12

Hours

Hours

A quick 2 hours charge provides 12 hours of listening time.

Image: This image highlights the main features of the ZOVIMAX L6 headphones, including their lightweight design (28g), extended battery life (12 hours), LED display for battery status, and IPX7 water resistance.

3.1 Dual Drivers for Enhanced Sound

Dual Drivers for Powerful Sound

Dual-driver design delivers clear, balanced audio with enhanced bass, redefining open-ear sound performance.

Image: The headphones feature dual drivers designed to deliver clear, balanced audio with enhanced bass, providing an improved open-ear sound experience.

3.2 Crystal-Clear Voice Calls

Crystal-Clear Voice Calls

Dual noise-canceling microphones reduce background noise to deliver clear, reliable calls every time.

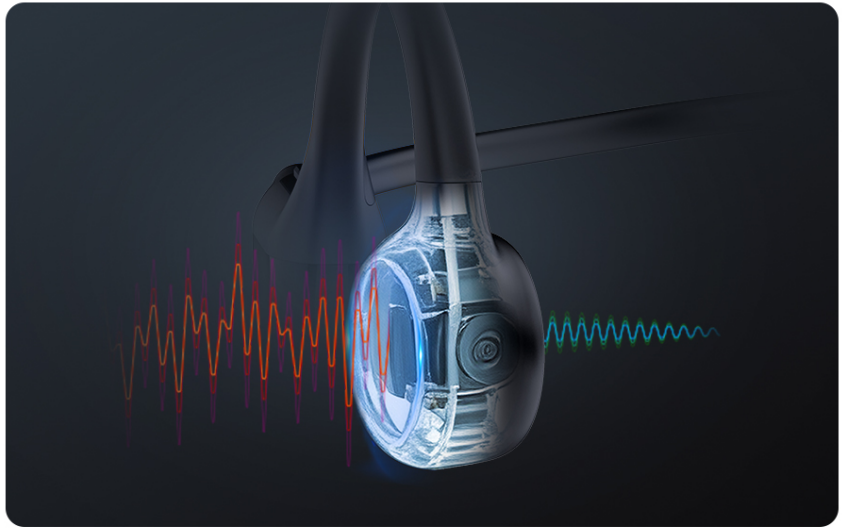

Image: Equipped with dual noise-canceling microphones, these headphones reduce background noise to ensure clear and reliable voice calls.

4. GETTING STARTED (SETUP)

4.1 Charging the Headphones

Before first use, fully charge your headphones. Connect the magnetic charging cable to the charging port on the headphones and plug the other end into a USB power source (e.g., computer, wall adapter). The LED display will indicate charging status.

- **Charging Time:** Approximately 2 hours for a full charge.
- **Battery Life:** Up to 12 hours of listening time on a full charge.

IPX7 Water-Resistant Protection

IPX7 protects against sweat, rain, and splashes for active workouts and runs.

Image: A quick 2-hour charge provides up to 12 hours of listening time. The integrated LED display shows the current battery percentage.

4.2 Pairing with a Device

The ZOVIMAX L6 headphones use Bluetooth 6.0 for wireless connectivity.

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "ZOVIMAX L6" from the list of found devices.

5. Once connected, the LED indicator will stop flashing, and you will hear a confirmation tone.

The headphones support a Bluetooth range of up to 10 meters.

