VIBOX 43Z60UHDQ

VIBOX 43-inch 4K QLED Smart TV User Manual

Model: 43Z60UHDQ

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using your VIBOX 43-inch 4K QLED Smart TV. Keep this manual for future reference.

- Do not block ventilation openings. Ensure adequate space around the TV for proper airflow.
- Do not place the TV near heat sources such as radiators, heat registers, stoves, or other apparatus that produce heat.
- Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

2. WHAT'S IN THE BOX

Carefully unpack the box and ensure all items are present:

- VIBOX 43-inch 4K QLED Smart TV
- Remote Control
- TV Stand (2 pieces)
- Screws for TV Stand
- Power Cable
- Warranty Card

- User Manual (this document)

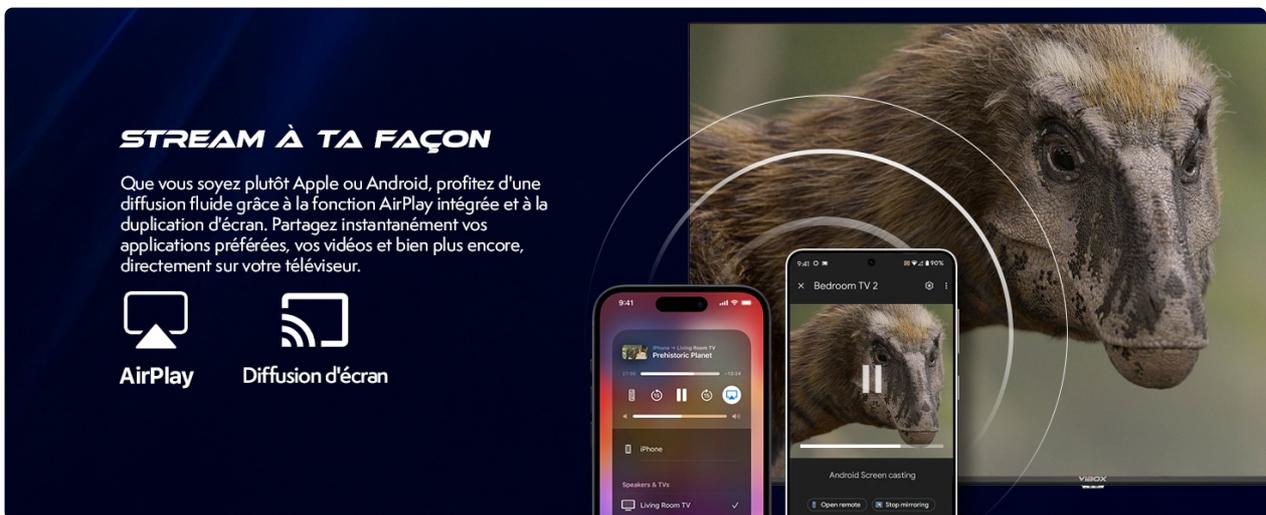

3. SETUP

3.1 Attaching the TV Stand

1. Place the TV screen-down on a soft, flat surface to prevent scratches.
2. Align each stand piece with the corresponding slots on the bottom of the TV.
3. Secure each stand piece using the provided screws. Ensure they are tightened firmly.
4. Carefully lift the TV and place it on a stable, level surface.

3.2 Wall Mounting

The VIBOX 43-inch 4K QLED Smart TV is compatible with standard wall mounts. Refer to the wall mount manufacturer's instructions for proper installation.

A demonstration of a wall mount bracket being attached, illustrating the TV's compatibility with standard wall mounts.

Important: Ensure the wall mount is suitable for the TV's weight and size. Professional installation is recommended for wall mounting.

3.3 Connecting Peripherals

The TV features multiple input ports for various devices:

- **HDMI Ports (x3):** Connect Blu-ray players, game consoles, set-top boxes, etc.
- **USB Ports (x2):** Connect USB storage devices for media playback.
- **Antenna/Cable Input:** Connect an antenna or cable for DVB-T2 digital terrestrial broadcasting.
- **Ethernet Port:** For wired internet connection.
- **Optical Audio Output:** For connecting to external audio systems.

3.4 Initial Power On and Setup

1. Connect the power cable to the TV and then to a power outlet.
2. Press the power button on the TV or the remote control to turn on the TV.
3. Follow the on-screen instructions to complete the initial setup, including language selection, network connection (Wi-Fi or Ethernet), and channel scanning.

4. OPERATING THE TV

4.1 Remote Control Functions

The included remote control features gesture and streaming commands for intuitive navigation.

- **Power Button:** Turns the TV on or off.
- **Navigation Pad:** Use to move through menus and select options.
- **Volume Up/Down:** Adjusts the sound level.
- **Channel Up/Down:** Changes TV channels.
- **Home Button:** Accesses the WebOS Smart TV home screen.
- **Input Button:** Selects input sources (HDMI, USB, TV).
- **Streaming Service Buttons:** Dedicated buttons for quick access to popular streaming applications.
- **Gesture Control:** Point and click functionality for easier menu navigation.

4.2 WebOS Smart TV Features

The VIBOX TV runs on WebOS, providing an intuitive interface for accessing various applications and content.

A user navigating the WebOS smart TV interface, showing various streaming applications and content options.

- **App Store:** Download and install additional applications.
- **Content Recommendations:** Personalized suggestions based on your viewing habits.
- **Multi-tasking:** Switch between apps and live TV seamlessly.

5. MAINTENANCE

5.1 Cleaning the TV

- Always unplug the TV before cleaning.
- Use a soft, dry cloth to wipe the screen and cabinet.
- For stubborn marks, lightly dampen the cloth with water or a mild, non-abrasive screen cleaner. Do not spray cleaner directly onto the screen.
- Avoid using alcohol, benzene, thinners, or other volatile substances, as they may damage the TV.

5.2 Software Updates

The TV may receive software updates to improve performance and add new features. Ensure your TV is connected to the internet to receive these updates. Follow the on-screen prompts for installation.

6. TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common solutions:

Problem	Possible Solution
No power	Check if the power cable is securely connected to the TV and the power outlet. Ensure the outlet is working.
No picture, but sound is present	Check the input source. Ensure external devices are powered on and connected correctly.
No sound, but picture is present	Check the volume level. Ensure mute is not activated. Check audio output settings if using external speakers.

Problem	Possible Solution
Remote control not working	Replace the batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Cannot connect to Wi-Fi	Ensure your Wi-Fi router is on and working. Re-enter the Wi-Fi password. Try restarting both the TV and the router.

If the problem persists after trying these solutions, please contact VIBOX customer support.
