LIZHOUMIL myq-PHO_0ZCMPAZY-2vG3f9

LIZHOUMIL Farmhouse Wine Bar Cabinet with LED Light

Model: myq-PHO_0ZCMPAZY-2vG3f9

INTRODUCTION

Thank you for purchasing the LIZHOUMIL Farmhouse Wine Bar Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Always follow all assembly instructions carefully to prevent injury or damage to the product.
- Do not overload shelves. Distribute weight evenly to maintain stability.
- Keep small parts and hardware away from children and pets during assembly.
- Ensure the cabinet is placed on a level, stable surface to prevent tipping.
- Do not climb on, stand on, or lean heavily on the cabinet.
- Use only the provided hardware and tools, or appropriate household tools as specified.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (various sizes)
- Hardware Pack (screws, dowels, cam locks, etc.)
- Adjustable Shelves
- Removable Wine Racks

- Glass Hanging Racks
- LED Light Strip with Power Adapter
- LED Remote Control
- Assembly Instruction Manual

SETUP AND ASSEMBLY

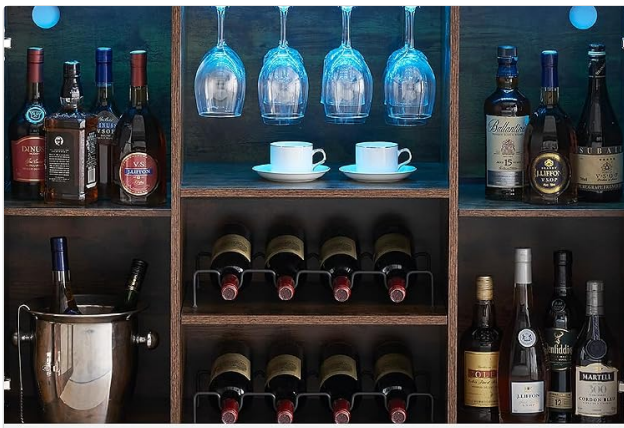

Assembly is required for this product. For a smoother setup process, it is recommended that two people assemble the cabinet. All parts are clearly labeled to assist with identification.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or cardboard) to prevent scratches. Identify each part by its label and compare it with the parts list in the separate assembly guide.
2. **Assemble Main Frame:** Follow the step-by-step diagrams in the assembly guide to construct the main frame of the cabinet using the provided hardware. Ensure all connections are secure.
3. **Install Shelves:** Insert the adjustable shelves into the desired positions. The shelves can be repositioned later by removing the support pins and reinserting them into different holes.
4. **Attach Racks:** Secure the removable wine racks and glass hanging racks within their designated compartments.
5. **Mount Doors:** Attach the glass cabinet doors using the provided hinges. Adjust hinges as necessary to ensure proper alignment and smooth opening/closing.
6. **Install LED Light Strip:** Adhere the LED light strip to the designated area inside the cabinet, typically along the top or sides of the central display section. Connect the light strip to the power adapter.
7. **Position Cabinet:** Once fully assembled, carefully move the cabinet to its final desired location. Ensure it is stable and level.

PRODUCT SIZE

PLENTY OF STORAGE

Ample space for storing your wine sets or coffee mugs

ADJUSTABLE SHELVES

The shelves can be adjusted to suit different heights

LED LIGHT STRIP

Comes with LED lights featuring several modes, creating the desired ambiance.

OPERATING INSTRUCTIONS

Adjustable Shelves

The cabinet features adjustable shelves, allowing you to customize the interior space to accommodate various bottle heights, glassware, or other items. To adjust a shelf, carefully remove any items, lift the shelf, remove the four support pins, and reinsert them into the desired set of holes. Then, place the shelf back onto the pins.

Wine Racks and Glass Storage

Utilize the removable wine racks to store up to 8 bottles horizontally, ensuring proper preservation. The integrated hanging racks are designed to securely hold up to 16 wine glasses, keeping them dust-free and ready for use.

LED Lighting System

The built-in LED lighting system enhances the display of your collection and adds ambiance to your room. Use the provided remote control to operate the lights:

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Color Selection:** Choose from a variety of colors to match your mood or decor.
- **Brightness Adjustment:** Increase or decrease the light intensity.
- **Mode Selection:** Explore different lighting modes (e.g., flash, fade, strobe) for dynamic effects.

BUILT-IN COLORFUL RGB LED LIGHTS

Create different atmospheres as you like

MAINTENANCE AND CARE

- **Cleaning Surfaces:** Wipe the cabinet's wood surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Glass Doors:** For streak-free glass, use a standard glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the glass, to prevent overspray onto wood surfaces.
- **LED Lights:** Ensure the LED light strip and remote control are kept dry. If the light strip becomes dusty, gently wipe it with a dry, soft cloth.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

TROUBLESHOOTING

- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into both the light strip and a working electrical outlet.

- Ensure the remote control battery is functional and correctly inserted.
- Verify that the LED light strip is properly connected to its controller.
- **Cabinet Instability:**
 - Confirm that all assembly screws and fasteners are fully tightened.
 - Ensure the cabinet is placed on a completely level surface. Adjust any leveling feet if present.
- **Doors Not Aligning or Closing Properly:**
 - Adjust the door hinges. Most hinges allow for minor adjustments to align doors vertically, horizontally, and in depth.
 - Ensure no obstructions are preventing the door from closing fully.

SPECIFICATIONS

Feature	Detail
Brand	LIZHOUMIL
Model Number	myq-PHO_0ZCMPAZY-2vG3f9