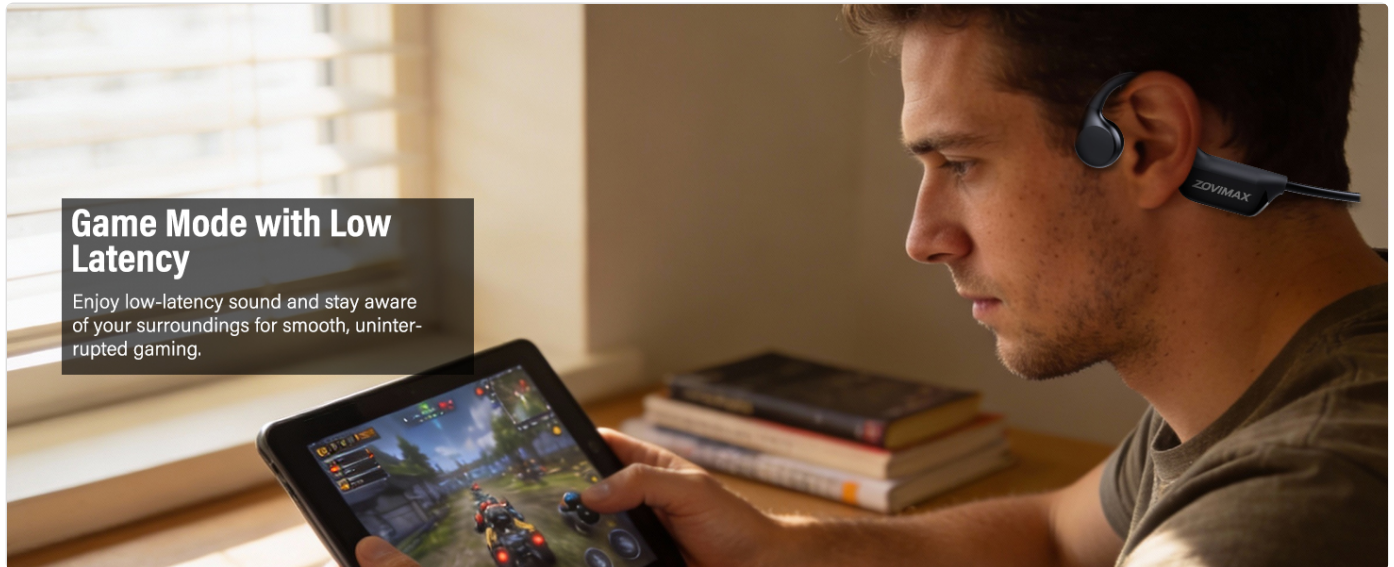

Image: Bluetooth 6.0 ensures a fast and reliable connection with a range of up to 10 meters, ideal for outdoor activities without signal dropouts.

4.3 Wearing the Headphones

For optimal sound and comfort, follow these steps to wear your ZOVIMAX L6 headphones:

1. Place the headphones on your head, with the transducers resting on your cheekbones, just in front of your ears.
2. Adjust the headphones by gently twisting them to find a comfortable and secure position.
3. Ensure a stable fit by adjusting the frame size using the silicone adjustable rope if needed.

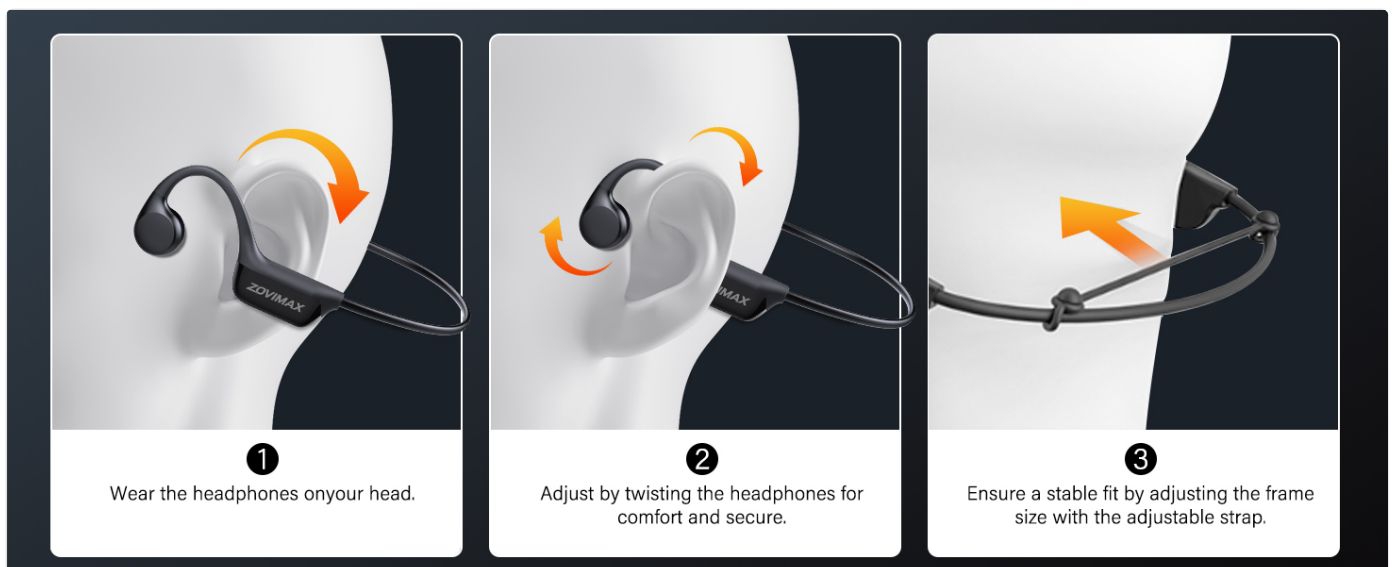

Image: Step-by-step instructions for wearing the headphones: 1. Place on head. 2. Twist for comfort. 3. Adjust frame for stable fit.

