## Dowinx LS-66D75A

# Dowinx Gaming Chair LS-66D75A Instruction Manual

Model: LS-66D75A | Brand: Dowinx

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Dowinx Gaming Chair LS-66D75A. Please read thoroughly before use to ensure safe and correct handling of the product. This chair is designed to offer a luxurious and comfortable seating experience, perfect for gaming, reading, working, or relaxing.

## SAFETY INFORMATION

---

- Ensure all screws are tightened securely during assembly. Regularly check and re-tighten if necessary.
- Do not stand on the chair.
- Keep hands and fingers clear of moving parts during adjustment to prevent injury.
- Use the chair on a flat, stable surface to prevent tipping.
- Do not expose the chair to direct sunlight or extreme temperatures, as this may damage the fabric and internal components.
- Keep away from open flames or heat sources.
- Avoid placing excessive weight on the armrests when getting in or out of the chair.

## PACKAGE CONTENTS

---

Please verify that all components are present and undamaged before beginning assembly. A dedicated tool and an English/Japanese assembly manual are included in the package.

*Image: An overview of the gaming chair components laid out for assembly. This image is from a general assembly video and shows typical parts for a gaming chair.*

- Backrest
- Seat Cushion
- Swivel Base
- Armrests (Left and Right)
- Reclining Mechanism (Left and Right)
- Protective Covers (R1, R2, L1, L2)
- Headrest Cushion
- Lumbar Support Cushion
- Hardware (Screws, Washers, Caps)
- Assembly Tool (Wrench)

## ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully for proper assembly. For a visual guide, please refer to the assembly video below. Note that the video is a general guide for a similar gaming chair model.

*Video: General assembly guide for a gaming chair, demonstrating the installation process for various components.*

### Step 1: Attach the Swivel Base

Secure the 360° rotating part to the bottom of the seat cushion using the provided M8x18 screws. Ensure it is centered and tightened firmly. (Refer to video: 0:03 - 0:15)

### Step 3: Attach the Backrest

Connect the backrest to the seat by aligning the holes and securing with M8x25 screws. Initially, tighten screws to about 70% on both sides, then fully tighten all screws once the backrest is in place. (Refer to video: 0:41 - 0:59)

## OPERATING INSTRUCTIONS

Your Dowinx Gaming Chair LS-66D75A offers several features designed for comfort and versatility.

### Reclining Function

The chair features a stepless reclining function, allowing adjustment up to approximately 145°. This enables various uses such as watching TV, reading, or napping. To recline, pull the lever located on the side of the seat and lean back to your desired angle. Release the lever to lock the position.

## MAINTENANCE

Proper maintenance will extend the life and appearance of your Dowinx Gaming Chair.

### Cleaning

- For general cleaning, wipe the fabric with a soft, damp cloth.
- For stubborn stains, use a mild fabric cleaner and follow the product instructions. Test on an inconspicuous area first.
- Do not use harsh chemicals or abrasive cleaners, as these may damage the fabric.
- The headrest and lumbar support cushions are removable and hand-washable for easy cleaning.

## 便利な収納

スマホや小物を手軽に収納できます。  
収納力が高く、  
すっきりとしたデザインで使いやすさ抜群

*Image: The headrest and lumbar support cushions are shown removed from the chair, highlighting their hand-washable feature for easy maintenance.*

## General Care

- Regularly check all screws and connections to ensure they are tight. Re-tighten if necessary to maintain stability.
- Avoid placing heavy objects on the chair for extended periods to prevent deformation.
- Keep the chair away from sharp objects to prevent damage to the fabric.
- When not in use, the chair can be folded for space-saving storage.

## TROUBLESHOOTING

---

Here are some common issues and their potential solutions:

### Chair feels unstable

- Check all assembly screws and ensure they are fully tightened.
- Make sure the chair is placed on a flat, even surface.

### Reclining mechanism is stiff or not locking

- Ensure no obstructions are preventing the mechanism from moving freely.
- Apply a small amount of silicone lubricant to the moving parts if necessary.

### Difficulty rotating

- Check the swivel base for any obstructions or debris.
- Ensure the base is clean and free of foreign objects.
