

1058539

Modern Classic Queen Size Bed Frame with Headboard

Brand: Generic | Model: 1058539

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your new Modern Classic Queen Size Bed Frame with Headboard. Please read all instructions carefully before assembly and use to ensure safe and proper installation and to maximize the lifespan of your product. Keep this manual for future reference.

This platform bed frame is designed to provide a sturdy and noise-free foundation for your queen mattress, eliminating the need for a box spring. It also features integrated under-bed storage space for enhanced organization.

Note: The product images provided in the source data were for a different product (bunk bed) and are not included in this manual to avoid confusion. Please refer to the included installation manual for product-specific diagrams.

2. SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Read all instructions before beginning assembly.
- Ensure all parts and hardware are present before assembly.
- Assemble the bed frame on a soft, clean surface (e.g., carpet) to prevent scratches.
- Do not use power tools for assembly unless specifically instructed, as overtightening can damage components.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten hardware.
- Do not exceed the maximum weight recommendation of 600 pounds.

- Keep small parts and packaging materials away from children.
- Do not allow children to play on or under the bed frame.
- Use only the mattress size for which the bed frame is designed (Queen).

3. PACKAGE CONTENTS

Verify that all components are present before starting assembly. If any parts are missing or damaged, contact customer support.

Included Components:

- Headboard panels
- Side rails
- Footboard
- Support legs
- Wooden slats
- Center support beam
- Hardware pack (bolts, screws, washers, Allen wrench)
- Installation Manual

The product is shipped in two packages:

- **Package 1 (WF321046AAD):** 69.09 x 12.99 x 9.25 inches, 71.76 lbs
- **Package 2 (WF321045AAD):** 85.83 x 12.99 x 6.89 inches, 74.96 lbs

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. Follow the step-by-step instructions provided in the included Installation Manual. All necessary tools are typically included in the hardware pack.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a soft, clean surface to prevent damage.
2. **Assemble Headboard:** Attach any headboard panels or decorative elements as per the manual.
3. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure connections are secure but do not fully tighten bolts until the frame is fully assembled.
4. **Install Center Support:** Place the center support beam and any additional support legs.
5. **Place Slats:** Lay the wooden slats across the side rails. Secure them if instructed, ensuring even spacing.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws.
7. **Position Bed:** Carefully move the assembled bed frame to its desired location.

For detailed diagrams and specific hardware identification, refer to the separate Installation Manual.

5. OPERATING INSTRUCTIONS

Your bed frame is designed for optimal comfort and functionality.

- **Mattress Placement:** Place your queen-size mattress directly onto the wooden slats. A box spring is not required for this platform bed frame.
- **Under Bed Storage:** Utilize the generous space beneath the bed for storing items. Ensure items are placed in containers or bags to prevent dust accumulation and to facilitate easy retrieval. Do not overload the storage area.
- **Noise-Free Design:** The sturdy construction and integrated slats are engineered to minimize noise. If any squeaking occurs, re-check all hardware connections for tightness.

6. MAINTENANCE

Proper care will help maintain the appearance and structural integrity of your bed frame.

- **Cleaning:** For general cleaning, wipe the frame with a dry cloth. For more stubborn marks, use a damp cloth and then immediately wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (every 3-6 months) inspect all bolts, screws, and connections. Re-tighten any loose hardware to ensure stability and prevent noise.
- **Avoid Excessive Moisture:** Protect the wood and MDF surfaces from prolonged exposure to moisture.
- **Weight Distribution:** Distribute weight evenly on the bed to prevent undue stress on specific areas of the frame or slats.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Squeaking or Noise	Loose hardware, uneven floor, mattress shifting.	Check and tighten all bolts and screws. Ensure the bed is on a level surface. Verify mattress is centered.
Bed feels unstable	Loose connections, missing support leg.	Re-check all assembly steps and ensure all hardware is securely fastened. Confirm all support legs are installed and touching the floor.
Slats bowing or breaking	Excessive weight, improper mattress support, damaged slats.	Ensure total weight does not exceed 600 lbs. Contact support for replacement slats if damaged.

If the problem persists, contact customer support for further assistance.

8. SPECIFICATIONS

- **Brand:** Generic
- **Model Number:** 1058539-Walnut-Solid-TwinXL (Note: Product description refers to Queen size, please verify actual product size upon receipt)
- **Manufacturer Part Number:** CS0009393
- **Main Material:** Solid Wood + MDF
- **Product Dimensions (L x W x H):** 84.7" x 63.7" x 58.3"

- **Bed Size:** Queen (as per product description)
- **Style:** Classic
- **Special Features:** No Box Spring Needed, Under Bed Storage Space
- **Maximum Weight Recommendation:** 600 Pounds
- **Item Weight:** 139 Pounds
- **Required Assembly:** Yes
- **Product Care Instructions:** Wipe with Damp Cloth, Wipe with Dry Cloth

9. WARRANTY INFORMATION

Specific warranty details for this product are not provided in the available information. Please retain your purchase receipt and contact the retailer or manufacturer directly for information regarding warranty coverage, terms, and conditions.
