Decofy DC-BF03

Decofy Full Bed Frame with Storage and LED Lights Instruction Manual

Model: DC-BF03

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Failure to follow these instructions may result in injury or product damage. Keep this manual for future reference.

- Do not exceed the maximum weight recommendation of 1000 pounds for the bed frame.
- Exercise caution when operating the storage drawers and handling the LED light components.
- Ensure all connections are secure and tightened according to the assembly instructions to prevent instability.
- Keep small parts and packaging materials away from children.
- Avoid exposing LED lights to excessive moisture or extreme temperatures.

PRODUCT OVERVIEW

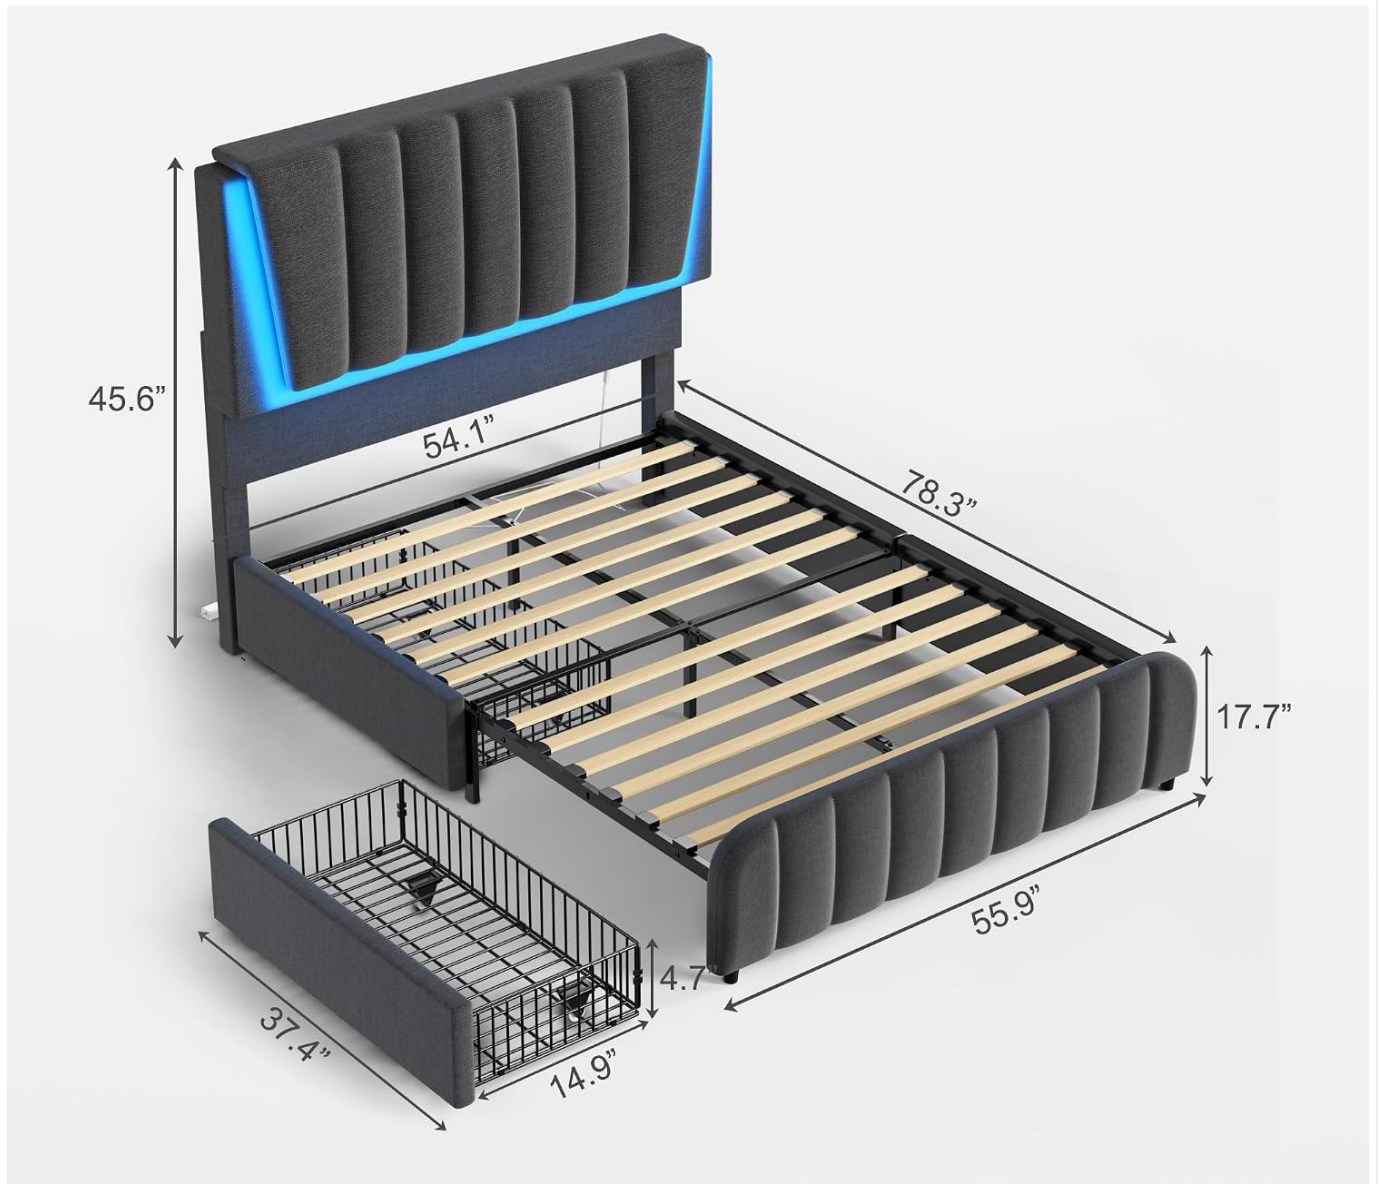

The Decofy Full Bed Frame is designed for comfort and functionality, featuring an upholstered headboard with integrated RGB LED lighting, two under-bed storage drawers, and a robust wood slat support system. The headboard is adjustable to accommodate various mattress heights.

