

Genérico GN-627

Genérico 21V Professional Turbo Air Blower

Model: GN-627 | User Manual

1. INTRODUCTION

Thank you for choosing the Genérico 21V Professional Turbo Air Blower, Model GN-627. This powerful cordless tool is designed for efficient and versatile cleaning tasks, including removing leaves, dust, garden debris, and drying surfaces. Equipped with a high-performance brushless motor, it delivers strong airflow for various applications. Please read this manual carefully before operating the device to ensure safe and optimal performance. Keep this manual for future reference.

2. SAFETY INSTRUCTIONS

Always follow basic safety precautions to reduce the risk of fire, electric shock, and personal injury.

General Safety

- **Read all instructions:** Familiarize yourself with the controls and proper use of the tool.
- **Wear appropriate safety gear:** Always wear eye protection. Hearing protection is recommended during prolonged use.
- **Keep work area clean and well-lit:** Cluttered or dark areas invite accidents.
- **Do not operate in explosive atmospheres:** Do not use the blower in the presence of flammable liquids, gases, or dust.
- **Keep children and bystanders away:** Distractions can cause you to lose control.
- **Avoid unintentional starting:** Ensure the switch is in the off-position before connecting to a battery pack, picking up or carrying the appliance.
- **Do not overreach:** Maintain proper footing and balance at all times.
- **Inspect the tool before use:** Check for misalignment or binding of moving parts, breakage of parts, and any other condition that may affect the tool's operation.

Battery Safety

- **Use only specified battery packs and chargers:** Using any other battery packs may create a risk of injury and fire.

- **Do not expose battery pack or tool to fire or excessive temperature:**Exposure to fire or temperature above 130°C (265°F) may cause explosion.
- **Do not modify or attempt to repair the battery pack or the appliance:**This may void the warranty and create safety hazards.
- **Store battery packs away from metal objects:**Keep battery packs away from paper clips, coins, keys, nails, screws, or other small metal objects that can make a connection from one terminal to another.
- **Do not charge battery in damp or wet locations:**Charge only with the charger specified by the manufacturer.

3. PACKAGE CONTENTS

Carefully unpack all items and ensure you have received the following:

- 1 x Genérico 21V Professional Turbo Air Blower (Model GN-627)
- 2 x 21V 5.0Ah Lithium-ion Battery Packs
- 1 x Fast Charger
- 1 x User Manual

Figure 4.1: Close-up view of the Genérico 21V Turbo Air Blower, emphasizing its 110,000 RPM brushless motor and the 21V lithium battery. The image highlights the core technologies of the device.

Figure 4.2: An illustrative diagram showing the internal high-speed motor of the blower, indicating a motor speed of 33,000 RPM and a rated power of 500W. This visual explains the power source behind the strong airflow.

Key Components:

1. **Air Outlet Nozzle:** Directs the high-velocity airflow.
2. **Motor Housing:** Contains the brushless motor and internal components.
3. **Handle with Anti-slip Grip:** Provides comfortable and secure handling.
4. **Power Switch/Trigger:** Activates and deactivates the blower.
5. **Battery Release Button:** For detaching the battery pack.
6. **Battery Pack (21V 5.0Ah):** Provides power to the blower.
7. **Charger:** For recharging the battery packs.

5. SETUP

5.1 Charging the Battery

1. Connect the charger to a standard 110V AC power outlet.
2. Slide the 21V 5.0Ah lithium-ion battery pack onto the charger until it clicks into place.
3. The charger indicator light will show the charging status (e.g., red for charging, green for fully charged).
4. Once fully charged, remove the battery from the charger.

Note: For optimal battery life, fully charge the battery before first use. Do not store batteries in a discharged state.

5.2 Installing and Removing the Battery

- **To Install:** Align the battery pack with the battery port on the blower handle. Slide the battery into place until it clicks securely.
- **To Remove:** Press the battery release button located on the battery pack. While holding the button, slide the battery pack out of the blower handle.

6. OPERATING INSTRUCTIONS

6.1 Turning On/Off

- **To Turn On:** Ensure a charged battery is securely installed. Press and hold the power trigger/switch on the handle. The blower will start.
- **To Turn Off:** Release the power trigger/switch. The blower will stop.

6.2 Usage Tips

- **Direct Airflow:** Point the nozzle towards the debris you wish to move. Use a sweeping motion for effective clearing.
- **Optimal Distance:** Hold the blower at a distance that allows for maximum airflow impact without scattering debris excessively.
- **Battery Life:** The two included 5.0Ah batteries provide extended runtime. Swap batteries when one is depleted to continue working without interruption.
- **Versatile Applications:** Use for clearing leaves from patios, dust from workshops, drying vehicles after washing, or removing light snow.

7. MAINTENANCE

7.1 Cleaning

- Always remove the battery pack before cleaning.
- Wipe the exterior of the blower with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- Ensure the air intake and outlet are free from debris to maintain optimal airflow.

7.2 Storage

- Store the blower and batteries in a cool, dry place, away from direct sunlight and extreme temperatures.
- Ensure batteries are partially charged (around 50%) before long-term storage to preserve battery health.

- Keep out of reach of children.

7.3 Battery Care

- Do not overcharge or deep discharge the batteries.
- If the battery becomes hot during charging or use, allow it to cool down before further operation or charging.
- Dispose of old or damaged batteries responsibly according to local regulations.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Blower does not start	◦ Battery not installed correctly ◦ Battery is discharged ◦ Power switch/trigger faulty	◦ Ensure battery is clicked into place ◦ Charge the battery ◦ Contact customer support
Reduced airflow	◦ Air intake/outlet blocked ◦ Battery low on charge	◦ Clear any obstructions ◦ Charge the battery
Battery not charging	◦ Charger not plugged in ◦ Battery not seated correctly on charger ◦ Faulty charger or battery	◦ Check power connection ◦ Reseat battery on charger ◦ Contact customer support

9. SPECIFICATIONS

Feature	Specification
Brand	Genérico
Model Number	GN-627
Manufacturer	iiGENAI
Power Source	Battery Powered
Battery Type	21V 5.0Ah Lithium-ion (x2 included)
Motor Type	Brushless Motor
Motor Speed	Up to 110,000 RPM
Rated Power	500W
Max Wind Speed	45 m/s (meters per second)
Item Weight	1500 Grams (1.5 kg)
Dimensions (L x W x H)	20 cm x 10 cm x 25 cm (approximate)
Color	Blue
Form Factor	Handheld

10. WARRANTY AND SUPPORT

Information regarding product warranty and customer support was not provided in the product details. Please refer to your purchase receipt or contact the retailer/seller directly for warranty terms and support inquiries.
