## 5. OPERATING INSTRUCTIONS

### 5.1. Transforming from Bed to Cabinet

To convert the bed back into a cabinet, reverse the assembly steps:

1. Remove the mattress.
2. Fold the bed frame inwards.

3. Lift the bed panel back into its upright cabinet position and secure the side latches.
4. Push the storage drawer back into the cabinet.

## 5.2. Using the Built-in Charging Station

The Murphy bed is equipped with a built-in charging station for your convenience. It includes:

- 2 AC Power Outlets (125V/12A)
- 1 USB Port (5V/2A)
- 1 Type-C Port (5V/2A)

Simply plug your devices into the appropriate ports to charge them. Ensure the bed is connected to a power source for the charging station to function.

## 7. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Tighten as needed.
- **Moving:** When moving the entire unit, ensure the bed is in its cabinet configuration and all drawers are secured. Use proper lifting techniques or seek assistance.

## 8. TROUBLESHOOTING

- **Bed not closing/opening smoothly:** Check for any obstructions in the mechanism or on the floor. Ensure the mattress is correctly positioned and not exceeding the recommended thickness. Verify that the silent rails are clean and free of debris.
- **Charging station not working:** Ensure the bed is properly plugged into a functional wall outlet. Check the power cord for any damage.
- **Unit feels unstable:** Re-check all assembly connections and ensure all fasteners are securely tightened. Confirm the anti-tipping device is correctly installed and engaged.
