2. PACKAGE CONTENTS

Your DERCASS Queen Size Murphy Bed system is shipped in multiple packages (typically 4). Please refer to the detailed parts list provided in the separate assembly instruction booklet to verify all components are present before beginning assembly. Each package is labeled for easier identification.

3. SETUP AND ASSEMBLY

Assembly of the DERCASS Murphy Bed requires careful attention to detail and adherence to the provided assembly instructions. It is recommended that at least two adults participate in the assembly process due to the size and weight of the components.

1. **Preparation:** Clear a spacious area for assembly. Unpack all components and lay them out, comparing them against the parts list in your assembly manual.

instructions for wall mounting to ensure stability and safety. Failure to properly anchor the unit can result in serious injury.

3. **Frame Assembly:** Assemble the main bed frame and cabinet structure according to the step-by-step diagrams.
4. **Mechanism Installation:** Install the dual-piston metal folding mechanism as directed. Ensure all connections are tight and secure.
5. **Storage Components:** Attach the top cabinets, shelves, and side wardrobe components.
6. **Final Checks:** Before first use, double-check all screws, bolts, and connections to ensure they are tightened. Test the folding mechanism slowly to confirm smooth operation.
