### MSmask white daybed twin to king

# MSmask Twin Daybed with Pop-Up Trundle, Storage, Charging Station, and LED Lights

Instruction Manual

## Introduction

Thank you for choosing the MSmask Twin Daybed. This versatile furniture piece is designed to enhance your living space with its multi-functional features, including a pop-up trundle, integrated storage, a convenient charging station, and vibrant LED lighting. This manual provides detailed instructions for safe assembly, proper operation, and effective maintenance to ensure long-lasting enjoyment of your daybed.

## Safety Information

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity: Daybed 500 lbs, Trundle 400 lbs.
- Use mattresses with a recommended thickness of 6-9 inches for optimal fit and safety.
- Avoid placing hot items directly on the charging station or wooden surfaces.
- Do not stand on the daybed or trundle frame.

## Setup and Assembly

Assembly of your MSmask Daybed requires careful attention to detail. Please follow the steps outlined in the included manual and refer to the assembly video for visual guidance. Ensure all parts are present before beginning.

## Parts List (General)

- Daybed Frame Components (Metal)
- Trundle Frame Components (Metal)
- Headboard Panels (Wood)
- Storage Cabinet and Shelf Components (Wood)
- Fabric Drawers (x3)
- Charging Station Unit
- LED Light Strip and Controller
- Hardware Pack (Screws, Bolts, Allen Wrench, Mattress Fasteners)
- Lockable Wheels for Trundle (x4)

## Assembly Steps

1. Unpack all components and verify against the parts list.
2. Assemble the main daybed frame according to the instructions, ensuring all connections are secure.
3. Attach the headboard panels and integrate the charging station and LED lights.
4. Assemble the storage cabinet, shelves, and drawers. Note that the storage cabinet can be installed on either the left or right side.
5. Assemble the pop-up trundle frame, attaching the lockable wheels.
6. Insert the fabric drawers into the storage cabinet.
7. Place mattresses (not included) on both the daybed and trundle frames. Use the included mattress fasteners to prevent slipping.

# Operating Instructions

## Pop-Up Trundle Functionality

The daybed features a pop-up trundle with locking wheels, offering flexible sleeping arrangements:

- **Twin Daybed/Sofa:** The trundle remains stored underneath the main daybed.
- **Two Twin Beds:** Pull out the trundle from beneath the daybed. Unlock the wheels and lift the trundle frame until it locks into an elevated position, creating a second twin bed.
- **Spacious King Bed:** With the trundle elevated, push it alongside the main daybed to form a larger sleeping surface, effectively converting the setup into a king-sized bed.

*Image: The 3-in-1 design illustrating the daybed's versatility, transforming from a compact twin daybed to two separate twin beds or a spacious king-sized bed.*

## Integrated Charging Station

The headboard includes a built-in charging station for your electronic devices:

- **Power Outlets:** Features 2 AC power outlets (125V/12A) for standard plugs.
- **USB Ports:** Includes 1 USB port (5V/2A) and 1 fast-charging Type-C port (5V/3A).
- **Usage:** Simply plug in your devices to charge phones, tablets, laptops, or other electronics conveniently from your bed.

*Image: A detailed view of the charging station, highlighting its two AC power outlets, one USB port, and one Type-C port, along with its 4.92-foot power cord.*

## RGB LED Lighting

The daybed features integrated RGB LED lights for customizable ambiance:

- **Control:** Use the included remote control or a compatible mobile application to manage the lights.
- **Functions:** Easily switch between over 60,000 colors, adjust brightness, and select various flashing effects.
- **Music Mode:** The lights can pulse and change color in rhythm with music, creating a dynamic atmosphere.
- **Timing Function:** Set timers for the lights to turn on or off automatically.
- **Nightlight:** The soft glow can also serve as a convenient nightlight.

*Image: The daybed illuminated by RGB LED lights, demonstrating the various color and mode options controllable via remote or smartphone app.*

## Storage Features

Maximize your space with the daybed's integrated storage solutions:

- **Headboard Shelves:** Two-layer storage rack and five open compartments in the headboard for books, decor, and personal items.
- **Computer Desk:** A 44.3"D × 13.8"W computer desk integrated into the side storage unit, suitable for work or entertainment.
- **Fabric Drawers:** Three fabric drawers (21.3"D × 11.4"W × 8.7"H) for organizing bedding, toys, or electronics.
- **3-Tier Shelving Unit:** Additional open shelving for easy access to items.
- **Storage Pouch:** An extra storage pouch on the opposite side provides additional stowage space.

*Image: An overview of the daybed's storage capabilities, with numbered labels pointing to the headboard shelf, storage compartments, charging station, drawers, computer desk, and 3-tier storage shelves.*

## Maintenance

- **Cleaning:** Wipe down wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals that may damage the finish.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Trundle Mechanism:** Keep the trundle wheels and sliding mechanisms free of dust and debris to ensure smooth operation.
- **LED Lights:** If LED lights malfunction, check the power connection and remote control battery.
- **Charging Station:** Ensure the charging station is kept dry and free from spills.

## Troubleshooting

| Problem | Possible Cause | Solution |
|---|---|---|
| Daybed/Trundle feels unstable or wobbly. | Loose fasteners. | Check and tighten all bolts and screws. |
| Trundle does not slide smoothly or pop up. | Obstruction, dirty wheels, or misaligned frame. | Clear any obstructions. Clean wheels. Ensure the trundle frame is correctly aligned and not bent. |
| LED lights are not working. | Power connection issue, remote battery dead, or light strip malfunction. | Check if the LED power adapter is securely plugged in. Replace remote control batteries. If issues persist, contact customer support. |
| Charging station not providing power. | Power cord unplugged, circuit breaker tripped, or device incompatibility. | Ensure the daybed's main power cord is plugged into a working outlet. Check your home's circuit breaker. Test with different devices. |

## Specifications
