> BarberPub Hairdressing Chair with Adjustable Ceramic Washbasin and Foldable Footrest, Model E6154-8679BK-N User Manual

## BarberPub E6154-8679BK-N

# BarberPub Hairdressing Chair with Washbasin

Model: E6154-8679BK-N - User Manual

## 1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or faulty.
- Assembly should be performed by at least two adults to prevent injury.
- Place the chair on a stable, level surface.
- Do not exceed the maximum recommended load capacity of **150 kg (330 lbs)**.
- Exercise caution when adjusting the chair's components, such as the backrest and footrest, to avoid pinching.
- Ensure water connections are secure to prevent leaks. Regularly check for any signs of wear or damage to plumbing.
- Keep children and pets away from the product during assembly and operation.
- For cleaning, use only recommended methods and avoid harsh chemicals that may damage the materials.

## 2. PRODUCT OVERVIEW

The BarberPub Hairdressing Chair with Washbasin is designed for professional salon and spa use, offering comfort and functionality. It features an adjustable ceramic washbasin, a foldable footrest, and ergonomic support for clients.

Figure 2.1: General view of the BarberPub Hairdressing Chair with Washbasin.

### 3. PACKAGE CONTENTS

Your BarberPub Hairdressing Chair with Washbasin is shipped in 3 separate packages. Please verify that all the following components are included:

- 1 x Hairdressing Chair unit
- 1 x Ceramic Washbasin unit
- 1 x User Manual (English language)
- All necessary assembly hardware (screws, bolts, washers, etc.)
- Water supply hoses and drain pipe components

## 4. ASSEMBLY INSTRUCTIONS

Detailed and illustrated assembly instructions are provided in the included user manual. Follow these steps carefully for proper setup.

### 4.1. Water Pipe Installation

Before installation, measure the diameter of your home's wastewater pipes. The water pipes can be connected to the floor or wall as needed.

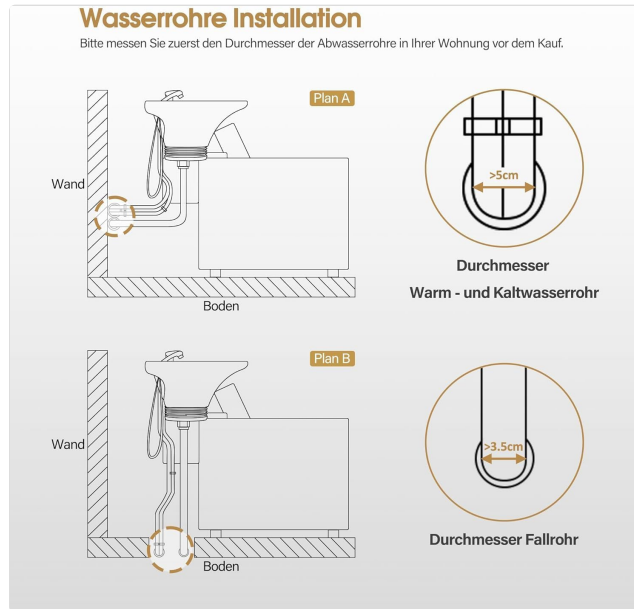

Figure 4.1: Water pipe installation diagram. Plan A shows wall connection for hot/cold water pipes (diameter >5cm). Plan B shows floor connection for the drain pipe (diameter >3.5cm).

### 4.2. Ensuring Stability

The chair is equipped with an anti-tilt design for enhanced safety and stability. Ensure these components are correctly installed during assembly.

Figure 4.2: Installation of the anti-tilt mechanism for improved stability.

## 5. OPERATING INSTRUCTIONS

### 5.1. Adjusting the Leg Rest

The chair features a foldable leg rest that can be easily adjusted using the lever on the side. This allows you to raise the leg rest up to 80 degrees, reducing pressure on the client's legs.

Figure 5.1: Adjustable lever for the foldable leg rest.

Figure 5.2: Chair with 126° inclined backrest and 80° raised leg rest.

### 5.2. Using the Washbasin Features

The ceramic washbasin is equipped with several functional accessories for efficient hair washing.

Figure 5.3: Functional washbasin components including telescopic shower, hot/cold water faucet, drain strainer, and neck rest.

- **Telescopic Shower:** The flexible and extendable shower head provides convenience for washing hair.
- **Hot/Cold Water Faucet:** Easily adjust the water temperature to the desired level.
- **Drain Strainer:** The drain strainer with a lid helps reduce clogging from hair and prevents odors.
- **Silicone Neck Rest:** The silicone neck rest is designed to adapt better to the neck, ensuring comfort and preventing water leaks.

