

Gizon B0GDFT4T8G

Gizon 8-Drawer Dresser Instruction Manual

Model: B0GDFT4T8G

1. INTRODUCTION

Thank you for choosing the Gizon 8-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use of this product, please adhere to the following guidelines:

- **Anti-Tip Kit:** It is crucial to install the included anti-tip kit to securely anchor the dresser to the wall. This prevents accidental tipping, which can cause serious injury.
- **Weight Limits:** Do not exceed the specified weight capacities. The tabletop can support up to 154 lbs, and each drawer can hold up to 22 lbs. Overloading can compromise stability and cause damage.
- **Placement:** Place the dresser on a flat, level surface to ensure stability.
- **Children:** Keep children away from the dresser during assembly. Do not allow children to climb on or play with the dresser, especially with drawers open.
- **Assembly:** Follow all assembly steps precisely. Do not skip steps or use unauthorized parts.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. The package includes:

- Dresser components (wooden panels)
- Accessory bags (hardware, fasteners)
- Instruction manual
- Screwdriver (for assembly)

If any parts are missing or damaged, please contact customer service for assistance.

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly typically requires 1-2 people and takes approximately 1-2 hours, though time may vary based on experience. An adequate workspace is recommended. Please wear gloves to prevent injury during handling.

1. **Unpack and Inventory:** Carefully unpack all components and compare them against the parts list in the instruction manual to ensure everything is present.
2. **Prepare Workspace:** Clear a spacious area for assembly, preferably on a soft, clean surface to prevent scratching the furniture.
3. **Follow Step-by-Step Guide:** Refer to the detailed step-by-step instructions provided in the included manual. Each step will guide you through attaching panels, installing drawer slides, and securing fasteners.
4. **Drawer Assembly:** Assemble each of the eight drawers according to the instructions, ensuring the smooth sliding mechanisms are correctly installed.
5. **Install Anti-Tip Kit:** Once the dresser is fully assembled and in its final position, install the anti-tip kit as directed in the safety section and the manual. This is a critical safety step.
6. **Final Check:** Ensure all screws and fasteners are tightened securely. Do not overtighten.

5. OPERATING INSTRUCTIONS

The Gizoon 8-Drawer Dresser is designed for organized storage in various rooms.

- **Drawer Usage:** To open a drawer, gently pull from the integrated cut-out handle. To close, push firmly until it is fully seated. The smooth sliding mechanisms ensure easy operation.
- **Storage:** Utilize the eight deep drawers for storing clothing, accessories, linens, or other household items. Distribute weight evenly within drawers and adhere to the 22 lbs per drawer weight limit.
- **Tabletop:** The spacious tabletop can be used to display decorative items, lamps, or other personal

belongings, with a maximum weight capacity of 154 lbs.

Spacious Tabletop & Easy to Clean

Smooth Sliding Drawers

6. MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the dresser surfaces with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or

excessive moisture, which can damage the finish.

- **Spills:** Clean spills immediately to prevent staining or damage to the wood.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

7. TROUBLESHOOTING

If you encounter issues with your dresser, consider the following:

- **Drawers not sliding smoothly:** Check if the drawer slides are properly aligned and free of obstructions. Ensure all screws on the slides are tightened.
- **Dresser feels wobbly:** Verify that the dresser is on a level surface. Check all assembly screws and tighten any that are loose. Ensure the anti-tip kit is correctly installed and secured.
- **Missing parts:** If you discover missing parts during assembly, refer to the package contents section and contact customer service for replacements.
