Garvee Fireplace TV Stand 67"+23" Instruction Manual

Model: IpEJ43UGvawbi7TO78XeEwUTi6u7X

1. PRODUCT OVERVIEW

The Garvee Fireplace TV Stand is a versatile furniture piece designed to support televisions up to 67 inches while providing the ambiance and warmth of a 23-inch electric fireplace. It features a farmhouse-inspired design with ample storage options.

- **Durable Construction:** Crafted from high-quality MDF and metal for stability and longevity.
- **Warm Ambiance:** Features a 23-inch electric fireplace with realistic flames to create a cozy atmosphere.
- **Ample Storage:** Includes two side cabinets and spacious open shelves for media accessories and other items.
- **Rustic Charm:** Farmhouse-inspired design complements various home decors.
- **Easy Assembly:** Designed for straightforward assembly with clear instructions and included hardware.

2. SAFETY INFORMATION

WARNING: To reduce the risk of fire, electric shock, or injury, read all instructions before using this appliance.

- Ensure the TV stand is placed on a flat, stable surface.
- Do not overload shelves or cabinets.
- Keep flammable materials at least 3 feet (0.9 m) away from the front of the fireplace heater.
- Do not insert or allow foreign objects to enter any ventilation or exhaust opening as this may cause an electric shock or fire, or damage the heater.
- Always unplug the fireplace from the power outlet before cleaning or performing maintenance.
- Do not operate the fireplace with a damaged cord or plug, or if the heater malfunctions or has

been dropped or damaged in any manner.

- Supervise children and pets when the fireplace is in operation.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer service immediately.

- TV Stand Panels (various sizes)
- Electric Fireplace Insert (23-inch)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Remote Control for Fireplace
- Glass Shelves (for side cabinets)
- Door Hinges and Handles
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly is designed to be straightforward. Follow the included step-by-step instructions carefully. It is recommended to have two people for assembly due to the size and weight of some components.

1. **Unpack and Inspect:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Check for any damage or missing parts.
2. **Assemble Frame:** Begin by assembling the main frame of the TV stand according to the diagrams in the manual. Ensure all connections are secure.
3. **Install Shelves and Doors:** Attach the glass shelves and install the cabinet doors using the provided hinges and handles.
4. **Insert Fireplace:** Carefully slide the 23-inch electric fireplace insert into its designated opening in the center of the TV stand. Secure it using the provided L-brackets and screws.
5. **Cable Management:** Utilize the pre-drilled cable holes for organizing power cords and media cables.
6. **Final Placement:** Position the assembled TV stand in its desired location, ensuring adequate ventilation around the fireplace.

//// Design Concept ////

Classic minimalist farmhouse style fireplace TV cabinet features sophisticated sliding barn doors and vintage metal accents. Laminated medium-density fiberboard and particleboard structure, paired with classic distressed textures and unique distressed decorative surfaces, create a rustic, elegant living room atmosphere.

5. OPERATING INSTRUCTIONS

The electric fireplace can be operated using the control panel on the unit or the included remote control.

5.1 Fireplace Functions

- **Power On/Off:** Press the power button to turn the fireplace on or off.

- **Flame Effect:** Adjust the 3D flame effect brightness (3 levels) and color settings to your preference.
- **Heat Function:** Activate the heater to warm areas up to 400 square feet. The temperature can be adjusted from 62°F to 82°F (or 60°F to 99°F depending on model variation).
- **Timer:** Set a timer for automatic shut-off, typically ranging from 0.5 to 6 hours (or up to 10 hours depending on model variation).
- **Overheating Protection:** The unit is equipped with an automatic shut-off feature to prevent overheating.

5.2 Remote Control

The remote control provides convenient access to all fireplace functions from a distance.

- **Power Button:** Turns the unit on/off.
- **Flame Button:** Cycles through flame brightness levels and colors.
- **Heater Button:** Activates/deactivates the heating function and adjusts temperature.
- **Timer Button:** Sets the automatic shut-off timer.
- **Lock Button:** Locks the settings to prevent accidental changes.

6. MAINTENANCE

- **Cleaning:** Wipe the TV stand surfaces with a damp cloth. Avoid harsh chemicals that may damage the finish. For the fireplace glass, use a glass cleaner.
- **Dust Removal:** Regularly dust the air intake and exhaust vents of the fireplace to ensure proper airflow and prevent overheating.

- **Cord Inspection:** Periodically check the power cord and plug for any signs of damage. Do not use if damaged.
- **Tighten Hardware:** Occasionally check and tighten any loose assembly hardware to maintain stability.

7. TROUBLESHOOTING

- **Fireplace Not Turning On:**
 - Ensure the power cord is securely plugged into a working outlet.
 - Check if the main power switch on the fireplace unit is in the "ON" position.
 - Verify that the circuit breaker is not tripped.
- **No Heat Output:**
 - Confirm the heat function is activated via the control panel or remote.
 - Check if the thermostat setting is higher than the ambient room temperature.
 - Ensure the air vents are not obstructed.
- **Remote Control Not Working:**
 - Replace the batteries in the remote control.
 - Ensure there are no obstructions between the remote and the fireplace sensor.