### 5.3. Ergonomic Comfort and Posture

The chair is designed with an 8 cm thick seat and a 126° inclined backrest for optimal comfort during long hair washing sessions. Cozy lumbar cushions provide additional support.

Figure 5.4: Lumbar cushion and padded seat surface for optimal support.

Ensure the client's neck is properly positioned against the neck support to prevent discomfort and water leakage.

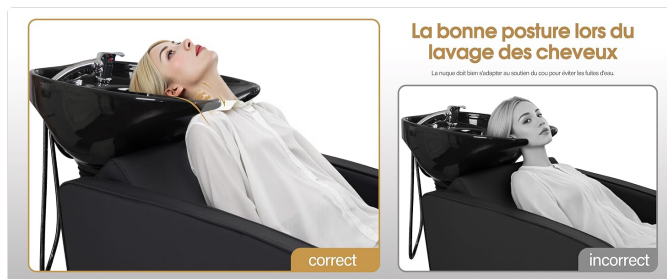

Figure 5.5: Correct posture for hair washing. The neck must fit well against the neck support to prevent water leaks.

## 6. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and appearance of your hairdressing chair.

### 6.1. Materials and Cleaning

The chair is constructed from high-quality synthetic leather and features a ceramic washbasin. These materials are selected for their durability and ease of cleaning.

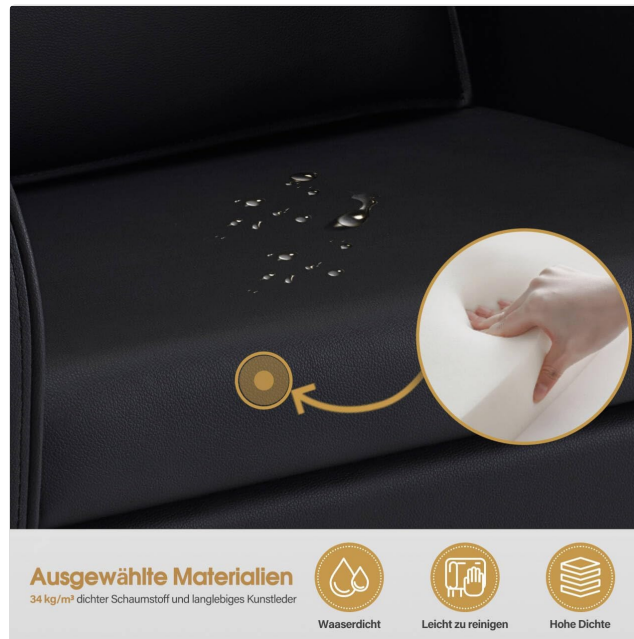

Figure 6.1: Selected materials: 34 kg/m<sup>3</sup> dense foam and durable synthetic leather, which are waterproof and easy to clean.

- **Synthetic Leather:** For daily cleaning, wipe with a soft, damp cloth. For spot cleaning, use a mild soap solution and wipe dry immediately. Avoid abrasive cleaners or solvents.
- **Ceramic Washbasin:** The glossy ceramic is corrosion-resistant and easy to clean. Use non-abrasive liquid cleaners and rinse thoroughly.
- **Fittings:** All metal fittings are easy to clean. Use a soft cloth and mild cleaner.
- **Drain Strainer:** Regularly remove and clean the drain strainer to prevent hair buildup and ensure proper drainage.

## 7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Water Leakage:** Check all plumbing connections for tightness. Ensure the silicone neck rest is properly seated and undamaged.
- **Drain Clogging:** Regularly clean the drain strainer to remove hair and debris. If clogging persists, check the main drain pipe.
- **Leg Rest Not Adjusting:** Inspect the adjustment lever and its mechanism for any obstructions or damage. Ensure it moves freely.
- **Chair Instability:** Verify that the chair is placed on a level surface and that all assembly bolts, especially those for the anti-tilt mechanism, are securely tightened.

If you encounter problems not listed here or if troubleshooting steps do not resolve the issue, please contact customer support.

## 8. SPECIFICATIONS

Detailed product specifications for the BarberPub Hairdressing Chair with Washbasin, Model E6154-8679BK-N.

Figure 8.1: Product dimensions diagram.

Feature	Specification
Brand	BarberPub
