power outlets or LED lights. Use a dry cloth to wipe dust from these areas. Do not spray liquids directly onto electrical components.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain desk stability.

6. TROUBLESHOOTING

If you encounter any issues with your DUMOS Gaming Desk, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Uneven floor; loose assembly hardware.	Adjust the leveling feet at the bottom of the legs. Ensure all assembly screws and bolts are securely tightened.
Power outlets/USB ports not working.	Desk not plugged into wall outlet; wall outlet not active; internal wiring issue.	Ensure the desk's power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. If the issue persists, contact customer support.
LED lights not turning on or functioning incorrectly.	Loose connection; controller malfunction; power issue.	Check all connections between the LED strips, controller, and power source. Ensure the desk's power is on. Try using both key control and app control if applicable. If the problem continues, contact customer support.
Missing or damaged parts during unboxing.	Shipping damage; packaging error.	Do not proceed with assembly. Contact DUMOS customer support immediately with details of the missing or damaged parts.

7. SPECIFICATIONS

Detailed technical specifications for the DUMOS Gaming Desk (Model DMLXZ8JDD).

Feature	Detail
Model Number	DMLXZ8JDD
Brand	DUMOS
Shape	L-Shape (Reversible)
Product Dimensions (D x W x H)	100.1D x 70.1W x 87.1H Centimeters (approx. 39.4D x 27.6W x 34.3H Inches)
Working Surface Diagonal Length	48.26 Inches
Color	White
Top Material	Wood (Lacquered, Scratch-resistant)
Frame Material	Metal (Reinforced Steel)
Item Weight	33 Pounds
Power Outlets	3 x AC Outlets (120V/12A)

Feature	Detail
