

Rovibek Brown Dog Crate 78

Rovibek 78 Double Dog Crate Furniture

Instruction Manual

INTRODUCTION

Thank you for choosing the Rovibek 78 Double Dog Crate Furniture. This multi-functional unit serves as a comfortable enclosure for your pets and a stylish piece of furniture for your home, such as a TV stand. Designed for large breeds, it features a removable divider to accommodate one or two dogs, along with adjustable feeding bowls. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

SAFETY INFORMATION

- Keep all small parts and packaging materials away from children and pets during assembly.
- Ensure all screws and fasteners are securely tightened before allowing pets to use the crate. Periodically check and re-tighten as needed.
- Do not exceed the stated weight capacities: 200 lbs on the top surface and 150 lbs for the internal frame.
- Place the furniture on a flat, stable, and level surface to prevent tipping.
- Do not allow pets to chew on the furniture components. Inspect regularly for damage and discontinue use if structural integrity is compromised.
- This product is intended for indoor use only.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (Top, Bottom, Sides, Back)
- Metal Bar Frames (Doors, Side Panels)
- Removable Divider Panel
- Rotatable Dog Bowl Assembly with two stainless steel bowls
- Adjustable Feet (6 units)
- Assembly Hardware (Screws, bolts, nuts, Allen wrench)
- Assembly Instructions (Printed document)

SETUP AND ASSEMBLY

Assembly typically requires two adults and may take several hours. Follow the included printed assembly instructions for detailed, step-by-step guidance. The following images illustrate key features and components during assembly.

Figure 1: Product Dimensions and Weight Capacities. This image displays the overall dimensions of the assembled crate furniture and highlights the weight limits for the top surface (200 lbs) and the internal frame (150 lbs).

One room

Figure 2: Removable Divider Functionality. This image illustrates how the internal divider can be used to create two separate compartments or removed to form one large space, adapting to your pet's needs.