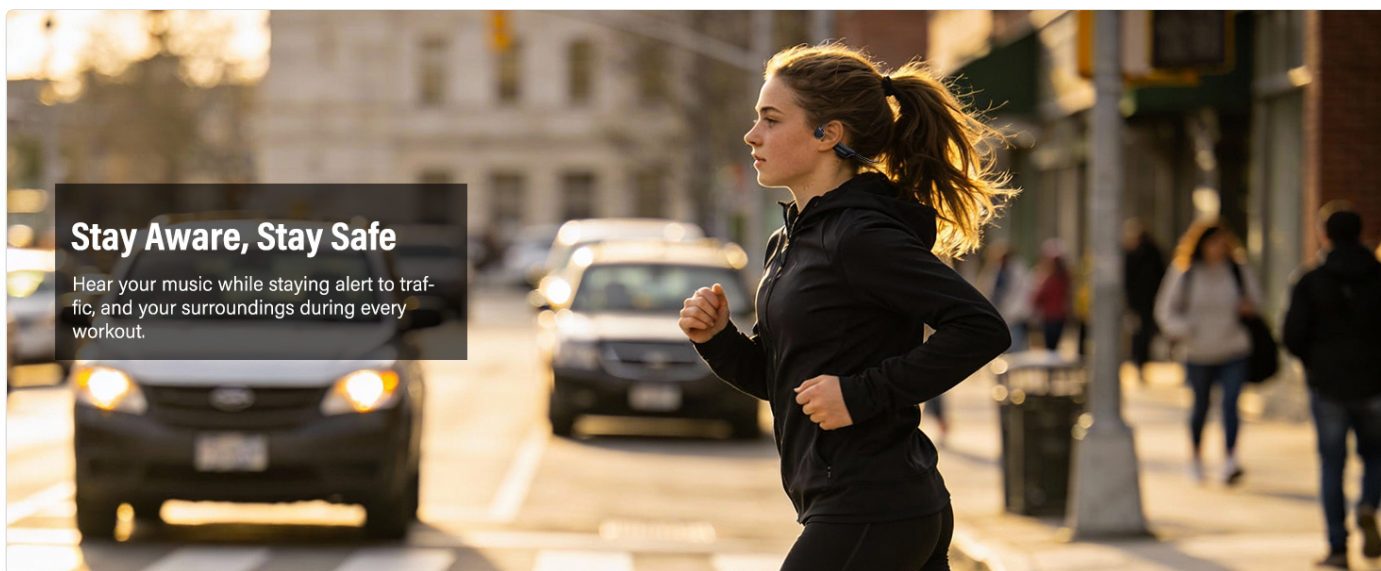

Image: The open-ear design provides all-day comfort, allowing bud-free listening and keeping ears cool and dry.

