Mirightone Twin XL Floor Bed Instruction Manual

Model: W2593P381130 | Brand: Mirightone

1. INTRODUCTION

Thank you for choosing the Mirightone Twin XL Floor Bed with Storage Bookshelves and LED Light. This manual provides essential information for the safe assembly, operation, and maintenance of your new floor bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

Your safety and the safety of your child are paramount. Please adhere to the following safety guidelines:

- **Weight Capacity:** Do not exceed the maximum weight capacity of 300 pounds.
- **Assembly:** Ensure all parts are correctly assembled and tightened before use. Regularly check all connections for tightness.
- **Sharp Edges:** Do not assemble with sharp edges facing up. Ensure all components are installed with smooth surfaces facing outwards.
- **Stability:** Ensure the bed is level and stable on a flat surface before use.
- **Entrapment Hazard:** Keep young children away from the bed during assembly to prevent entrapment. The 2.76-inch spacing between fence panels is designed to prevent fingers from getting caught.
- **Guardrails:** The 17.7-inch high guardrails are designed to prevent accidental falls. Do not remove or modify them.
- **Mattress:** Use a Twin XL mattress with a maximum thickness of 8 inches. A mattress is not included.
- **LED Light:** The integrated LED light is for ambient lighting. Do not attempt to modify or replace the light strip.

2.76" Wide Gap Between Rails

4. SETUP AND ASSEMBLY

Assembly of the Mirightone Twin XL Floor Bed is required. A detailed installation manual with step-by-step instructions and diagrams is provided in the packaging. Please follow these instructions carefully.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included manual to identify each component.
3. **Follow Steps:** Assemble the bed frame, guardrails, roof structure, and bookshelves according to the numbered steps in the installation manual.
4. **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened. Do not overtighten.
5. **LED Light Installation:** Install the LED light strip as directed in the manual, ensuring it is securely attached and the wiring is safely routed.
6. **Final Check:** Before use, double-check all connections and ensure the bed is stable and safe.

It is recommended to have two adults for assembly.

5. OPERATING INSTRUCTIONS

The Mirightone Twin XL Floor Bed is designed for ease of use and child independence.

- **Low-to-Ground Design:** The low profile allows children to easily climb in and out of bed, fostering independence. The open entrance can be positioned on either the left or right side during assembly to suit your room layout.
- **LED Light:** The adjustable LED light strip provides a soft, ambient glow. Use it as a night light or to create a cozy atmosphere. The light is typically controlled via a switch or remote (if included).
- **Storage Bookshelves:** Utilize the built-in shelves for organizing books, toys, and other small items. The shelves include one long open shelf and three divided compartments.

With Light Bulbs

The light bulbs create a cozy, dreamy atmosphere for bedtime, and ensuring safety and comfort when getting up in the dark.

6. MAINTENANCE

Proper care will extend the life and appearance of your Mirightone Floor Bed.

- **Cleaning:** Wipe the bed frame with a damp cloth for general cleaning. For spills, wipe immediately with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Moisture:** Keep the bed in a dry environment to prevent wood damage.

7. TROUBLESHOOTING

If you encounter any issues with your Mirightone Twin XL Floor Bed, please refer to the following common solutions:

- **Bed feels wobbly:** Check all assembly screws and bolts. Ensure they are fully tightened. Verify the bed is on

a flat, even surface.