5 Level Adjustable Dog Bowl

360° rotating design for easy angle adjustment

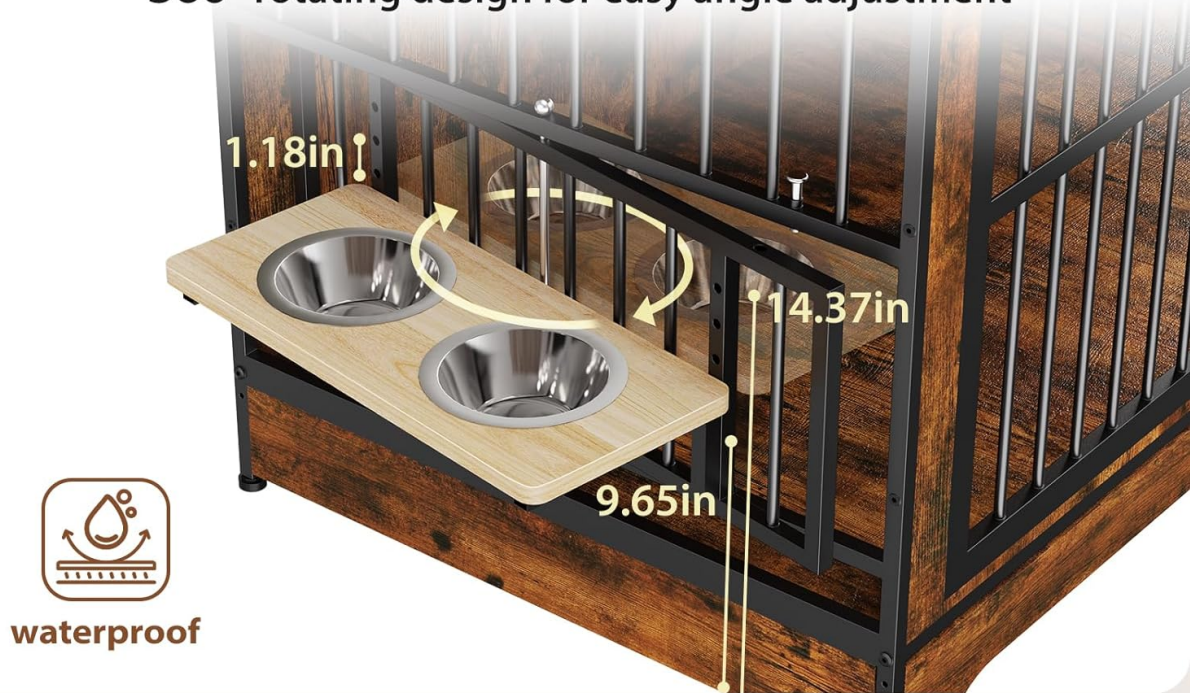

Figure 3: Adjustable Dog Bowl Feature. This image details the rotatable dog bowl assembly, highlighting its 5-level height adjustment and 360-degree rotation for optimal pet comfort during feeding.

Figure 4: Adjustable Feet and Construction Details. This image provides a close-up of one of the adjustable feet, designed for stability on uneven surfaces, and showcases the robust 0.4-inch thick iron pipe construction.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list in your printed manual to ensure everything is present and undamaged.
2. **Assemble Side Panels:** Attach the metal bar frames to the wooden side panels using the provided hardware. Pay attention to the orientation of screw holes.
3. **Attach Bottom Panel:** Secure the assembled side panels to the wooden bottom panel.
4. **Install Divider (Optional):** If using the crate for two dogs, insert the removable divider panel into its designated slots.
5. **Attach Top Panel:** Secure the wooden top panel to the assembled structure.
6. **Install Doors:** Attach the metal doors to the front openings using the hinges and hardware. Ensure they open and close smoothly.
7. **Assemble Dog Bowl Unit:** Attach the rotatable dog bowl assembly to the side of the crate as per instructions. Insert the stainless steel bowls.
8. **Attach Adjustable Feet:** Screw the six adjustable feet into the pre-drilled holes on the bottom of the

crate. Adjust them to level the unit.

9. **Final Check:** Verify all connections are tight and the crate is stable.

OPERATING INSTRUCTIONS

Using the Removable Divider:

- To create two separate compartments, slide the divider panel into the central grooves until it is securely seated.
- To create one large compartment, carefully lift and remove the divider panel from its grooves. Store it safely when not in use.

Adjusting the Rotatable Dog Bowls:

- The dog bowl unit can rotate 360 degrees. Gently push or pull the unit to adjust its angle for your pet's comfort.
- The bowls can be adjusted to five different height settings. Lift the bowl unit slightly and reposition it into the desired height slot. Ensure it clicks into place.

MAINTENANCE

- **Cleaning Surfaces:** Wipe wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Cleaning Bowls:** The stainless steel bowls are removable and dishwasher safe for easy cleaning.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Leveling:** If the crate becomes wobbly, adjust the individual feet on the bottom to re-level the unit.
- **Damage Inspection:** Regularly check for any signs of wear, damage, or loose parts. Address any issues promptly to ensure the safety of your pets.

TROUBLESHOOTING

- **Crate is Wobbly:** Ensure the crate is placed on a level surface. Adjust the six individual feet on the bottom of the unit until it is stable.
- **Difficulty During Assembly:** Double-check the printed assembly instructions. Ensure all parts are oriented correctly and that the correct hardware is used for each step. Do not force parts together.
- **Doors Do Not Close Properly:** Verify that the hinges are installed correctly and that the frame is square. Adjust the adjustable feet to ensure the unit is level, which can affect door alignment.
- **Pet Discomfort:** Ensure the crate size is appropriate for your dog's breed and size. Provide comfortable bedding. If using the divider, ensure each compartment offers sufficient space.

SPECIFICATIONS

Feature	Detail
