Assembly Instructions

The Globlazer F80H cat tree is designed for straightforward assembly. Follow the numbered steps below. A detailed instruction manual with diagrams is included in the product packaging.

Figure 2: Overall dimensions and structural overview.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Compare with the parts list (Figure 1) to ensure all items are present.
2. **Attach Base Posts:** Secure the initial support posts to the thickened base plate using the provided screws and Allen wrench. Ensure they are tightened firmly.
3. **Assemble Condos and Platforms:** Follow the specific diagrams in your included manual to attach the cat condos, square perches, and other platforms to the support posts. Pay attention to the orientation of each piece.
4. **Install Upper Perches:** Mount the three top perches to the upper support posts. These perches feature removable covers for easy cleaning.
5. **Attach Hanging Baskets and Ramp:** Secure the two hanging baskets and the scratching ramp to their designated positions as shown in the assembly diagrams.
6. **Add Accessories:** Attach the hanging mouse toys and any other included accessories to the designated loops or posts.

7. **Final Check:** Once assembled, gently shake the cat tree to ensure stability. Tighten any loose screws.

Operating Features

The Globlazer F80H cat tree provides a comprehensive environment for your cats' play, rest, and exercise needs.

Figure 3: Removable cover top perches with soft plush covering.

- **Spacious Cat Condos:** Two enlarged cat condos offer private, enclosed spaces for large felines to rest or hide.
- **Extra-Large Platform:** A 50x45cm fan-shaped platform provides ample space for observation and stretching.
- **Multiple Perches:** Three top perches with soft, removable covers offer elevated resting spots. An additional square perch provides another level for activity.
- **Hanging Baskets:** Two comfortable hanging baskets provide cozy, suspended resting areas.
- **Natural Sisal Scratching Posts:** Seven posts covered with natural sisal rope encourage healthy scratching behavior, protecting your furniture.
- **Scratching Ramp:** An inclined ramp covered with sisal material offers an alternative scratching surface and

aids in climbing.

- **Interactive Toys:** Hanging mouse toys and an additional replacement plush ball provide entertainment and stimulate play.

Maintenance

- **Screw Firmness:** Check the firmness of all screws at least once a month. Tighten any loose screws to maintain stability and safety.
- **Cleaning:** The plush material can be spot cleaned with a damp cloth and mild detergent. The removable perch covers can be hand-washed or machine-washed on a gentle cycle. Allow all parts to dry completely before reassembly or use.
- **Sisal Rope:** The natural sisal rope is durable but may fray over time with heavy use. Inspect regularly and trim loose strands if necessary.
- **Damage Inspection:** Periodically inspect the entire cat tree for any signs of wear, tear, or damage. Replace damaged components immediately to ensure your pet's safety.

Troubleshooting

- **Instability:** If the cat tree feels wobbly, ensure it is placed on a level surface. Re-check and tighten all screws, especially those connecting the base and main support posts.

- **Missing Parts:** If any parts are missing upon unboxing, refer to the included parts list and contact customer support for assistance.
- **Cat Not Using Tree:** Introduce your cat to the tree gradually. Use catnip, treats, or favorite toys to encourage exploration. Place the tree in a location your cat frequently visits.
