HUANLEGO 43.7x15.7x57.6 in

HUANLEGO Vanity Desk with Mirror and LED Lights & Power Outlet - Instruction Manual

Model: 43.7x15.7x57.6 in

INTRODUCTION

Thank you for choosing the HUANLEGO Vanity Desk. This manual provides detailed instructions for the assembly, operation, and maintenance of your new vanity desk. Please read all instructions carefully before assembly and use to ensure proper function and longevity of the product.

This vanity desk features a spacious tabletop, multiple storage options including 3 drawers and 2 levels of cabinets, a mirror with 10 LED bulbs offering 3 color modes (warm yellow, natural white, cool white), adjustable brightness, and RGB LED ambient lighting controllable via app or switch. It also includes a built-in charging station with 2 standard plug sockets and 2 USB ports.

SETUP AND ASSEMBLY

Assembly of the HUANLEGO Vanity Desk requires careful attention to detail. All necessary components are labeled with assembly numbers. Please follow the steps outlined in the video and accompanying diagrams.

Assembly Video Guide

Your browser does not support the video tag.

Video Description: This video provides a step-by-step visual guide for assembling the HUANLEGO Vanity Desk. It demonstrates how to connect various components, install drawers, attach the mirror unit, and set up the electrical connections for the lights and charging station. Follow the visual cues and numbered parts for accurate assembly.

Key Assembly Steps:

- Unpack and Identify Parts:** Carefully unpack all components and hardware. Refer to the parts list in your physical manual to identify each piece. Ensure all parts are present and undamaged.
- Assemble Base Frame:** Begin by assembling the main base frame of the vanity desk, connecting the side panels and support beams using the provided screws and dowels.
- Install Drawer Slides:** Attach the drawer slides to the designated internal panels of the desk base. Ensure they are aligned correctly for smooth drawer operation.

4. **Construct Upper Mirror Unit:** Assemble the upper section that holds the mirror and side shelves. Secure the mirror backing and shelf supports.
5. **Attach Upper Unit to Base:** Carefully lift and secure the assembled upper mirror unit onto the main desk base. Use the appropriate fasteners to ensure stability.
6. **Electrical Connections:** Connect the wiring for the LED mirror lights, RGB ambient lighting, and the power outlet/USB charging station. Route cables neatly and secure them with clips.
7. **Assemble Drawers:** Construct the three drawers, attaching the front panels, sides, and bottom. Install the drawer knobs.
8. **Install Cabinet Doors:** Attach the hinges to the cabinet doors and then mount the doors to the desk. Adjust hinges as needed for proper alignment.
9. **Assemble Stool:** If included, assemble the matching stool.
10. **Final Checks:** Verify all connections are secure and the desk is stable. Test all electrical functions.