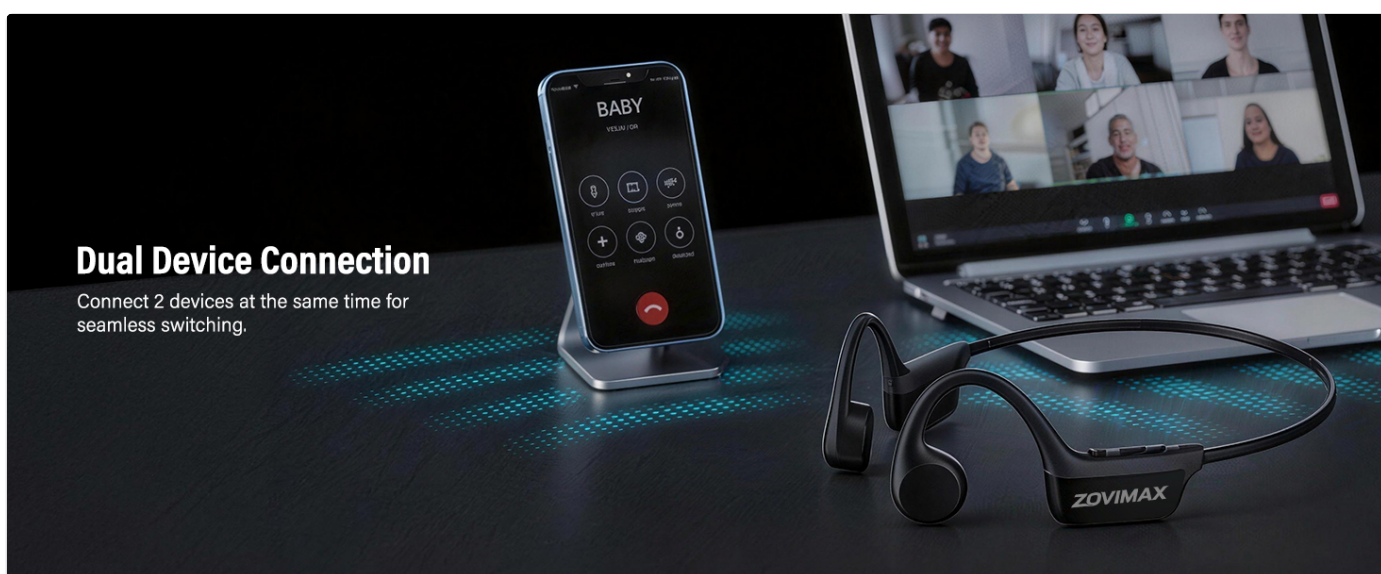

Image: The wraparound titanium frame with a silicone finish ensures a stable, slip-free fit that stays in place during intense workouts.

5. OPERATING INSTRUCTIONS

5.1 Button Controls

The ZOVIMAX L6 headphones feature intuitive buttons for easy control:

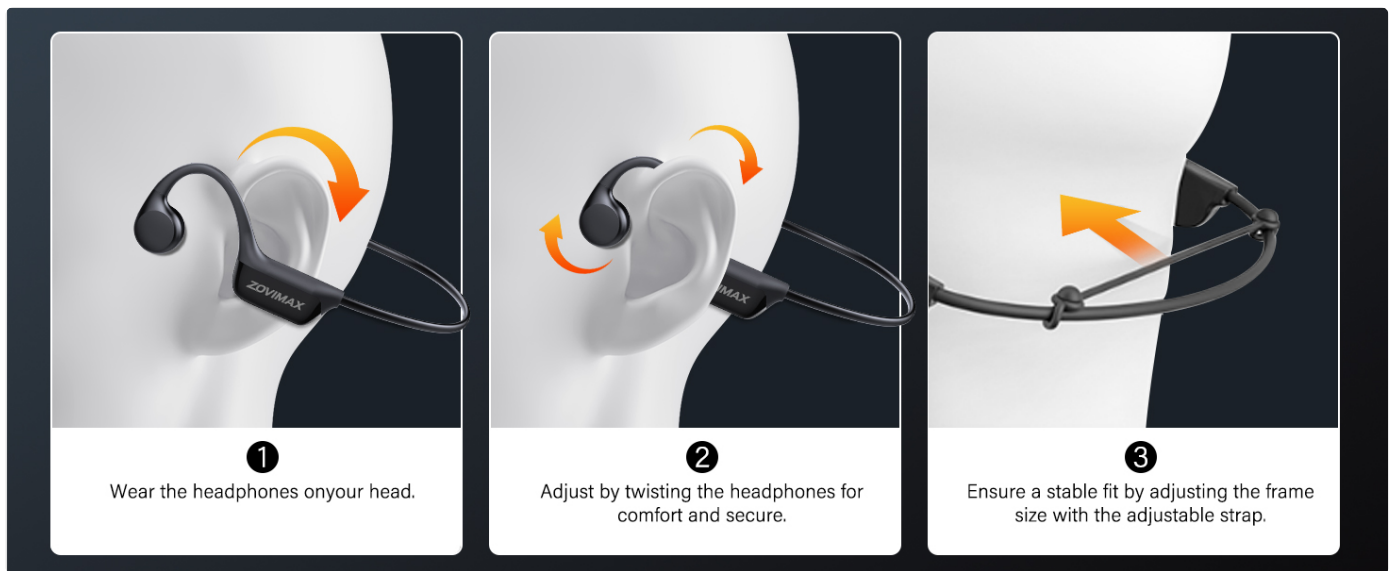

Image: Intuitive buttons provide easy control over music playback, volume adjustments, and call management.

- **Power Button:**

- Press and hold: Power On/Off
- Single press: Play/Pause music, Answer/Hang up/Reject calls
- Double press: Switch between Game Mode / Music Mode

- **Volume +/- Button:**

- Single press: Volume + / Volume -
- Long press: Next track / Previous track

5.2 Dual Device Connection

The headphones can connect to two devices simultaneously, allowing for seamless switching between them.

