4. SETUP

4.1 Initial Charging

Before first use, fully charge your tablet using the provided USB-C charger cable and charging head. The tablet supports 9V/2A fast charging. Ensure you use a compatible charger to prevent damage.

4.2 Power On/Off

- **To Power On:** Press and hold the power button until the Relndoo logo appears.
- **To Power Off:** Press and hold the power button, then select "Power off" from the options.

4.3 First-Time Setup

Upon first power-on, follow the on-screen prompts to complete the initial setup, including selecting your language, connecting to a Wi-Fi network, and setting up your Google account.

5. OPERATION

5.1 Basic Navigation

Navigate the Android 15 interface using touch gestures. Swipe, tap, pinch, and spread to interact with apps and content.

5.2 Split-Screen Functionality

Android 15 supports split-screen mode for multitasking. To activate:

1. Open an application.
2. Swipe up from the bottom of the screen to view recent apps.
3. Tap the app icon at the top of the app's card and select "Split screen."
4. Choose a second application to use in the other half of the screen.

6. CONNECTIVITY

6.1 Wi-Fi Connection

Connect to 2.4G/5G Wi-Fi networks for internet access. Go to **Settings > Network & internet > Wi-Fi**, turn on Wi-Fi, and select your desired network.

Your browser does not support the video tag.

Video: This video provides steps to troubleshoot Wi-Fi connectivity issues, such as not connecting or frequent disconnections.

6.2 Bluetooth Pairing

Pair Bluetooth devices like headphones, speakers, or other accessories. Go to **Settings > Connected devices > Bluetooth**, turn on Bluetooth, and select the device to pair.

6.3 Wireless Screen Projection

Project your tablet's screen to a larger display. This feature allows you to mirror your content for presentations or enhanced viewing experiences. Consult your display device's manual for specific connection instructions.

7. MAINTENANCE

7.1 Battery Management

The 8000mAh battery provides extended usage. To prolong battery life:

- Use the provided charger (9V/2A) and cable.
- Avoid extreme temperatures.
- Do not leave the tablet charging for extended periods after it reaches 100%.
- Adjust screen brightness and close unused apps to conserve power.

8000mAh Long-Lasting Battery

8000mAh Battery **Type-C Connection** **9V/2A Fast Charging** **AI Intelligent Energy Saving**

18W **8000mAh**

69% Charged

Games 8 Hours **Video 12 Hours** **Talk 18 Hours** **Standby 450 Hours**

Image: The RelIndoo T901 tablet being charged, highlighting its long-lasting battery.

7.2 Storage Management

The tablet comes with 256GB of internal storage, expandable up to 2TB via a microSD card. Regularly manage your files and applications to optimize performance.

- To insert a microSD card, locate the card slot on the side of the tablet and gently push the card in until it clicks.
- To remove, push the card in again to release it.

7.3 Cleaning

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials.

8. SYSTEM UPDATES

Keep your tablet's operating system up to date to ensure optimal performance, security, and access to the latest features of Android 15.

- To check for updates: Go to **Settings > System > System updates**
- Follow the on-screen instructions to download and install any available updates.

9. TROUBLESHOOTING

If you encounter issues with your tablet, refer to the solutions below. If the problem persists, contact customer support.

9.1 Common Issues

- **Tablet not turning on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again.
- **Wi-Fi connectivity issues:** Restart your tablet and Wi-Fi router. Ensure you are within range of the Wi-Fi signal.
- **Slow performance:** Close unused applications, clear cache, or free up storage space.

9.2 Factory Reset

A factory reset will erase all data from your tablet and restore it to its original factory settings. Back up important data

before proceeding.

1. Go to **Settings > System > Reset options**.
2. Select "Erase all data (factory reset)" and confirm.

10. SPECIFICATIONS