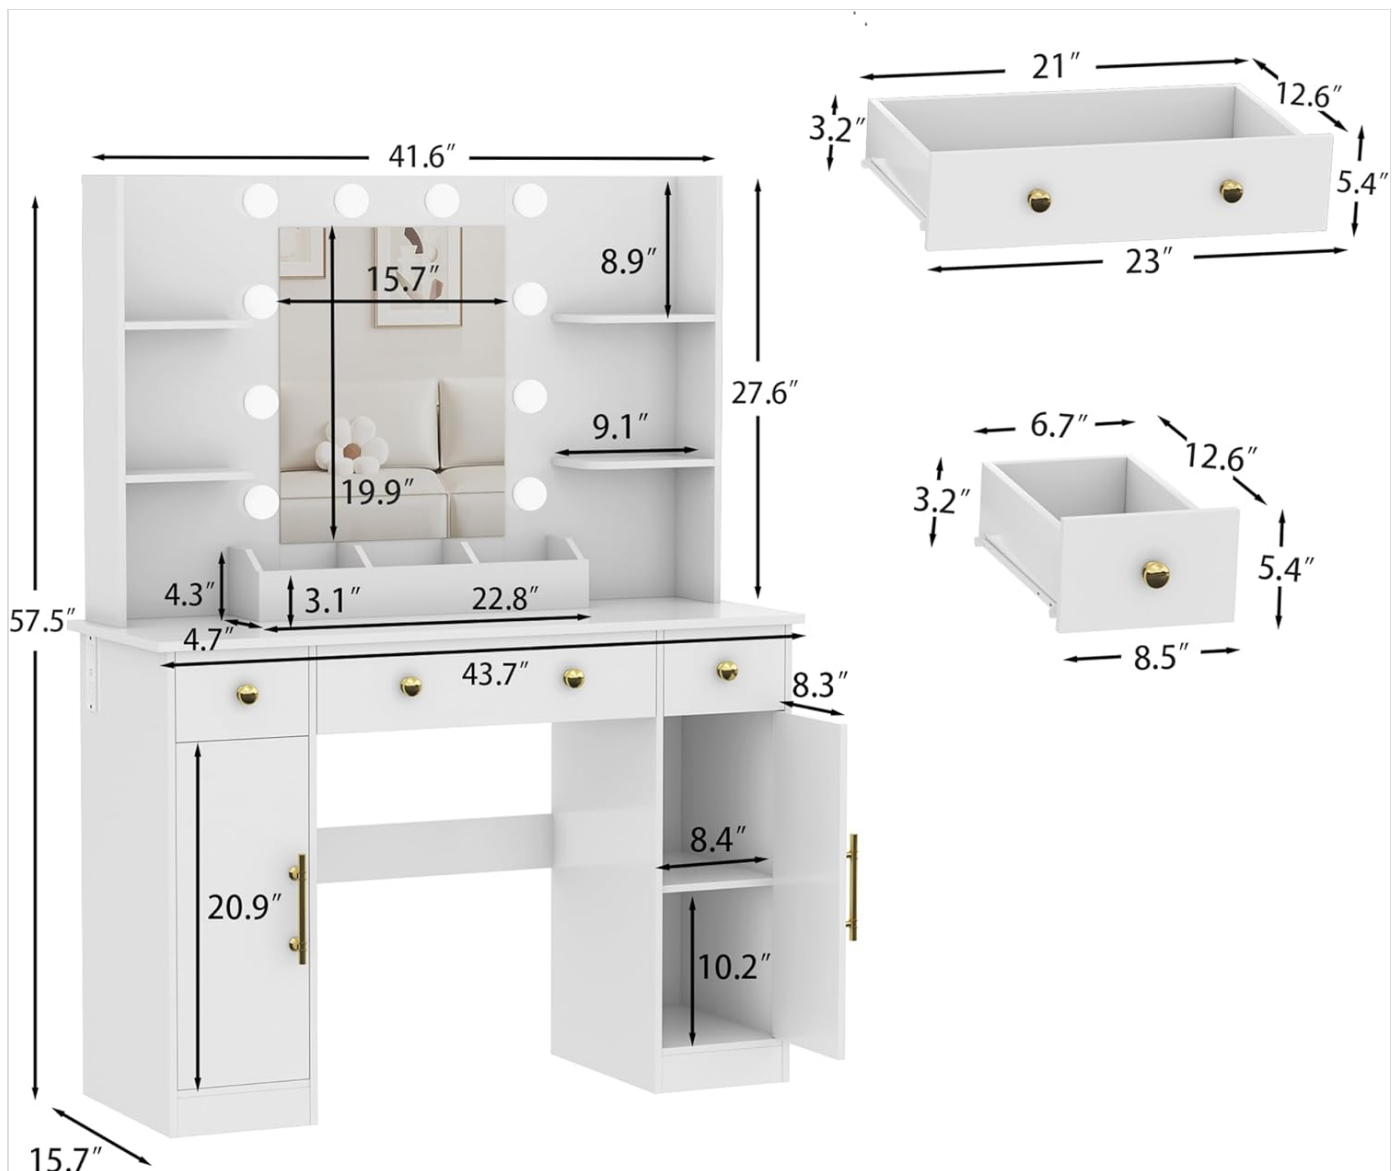

Image Description: A fully assembled HUANLEGO Vanity Desk in white, featuring a large mirror with surrounding LED bulbs, multiple open shelves on either side of the mirror, three central drawers, and two side cabinets. A matching white stool is placed in the center opening. The desk is shown in a bedroom setting, highlighting its functional design.