Image: The headphones support connection to two devices simultaneously, allowing for seamless switching between them.

5.3 Game Mode

Activate Game Mode for low-latency audio, providing a more synchronized experience for gaming. This mode also helps maintain awareness of your surroundings.

Open-Ear Comfort Design

The open-ear design delivers all-day comfort with bud-free listening, keeping your ears cool, dry.

Image: The headphones feature a Game Mode with low latency, providing smooth, uninterrupted audio for gaming while allowing awareness of surroundings.

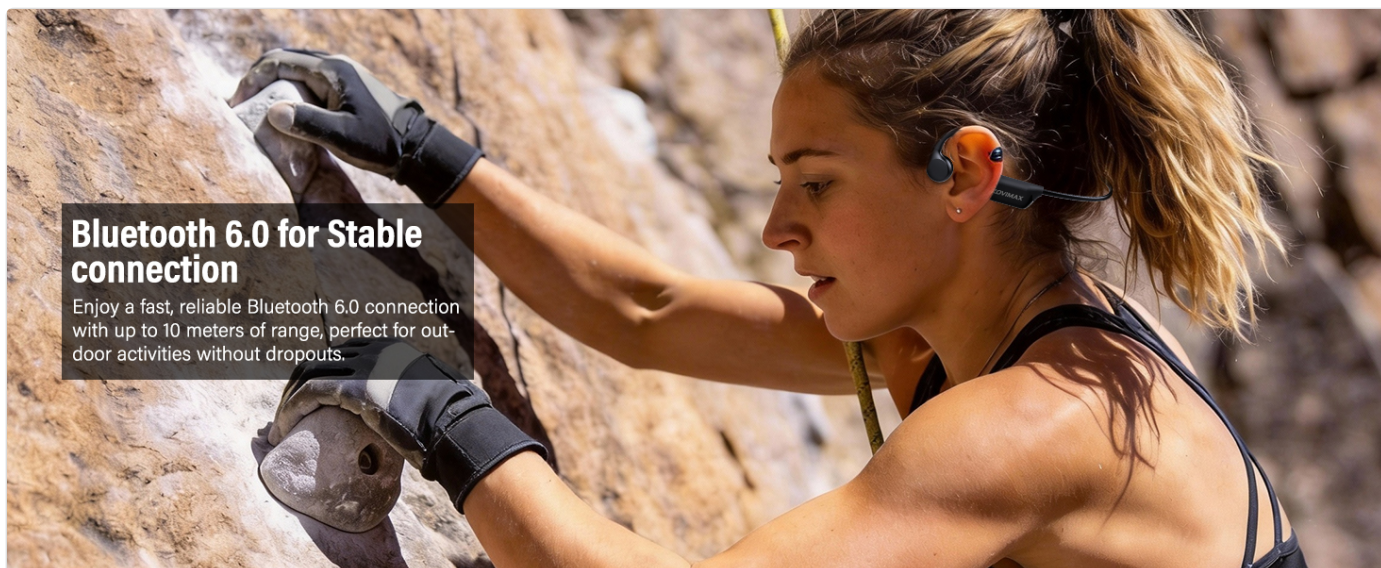

6. CARE AND MAINTENANCE

6.1 Cleaning

Wipe the headphones with a soft, damp cloth. Do not use harsh chemicals or abrasive materials. Ensure the charging port is dry before charging.

6.2 Water Resistance (IPX7)

The ZOVIMAX L6 headphones are IPX7 water-resistant, meaning they are protected against sweat, rain, and splashes. They are not designed for submersion in water.

Bluetooth 6.0 for Stable connection

Enjoy a fast, reliable Bluetooth 6.0 connection with up to 10 meters of range, perfect for outdoor activities without dropouts.

Image: The IPX7 water-resistant rating protects the headphones against sweat, rain, and splashes, making them suitable for active workouts and runs.

6.3 Storage

Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on them.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on	Low battery	Charge the headphones fully.
Cannot pair with device	Headphones not in pairing mode; Bluetooth off on device; Device too far	Ensure headphones are in pairing mode (flashing LED). Turn on Bluetooth on your device. Move device closer to headphones (within 10 meters).
No sound or low volume	Volume too low; Not connected; Incorrect wearing position	Increase volume on headphones and device. Re-pair headphones. Adjust wearing position on cheekbones.
Call quality is poor	Environmental noise; Weak signal	Move to a quieter environment. Ensure stable Bluetooth connection.
