

OUKITEL BT15

OUKITEL BT15 Smartwatch User Manual

Model: BT15

1. GETTING STARTED

1.1 What's in the Box

- OUKITEL BT15 Smartwatch
- Charging Cable
- Watch Strap
- User Manual

1.2 Charging the Smartwatch

Before first use, fully charge your OUKITEL BT15 smartwatch. Connect the provided charging cable to the charging port on the back of the watch and to a USB power source. A full charge typically takes approximately 2 hours. The watch features a 410 mAh high-efficiency battery.

1.3 App Installation and Pairing

To unlock the full potential of your smartwatch, download the **DaFit** application on your smartphone. The OUKITEL BT15 is compatible with iOS 9.0+ and Android 5.0+ devices. Follow these steps to pair your watch:

1. Scan the QR code in the physical user manual or search for "DaFit" in your phone's app store (App Store for iOS, Google Play Store for Android).
2. Install and open the DaFit application.
3. Ensure Bluetooth is enabled on your smartphone.
4. In the DaFit app, navigate to the device section and search for your OUKITEL BT15.
5. Select your watch from the list to initiate the pairing process. Confirm the pairing request on both your phone and the smartwatch.

Once paired, the app will synchronize data and allow you to customize settings and view detailed health and activity reports.

2. PRODUCT OVERVIEW

2.1 Display and Customization

The OUKITEL BT15 features a 1.52-inch Full HD touchscreen display, offering clear visuals and adjustable brightness for optimal visibility in various conditions. Personalize your watch with over 180 customizable watch faces or upload your own images.

3. CORE FUNCTIONS

3.1 Bluetooth Calls and Notifications

The smartwatch supports Bluetooth calls and notifications, featuring a built-in HD microphone and speaker for hands-free communication. It synchronizes your contacts and call history, and delivers instant notifications from popular apps like Facebook, WhatsApp, Instagram, and Twitter. Vibration alerts ensure you stay informed without interruption.

3.3 Health Monitoring

Equipped with high-precision health sensors, the smartwatch provides 24/7 monitoring of heart rate, blood oxygen saturation (SpO₂), sleep quality analysis, and stress level tracking. The DaFit app allows you to access detailed data, analyze trends, and receive personalized reports for a healthier lifestyle.

Video: This video demonstrates the OUKITEL BT15 smartwatch's key features, including its 1.52-inch HD screen, metallic design, AI voice assistant, scratch and shock resistance, Bluetooth call functionality, water resistance, various sports modes, and extended battery life.

5. MAINTENANCE

5.1 Cleaning Your Smartwatch

Regularly clean your smartwatch and strap to ensure optimal performance and hygiene. Use a soft, damp cloth to wipe the screen and body. For the strap, follow the manufacturer's cleaning recommendations based on its material. Avoid using harsh chemicals or abrasive materials.

5.2 Battery Life Optimization

The OUKITEL BT15 offers an extended battery life of up to 10 days with typical daily use and up to 30 days in standby mode. To maximize battery life, consider adjusting screen brightness, limiting frequent notifications, and disabling features you don't use regularly.

6. TROUBLESHOOTING

6.1 Common Issues and Solutions

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:**
 - a. Ensure Bluetooth is enabled on your phone and the watch.
 - b. Make sure the watch is within range of your phone.
 - c. Restart both your phone and the smartwatch.
 - d. Clear the Bluetooth cache on your phone (if applicable) and try pairing again.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.
- **Notifications not received:** Check app permissions in your phone settings to ensure the DaFit app has access to notifications. Verify that notifications are enabled within the DaFit app settings for specific applications.