OPERATING INSTRUCTIONS

LED Mirror Lights

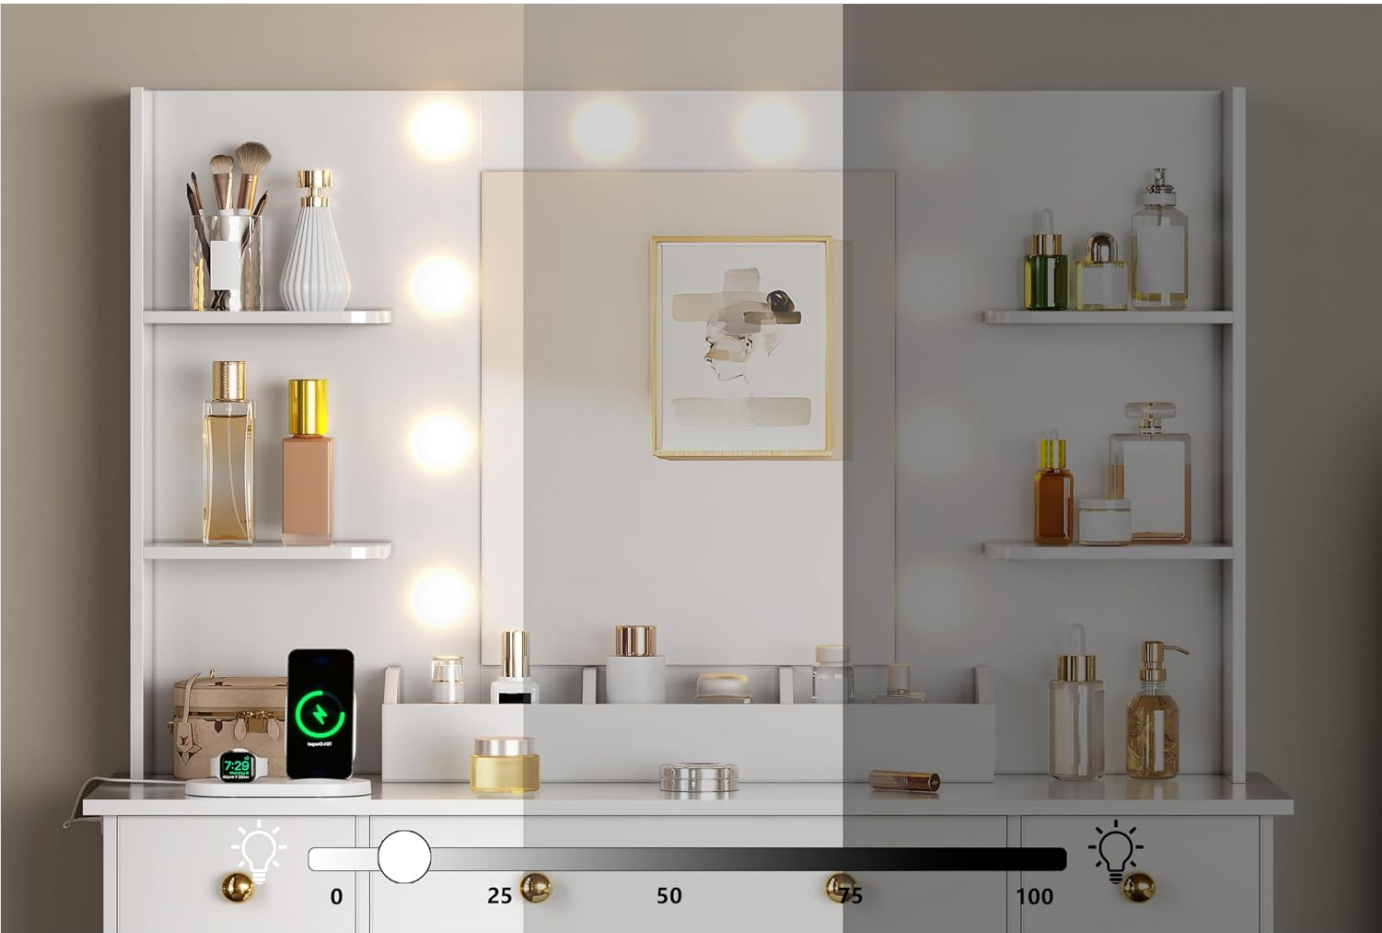

- **Power On/Off:** Locate the touch sensor or switch on the mirror frame to turn the lights on or off.
- **Color Modes:** Tap the touch sensor or use the switch to cycle through 3 color modes: warm yellow, natural white, and cool white.
- **Brightness Adjustment:** Press and hold the touch sensor or use the designated dimmer control to adjust the brightness level to your preference.

Adjustable RGB LED Ambient Lights

- **Control:** The RGB LED lights can be controlled via a dedicated switch or a smartphone application.
- **Color and Mode Selection:** Use the app or switch to select from over 1,000 static colors and multiple dynamic lighting modes.
- **Brightness:** Adjust the brightness of the RGB lights to create your desired ambiance.

Charging Station

- **Power Outlets:** The vanity desk includes 2 standard 125V/12A AC plug sockets. Use these for beauty devices such as hair dryers or curling irons.
- **USB Ports:** Two 5V/2A USB ports are provided for charging mobile phones and other USB-powered devices.
- **Power Cord:** Ensure the 4.92-foot power cord is securely plugged into a wall outlet.

3 Color Temperature Change Modes

Image Description: A close-up view of the built-in charging station on the side of the vanity desk, showing two standard AC power outlets and two USB ports. A white power cord is visible, indicating the connectivity options for electronic devices.

MAINTENANCE

- **Cleaning:** Wipe the surfaces of the vanity desk with a dry cloth to remove dust and debris. Avoid using abrasive cleaners or harsh chemicals that may damage the finish.
- **Electrical Components:** Ensure proper handling of the LED lights and any electrical components. Do not attempt to repair electrical parts yourself.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to maintain the desk's stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lights not turning on.	Power cord unplugged, loose connection, or bulb issue.	Check if the power cord is securely plugged into the wall and the desk. Ensure all internal electrical connections are firm. If a bulb is faulty, contact customer support for replacement.
Drawers are stiff or not closing properly.	Misaligned drawer slides or obstruction.	Ensure drawer slides are correctly installed and lubricated if necessary. Check for any objects obstructing the drawer's path. Re-adjust if misaligned.
Desk feels unstable.	Loose fasteners.	Tighten all screws and bolts on the desk frame and connections. Ensure the desk is placed on a flat, even surface.
