Cool Iria AI

Cool Iria AI TWS Bluetooth Stereo Earbuds User Manual

INTRODUCTION

Thank you for choosing the Cool Iria AI TWS Bluetooth Stereo Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as Active Noise Cancellation (ANC), intelligent translation, and AI integration. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

WHAT'S IN THE BOX

Upon unboxing your Cool Iria AI TWS Bluetooth Stereo Earbuds, please verify that all the following components are included:

- Cool Iria AI TWS Bluetooth Stereo Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

PRODUCT FEATURES

The Cool Iria AI TWS Earbuds offer a range of advanced functionalities:

- **Active Noise Cancellation (ANC):** Reduces ambient noise for an immersive listening experience.
- **Intelligent Translation:** Supports real-time translation in over 200 languages, facilitating communication across language barriers.
- **AI Integration:** Enhances user interaction and provides smart functionalities.
- **Intelligent Control:** Intuitive touch controls and voice assistance for easy management of audio and calls.
- **Wireless Bluetooth Connectivity:** Seamless pairing with universal devices.
- **Integrated Microphone:** For clear hands-free calls and voice commands.
- **Lightweight Design:** Ensures comfort during extended use.
- **Surround Sound:** Delivers a rich and dynamic audio landscape.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB charging cable to the charging case and a compatible USB power source. The indicator lights on the case will show the charging status. Once fully charged, the indicator will change or turn off.

2. Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light (refer to the specific light pattern in your quick start guide if available).
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices and select "Cool Iria AI" from the list.
5. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or solid light).
6. For subsequent uses, the earbuds will automatically connect to the last paired device when removed from the case.

OPERATING INSTRUCTIONS

1. Basic Controls (Touch Sensitive)

The earbuds feature touch-sensitive areas for various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud for 2 seconds during an incoming call.

2. Active Noise Cancellation (ANC) / Transparency Mode

To cycle through ANC, Transparency Mode, and Normal Mode, press and hold the touch area on the left earbud for 2 seconds. A voice prompt will confirm the mode change.

- **ANC (Active Noise Cancellation):** Blocks out ambient noise.
- **Transparency Mode:** Allows you to hear your surroundings while listening to audio.
- **Normal Mode:** Standard audio playback without noise cancellation or transparency.

3. Intelligent Translation Feature

The Cool Iria AI earbuds support real-time translation. To use this feature, you will need to download the dedicated Cool AI app on your smartphone. Follow the in-app instructions to set up and utilize the translation function, which supports over 200 languages.

Image: A couple using the earbuds, illustrating the multi-language translation capability.

4. Voice Assistant

Activate your device's voice assistant (e.g., Siri, Google Assistant) by pressing and holding the touch area on the right earbud for 2 seconds. You can then issue commands through the earbuds' microphone.

MAINTENANCE

1. Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently remove any earwax or debris from the earbud tips and speaker mesh using a small, soft brush or cotton swab.

2. Storage

- When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.

3. Water Resistance

These earbuds are **not water resistant**. Avoid exposure to water, sweat, rain, or any liquids to prevent damage.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	• Ensure earbuds are charged. • Turn off and on Bluetooth on your device. • Forget/remove "Cool Iria AI" from your device's Bluetooth list and try pairing again. • Place earbuds back in the case, close, wait 5 seconds, then open again to re-enter pairing mode.
No sound from one earbud	• Check battery level of both earbuds. • Try re-pairing the earbuds. • Clean any debris from the earbud's speaker mesh.
ANC not working effectively	• Ensure ANC mode is activated (press and hold left earbud). • Adjust earbud fit to ensure a proper seal in your ear canal.
Translation feature not working	• Ensure the Cool AI app is installed and updated on your smartphone. • Check your internet connection, as translation may require online access. • Verify microphone permissions for the app.
Earbuds not charging	• Ensure the charging cable is securely connected. • Try a different USB port or power adapter. • Clean the charging contacts on both the earbuds and the case.

SPECIFICATIONS
