Safety Information

Please read all safety instructions carefully before installation and use. Retain this manual for future reference.

- Ensure power is disconnected at the circuit breaker before installation or maintenance.
- Installation should be performed by a qualified electrician or in accordance with local electrical codes.
- Mount the fan securely to a ceiling joist or a suitable support structure capable of holding the fan's weight.
- Do not insert objects into the fan's enclosure while it is operating.
- This product is designed for indoor use only.

What's Included

Verify that all components are present before beginning installation:

- LEDIARY 20" Bladeless Ceiling Fan Unit
- Remote Control
- Mounting Hardware (screws, wire nuts, etc.)
- Instruction Manual

Specifications

Brand	LEDIARY
Model Number	B0GDDV343N
Size	20 Inch
Color	Black
Material	Metal, Plastic, Glass
Mounting Type	Flush Mount
Power Source	AC
Light Source	LED
Light Color Temperature	3000K-6000K (Adjustable)
Fan Speeds	6 Speeds
Control Method	Remote Control, Smart APP Control
Special Features	Energy Efficient, Remote Control, Stepless Color Temperatures, Timer, Reversible Airflow, Memory Function
Recommended Room Size	Up to 8.5ft x 8.5ft
Warranty	2 Years

Setup and Installation

Most components of this low-profile LED ceiling fan come pre-assembled for ease of installation. Follow the steps below for quick and safe mounting. It is recommended to watch the provided installation video for visual guidance.

Installation Steps

1. **Prepare the Mounting Location:** Ensure the power is off at the circuit breaker. Securely attach the mounting bracket to a ceiling joist or a suitable electrical box rated for fan support.
2. **Wire the Fan:** Connect the fan's electrical wires to your household wiring according to the provided wiring diagram in the full manual. Use appropriate wire nuts.
3. **Attach the Fan Unit:** Carefully lift the fan unit and secure it to the mounting bracket using the provided screws. Ensure all connections are tight and secure.
4. **Final Assembly:** Attach any remaining decorative elements or covers as per the instructions.

Operating Instructions

Your LEDIARY ceiling fan can be controlled via the included remote control or a smart app on your smartphone. It offers various settings for fan speed, light brightness, and color temperature.

Remote and App Control

The remote control allows direct access to all fan and light functions. For smart app control, download the "Fanlamp Pro" app from your device's app store and follow the in-app instructions to pair your fan. The app provides additional features like timing settings.

Fan Speed Settings

The fan features 6 adjustable speeds. Use the remote or app to select your desired airflow intensity. The DC motor ensures quiet operation.

Image: Visual representation of the 6 fan speed settings, categorized for different comfort levels.

Adjustable Light Settings

The integrated LED light offers stepless dimming (15-100%) and adjustable color temperature from 3000K (Warm Light) to 6000K (Cold Light). The memory function will recall your last light settings.

Image: Examples of the adjustable light color temperatures: Warm (3000K), Natural (4500K), and Cold (6000K).

Reversible Airflow

The fan features a reversible airflow function, allowing for year-round use. In summer, set the fan to rotate forward (downward airflow) for a cooling effect. In winter, reverse the rotation (upward airflow) to circulate warm air trapped near the ceiling.

Maintenance

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** The enclosed design is child-safe and easy to clean. The cover can be snapped off without tools for convenient dusting. Use a soft, damp cloth to wipe down the exterior and interior components. Do not use abrasive cleaners.
- **Inspection:** Periodically check all mounting hardware and electrical connections to ensure they remain secure.

Troubleshooting

If you encounter issues with your ceiling fan, refer to the following common solutions:

- **Fan Not Operating:** Check the circuit breaker to ensure power is supplied. Verify all electrical connections are secure. Ensure the remote control batteries are functional.
- **Light Not Working:** Check power supply. If using the app, ensure it is properly paired and connected.
- **Remote Control Issues:** Replace batteries. Ensure there are no obstructions between the remote and the fan receiver. Re-pair the remote if necessary (refer to the full manual for pairing instructions).
- **Excessive Noise:** Ensure all mounting screws are tightened. Check that the fan unit is securely attached to the ceiling.

For further assistance, please contact customer support.

Warranty and Support

The LEDIARY 20" Bladeless Ceiling Fan with Light (Model B0GDDV343N) includes a**2-year manufacturer's warranty** covering defects in materials and workmanship.
