2. SAFETY INFORMATION

Please observe the following safety precautions to ensure a safe and enjoyable experience:

- **WARNING: CHOKING HAZARD** – This product contains small parts and is not suitable for children under 3 years of age.
- Always supervise children during assembly and play to prevent accidental ingestion of small parts.
- Keep all packaging materials away from children to avoid suffocation risks.
- Do not put any parts in your mouth.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present:

- CaDA C55041W Toyota GR Supra GT4 Building Blocks Car (324 pieces)
- Instruction Manual

If any parts are missing or damaged, please contact customer support for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your building blocks car:

1. **Unpack Components:** Carefully remove all model components from the packaging. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Follow Manual Steps:** Refer to the detailed, step-by-step illustrations in the included instruction manual. Each step is numbered for clarity.
3. **Secure Connections:** Ensure that each building block is firmly pressed into place. A secure connection is crucial for the stability and durability of the finished model.
4. **Printed Parts:** Note that all exterior details and livery are pre-printed on the blocks, eliminating the need for stickers. This ensures sharper details and long-lasting durability.

6. OPERATING INSTRUCTIONS

Once your CaDA C55041W model is fully assembled, you can enjoy its interactive features:

- **Push-and-Roll Function:** Place the assembled car on a smooth, flat surface. Gently push the car forward or backward to activate its manual rolling action.
- **Display:** Utilize the included official licensed commemorative nameplate to proudly display your completed model.

The model is primarily designed for display and light interactive play. Avoid applying excessive force or dropping the model to prevent damage.

7. MAINTENANCE

To keep your CaDA C55041W model in excellent condition, follow these maintenance tips:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the plastic and printed graphics.

- **Storage:** Store the model in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or degradation of the plastic components.
- **Loose Parts:** If any parts become loose during handling or play, carefully reattach them according to the assembly instructions.

8. TROUBLESHOOTING

If you encounter any issues with your CaDA C55041W model, please refer to the following common solutions:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon opening the package, please contact CaDA customer support immediately. Provide your model number and proof of purchase for assistance.
- **Difficulty During Assembly:** Double-check the instruction manual for the specific step you are on. Ensure all pieces are correctly oriented and fully connected. Some steps may require careful alignment and firm pressure.
- **Model Instability:** If the assembled model feels unstable, review the assembly steps to ensure all connections are firm and no pieces have been omitted or incorrectly placed. Pay close attention to the base and structural components.