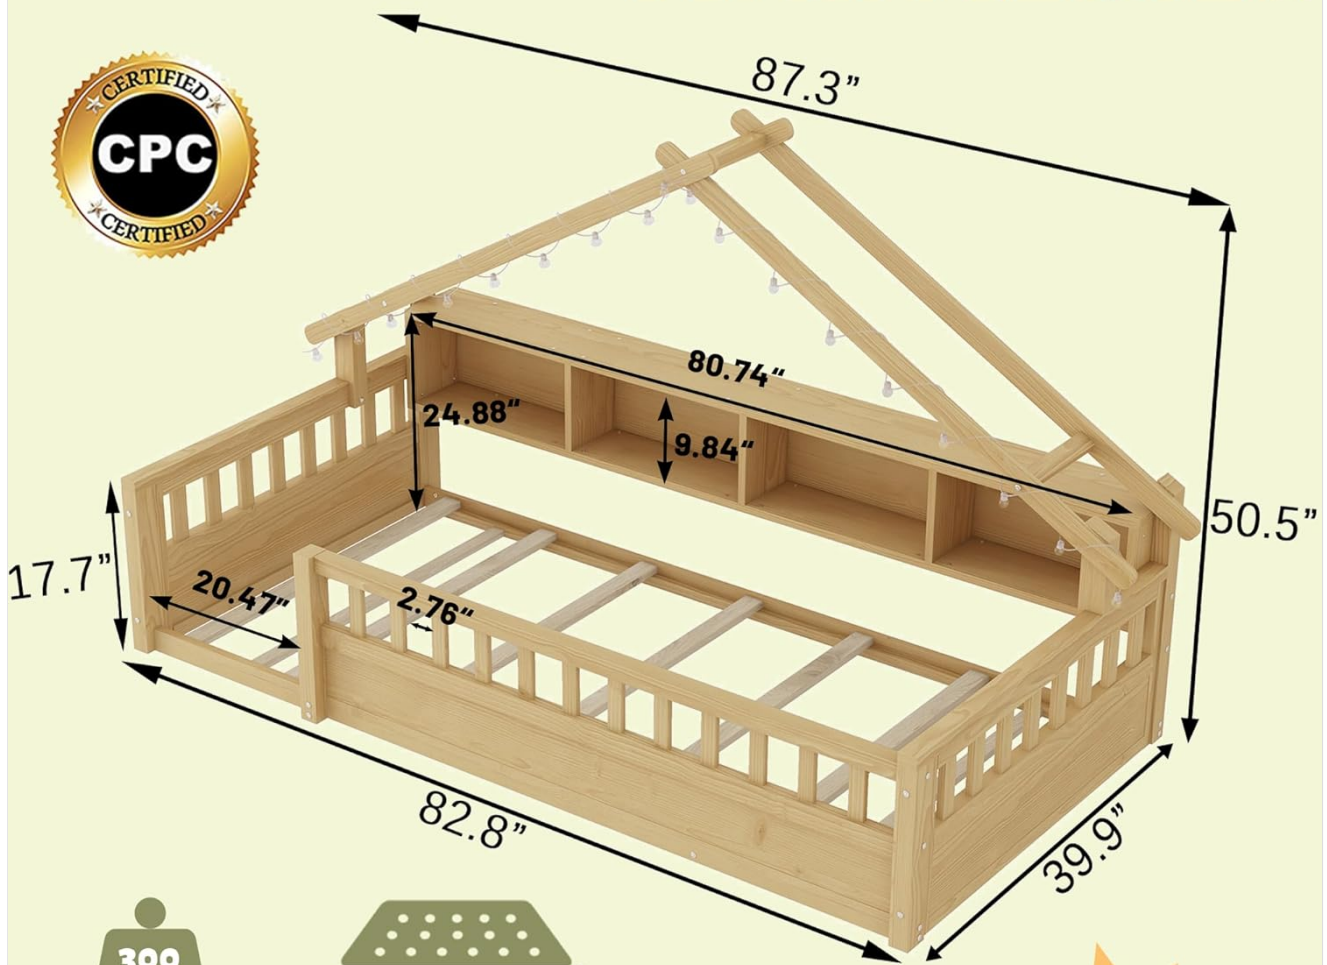

- **LED light not working:** Ensure the power source is connected and functioning. Check for any loose connections in the light strip wiring. If the issue persists, contact customer support.
- **Parts missing or damaged:** If you find any parts missing or damaged upon unpacking, do not proceed with assembly. Contact customer support immediately for replacement parts.
