Aolso 5469458

Aolso Bluetooth Backlit Keyboard User Manual

Model: 5469458

Brand: Aolso

Introduction

This manual provides detailed instructions for the Aolso Bluetooth Backlit Keyboard, Model 5469458. Please read this manual carefully before using the product to ensure proper operation and to maximize its lifespan. This keyboard is designed for compatibility with iOS, Android, and Windows systems, offering a versatile and quiet typing experience with a seven-color backlight.

Package Contents

The package includes the following items:

- Bluetooth Keyboard
- Tablet/Phone Stand
- Charging Cable (USB-C)
- User Manual

Product Features

- **Full System Compatibility:** Supports Bluetooth 5.0, compatible with iOS, Android, and Windows systems for flexible device switching.
- **Seven-Color Backlight:** ABS material with seven-color backlight, supporting 7-color switching or automatic cycle for clear typing in low-light conditions.
- **Long Battery Life:** Built-in 280 mAh battery provides up to 30 days standby and approximately 20 days of continuous use (2 hours/day). Full charge in 3-4 hours.
- **Silent and Ultra-Thin Design:** Quiet button design for use in quiet environments. The keyboard is 10 inches in size, lightweight, compact, and portable.
- **Stable 10-Meter Transmission:** Bluetooth 5.0 transmission distance up to 10 meters with a stable signal.
- **Magnetic Attachment:** The aluminum alloy back allows for magnetic attachment to compatible tablet cases.

Setup: Bluetooth Pairing

Follow these steps to connect your Aolso Bluetooth Backlit Keyboard to your device:

1. **Power On:** Locate the ON/OFF switch on the keyboard. Slide the power switch to the "ON" position.
2. **Activate Pairing Mode:** Press the "Connect" button. The blue indicator light will flash, indicating the keyboard is in pairing mode.
3. **Enable Bluetooth on Your Device:** On your iPad, phone, or tablet, go to the Bluetooth settings and enable Bluetooth.
4. **Select Keyboard:** In the list of available Bluetooth devices, select "Bluetooth Keyboard" to pair.
5. **System Switch (if needed):** After successful pairing, press **Fn + Q** for Android, **Fn + W** for Windows, or **Fn + E** for iOS to ensure optimal compatibility with your operating system.

Operating Instructions

Backlight Control

The keyboard features a seven-color backlight. To control the backlight:

- Press the **light bulb icon key** (usually next to the spacebar or Fn key) to turn the backlight on/off or cycle through colors.
- Some models may require **Fn + light bulb icon key** to change colors or modes.

System Key Combinations

Use the following key combinations for specific functions:

- **Switch System: Fn + Q** (Android), **Fn + W** (Windows), **Fn + E** (iOS)
- **Physical Keyboard Display (iOS): Fn + Ctrl**

- **Software Switch (iOS): Command + Tab**
- **Caps Lock:** Press the **Caps Lock** key. An indicator light will show its status.

Charging and Battery

The keyboard is equipped with a built-in rechargeable battery.

- **Charging Port:** Use the provided USB-C charging cable to connect the keyboard to a power source (e.g., computer USB port, USB wall adapter).
- **Charging Time:** A full charge typically takes 3-4 hours.
- **Battery Indicator:** The keyboard has a low battery indicator light. Charge the keyboard when this light appears.
- **Battery Life:** Expect approximately 20 hours of continuous use or up to 30 days of standby time on a full charge.

Maintenance

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the keyboard surface. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid excessive moisture.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Liquids:** Do not expose the keyboard to liquids. In case of accidental spills, immediately power off the keyboard and allow it to dry completely before reuse.
- **Handle with Care:** Avoid dropping or subjecting the keyboard to strong impacts.

Troubleshooting

Keyboard does not connect via Bluetooth:

- Ensure the keyboard is powered on and fully charged.
- Make sure the keyboard is in pairing mode (blue light flashing after pressing "Connect").
- Verify Bluetooth is enabled on your device and that "Bluetooth Keyboard" is selected.
- Try turning off and on Bluetooth on your device, then re-attempt pairing.
- Ensure the keyboard is within the 10-meter effective range of your device.

Keys are not responding or typing incorrectly:

- Check if the keyboard is properly paired.
- Ensure the correct operating system mode is selected (Fn + Q/W/E).
- Recharge the keyboard if the battery is low.
- Restart both the keyboard (power off/on) and your connected device.

Backlight is not working:

- Press the backlight key (light bulb icon) to activate or cycle through modes.
- Ensure the keyboard has sufficient battery charge.

Warranty and Support

Specific warranty information for the Aolso Bluetooth Backlit Keyboard, Model 5469458, is not provided in this manual. Please refer to the retailer's return policy or contact Aolso customer support for detailed warranty terms and technical assistance.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
