BEISAR Y-02

BEISAR Y-02 Anal Beads Prostate Massager Instruction Manual

Model: Y-02 | Brand: BEISAR

PRODUCT OVERVIEW

The BEISAR Y-02 is a flexible silicone device designed for prostate massage and anal stimulation. It features a series of gradually increasing beads and offers multiple vibration modes, controllable via an integrated button or a dedicated mobile application. The device is waterproof and designed for ease of use and cleaning.

SAFETY INFORMATION

- Always clean the device before and after each use.
- Use with water-based lubricant only. Avoid silicone-based lubricants as they may damage the silicone material.
- Discontinue use immediately if any discomfort or irritation occurs.
- Keep out of reach of children.
- This product is intended for adult use only.

PACKAGE CONTENTS

- 1 x BEISAR Y-02 Vibrator
- 1 x USB Charging Cable
- 1 x User Manual

SETUP

Charging the Device

1. Locate the charging port on the device.
2. Connect the provided USB charging cable to the device and to a USB power source (e.g., computer, wall adapter).
3. The device will indicate charging status (e.g., LED light).
4. Charge for approximately 2 hours before first use. A full charge provides approximately 60 minutes of working time.

Connecting to the APP (Optional)

The BEISAR Y-02 can be controlled via a mobile application for enhanced functionality, including customized patterns and remote control.

1. Download the companion application from your device's app store (search for "AI Lover" or refer to the QR code in the manual).
2. Ensure Bluetooth is enabled on your mobile device.
3. Turn on the BEISAR Y-02 device by long-pressing the power button.
4. Open the application and follow the on-screen instructions to pair your device.

Pattern, Pleasure, Passion

All at your fingertips

Using the Device

1. Ensure the device is clean and fully charged.
2. Apply a generous amount of water-based lubricant to the device and the intended area of use.
3. Gently insert the device, allowing the gradually increasing beads to facilitate comfortable adaptation.
4. Use the power button or the connected mobile application to select your desired vibration mode from the 10 available options.
5. The device is designed for prostate massage and anal stimulation, offering varied sensations through its beaded design and vibration patterns.

MAINTENANCE

Cleaning

- The device is fully waterproof. Clean thoroughly with warm water and a mild, toy-safe soap before and after each use.
- Rinse thoroughly to remove all soap residue.
- Allow the device to air dry completely or pat dry with a lint-free cloth.

Beginner-Friendly Anal Beads

Gradually size & smooth figure

Storage

- Store the device in a clean, dry, and dust-free environment.
- Keep away from direct sunlight and extreme temperatures.
- Avoid storing with other silicone products to prevent material degradation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Low battery.	Charge the device for at least 2 hours.
Vibrations are weak or inconsistent.	Low battery.	Recharge the device.

Problem	Possible Cause	Solution
Cannot connect to the APP.	Bluetooth is off; device is off; app issue.	Ensure Bluetooth is on, device is powered on, and restart the app. Try re-pairing.
Device feels uncomfortable.	Insufficient lubricant; improper insertion.	Apply more water-based lubricant. Ensure slow and gentle insertion. Discontinue use if discomfort persists.

SPECIFICATIONS
