LAUDLIFE GF007BL00NBA-UG

LAUDLIFE FUSION Propane Gas Griddle Grill Combo with Side Burner

Model: GF007BL00NBA-UG

User Instruction Manual

1. INTRODUCTION

Thank you for choosing the LAUDLIFE FUSION Propane Gas Griddle Grill Combo. This versatile outdoor cooking appliance combines the functionality of a gas grill and a flat-top griddle, complete with a side burner, to offer a comprehensive cooking experience. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new grill combo. Please read all instructions carefully before use and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these instructions could result in fire, explosion, or burn hazard, which could cause property damage, personal injury, or death.

- This appliance is for outdoor use only. Do not operate indoors.
- This grill is designed for propane gas use only. Natural gas is not recommended.
- Keep children and pets away from the grill at all times.
- Always ensure proper ventilation when operating the grill.
- Perform a leak test on all gas connections before initial use and after any gas cylinder change.
- Keep the grill area clear and free from combustible materials, gasoline, and other flammable vapors and liquids.
- Do not store a spare LP gas cylinder under or near this appliance.
- Never leave the grill unattended while in use.

- Wear protective gloves when handling hot surfaces.

3. PRODUCT OVERVIEW

The LAUDLIFE FUSION grill combo features a robust design for diverse outdoor cooking needs. It includes:

- **3-in-1 Cooking Versatility:** Switch between flat-top griddling, gas grilling, and side burner cooking.
- **Generous Cooking Area:** 702 sq. in. total cooking surface.
- **Powerful Heating:** 5 main burners delivering up to 50,000 BTUs, plus an integrated side burner.
- **Durable Surfaces:** Non-stick porcelain-enameled cast iron grates and griddle for easy cleaning and rust resistance.
- **Convenient Features:** Built-in thermometer, heat-resistant handle, tool holders, and integrated storage shelves.

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions provided in the included user manual and refer to the assembly video for visual guidance. Ensure all components are present and undamaged before beginning assembly.

Assembly Guide Video

Video 4.1: Detailed assembly guide for the LAUDLIFE Gas Griddle Grill Combo. This video demonstrates step-by-step instructions for putting together the grill frame, attaching components, and installing the side burner.

Side Burner Gas Line Installation

Proper installation of the side burner gas line is crucial for safe and efficient operation. Refer to the following video for detailed steps:

Video 4.2: Guide on how to correctly install the side burner gas line, ensuring proper connection and alignment for safe operation.

5. OPERATING INSTRUCTIONS

Lighting the Main Burners

1. Open the lid of the barbecue before attempting to light the burners.
2. Push down and turn all the control knobs clockwise to the 'OFF' position.
3. Connect the regulator to the gas bottle. Turn on the gas supply at the regulator or at the gas bottle valve.
4. Push down the control knob and keep pressing while turning anticlockwise to the 'HIGH' position. A click sound will be heard and ignition will take place.
5. If the burner is not lighting, turn dial to the 'OFF' position and wait 5 minutes. Repeat step 4.
6. Repeat steps 4 to 5 for other burners.

Lighting the Side Burner

For specific instructions on igniting the side burner, please refer to the following video:

Video 5.1: Demonstrates the correct procedure for igniting the side burner on your LAUDLIFE grill combo.

Cooking with the Grill and Griddle

The 5 burners deliver up to 50,000 BTUs, providing fast heat-up and precise temperature control for various cooking methods. The porcelain-enameled cast iron grates and griddle ensure even heat distribution.

6. MAINTENANCE AND CLEANING

Regular cleaning and maintenance will extend the life of your LAUDLIFE FUSION grill combo and ensure optimal performance. The enamel coating on the griddle and grates resists sticking and rust, making cleanup efficient.

Cleaning the Cooking Surfaces

- Allow the grill to cool completely before cleaning.
- For griddle and grates, use a grill brush or scraper to remove food residue.
- Wash with warm, soapy water and rinse thoroughly.
- The non-stick porcelain-enameled coating facilitates easy wipe-down.

Non-Stick Enamel Coating

Easy cleanup—ready in 1 minute

Cleaning Demonstration Video

Video 6.2: A short preview demonstrating the ease of cleaning the grill surfaces.

7. TROUBLESHOOTING

If you encounter issues with your grill combo, refer to the following common troubleshooting tips:

Side Burner Ignition Issues

If the side burner is not igniting properly, it may be due to misalignment of the igniter pulse with the burner hole. This can be adjusted.

Video 7.1: Troubleshooting guide for side burner ignition issues, showing how to adjust the igniter needle for proper alignment.

For other issues, ensure all gas connections are secure and the propane tank has sufficient fuel. Consult the full user manual for a comprehensive troubleshooting guide.

8. SPECIFICATIONS