FULL SIZE

Dimension

L x W x H
78.3" x 55.9" x 45.6"

Capacity

This image illustrates the overall dimensions of the Decofy Full Bed Frame, including length, width, height, and the dimensions of the integrated storage drawers. It also shows the wood slat support system.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Upholstered Headboard with LED Lighting
- Bed Frame Side Rails (Left and Right)
- Footboard
- Wood Slats and Support Bars
- Two (2) Under-Bed Storage Drawers
- LED Light Controller and Remote
- Assembly Hardware (screws, bolts, washers, nuts)

- Assembly Tools (Allen wrench, etc.)
- Instruction Manual

This diagram illustrates the robust internal structure of the bed frame, including the thick legs, crossing metal frames, and wood slats, indicating a solid foundation.

ASSEMBLY INSTRUCTIONS

Assembly of the Decofy Full Bed Frame requires careful attention to detail. All parts are clearly numbered, and necessary tools are provided. Refer to the detailed graphic instructions and installation tutorial videos included with your product for step-by-step guidance.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Match each part to the corresponding number in the instruction manual.
2. **Assemble the Headboard:** Attach the upholstered headboard sections as per the diagram. Ensure all bolts are securely tightened.
3. **Connect Side Rails and Footboard:** Attach the side rails to the headboard and then to the footboard. Do not fully tighten bolts until the entire frame is aligned.
4. **Install Wood Slats:** Place the wood slats onto the support bars. Ensure they are evenly spaced and secured to provide adequate mattress support.
5. **Assemble Storage Drawers:** Follow the specific instructions for assembling the two under-bed storage drawers. Ensure the wheels are properly attached for smooth operation.
6. **Install LED Lighting:** Connect the LED strip to the headboard and the controller. Refer to the LED specific instructions for wiring.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws.

For visual assistance, please consult the installation tutorial videos provided with your purchase.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated RGB LED lighting system offers customizable ambient lighting for your bedroom.

- **Control Methods:** The LED lights can be controlled via a dedicated mobile application or the included remote

control.

- **Color Customization:** Choose from 18 million customizable colors to match your mood or decor.
- **Dynamic Effects:** Select from over 30 dynamic lighting effects, including breathing, gradient, and jumping modes.
- **Music Synchronization:** The lighting rhythm can be synchronized with music and movie sound effects for an immersive experience.
- **Brightness Adjustment:** Adjust the brightness levels to your preference using the app or remote.

This image displays the upholstered headboard with its integrated RGB LED lighting system. It also shows the remote control and icons representing various lighting features like color changes, brightness adjustment, music mode, and mic modes.

Storage Drawers

The bed frame includes two hidden, multi-layered storage drawers for convenient organization.

- **Access:** Gently pull the drawers from beneath the bed frame to access.
- **Organization:** The layered design allows for categorized storage of items such as bedding, clothing, books, or snacks.
- **Smooth Operation:** The drawers are designed to slide smoothly without jamming.

Ample 2-Drawer Storage

Modular design allows up to 6 layouts with horizontal, vertical, or diagonal installation.

A top-down view of the bed frame, highlighting the two spacious under-bed storage drawers. The drawers are shown open, demonstrating their capacity for storing various items.

MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your bed frame.

- **Cleaning:** Wipe the bed frame and upholstered surfaces with a dry cloth. For stubborn spots on fabric, use a mild fabric cleaner and test on an inconspicuous area first.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary.
- **LED Lights:** Ensure the LED strip and controller connections are secure. Avoid pulling or bending the LED strip excessively.
- **Drawer Maintenance:** Keep the drawer tracks clean and free of debris to ensure smooth operation.

TROUBLESHOOTING

If you encounter issues with your Decofy Full Bed Frame, refer to the following common problems and solutions:

- **Bed Frame Squeaks:**
 - Ensure all assembly bolts are fully tightened. Loose connections are a common cause of squeaking.
 - Check that wood slats are properly seated and secured.
- **LED Lights Not Working:**
 - Verify that the power adapter is securely plugged into both the wall outlet and the LED controller.
 - Check the connection between the LED strip and the controller.

- Ensure the remote control has working batteries and is pointed directly at the receiver.
- If using the mobile app, ensure Bluetooth or Wi-Fi connection is active and the app is correctly paired.
- **Drawers Not Sliding Smoothly:**
 - Check for any obstructions in the drawer tracks.
 - Ensure the drawer wheels are clean and properly aligned on their tracks.
 - Verify that the drawers were assembled correctly according to the instructions.
- **Headboard Appears Uneven:**
 - Recheck the assembly of the headboard sections and ensure all bolts are tightened evenly.

If these steps do not resolve the issue, please contact customer service for further assistance.
