BTHFST GS03

BTHFST Low Loft Bed Twin Size with Stairs & LED Lights Instruction Manual

Model: GS03 | Brand: BTHFST

INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe operation, and maintenance of your BTHFST Low Loft Bed. Please read all instructions carefully before assembly and use to ensure proper function and safety. Keep this manual for future reference.

SAFETY INFORMATION

- Always use the staircase carefully to avoid injury.
- Be cautious around sharp edges during assembly and use.
- Ensure all bolts and fasteners are securely tightened before use and periodically check for looseness.
- The bed is designed for a twin-sized mattress (4-6 inches thick recommended for optimal guardrail height).
- Do not allow children to jump on the bed.
- An anti-tip kit is included and must be installed to secure the bed to the wall, preventing accidental tipping.
- Keep small children away from the assembly area.
- Adult assembly is required.

INCLUDED COMPONENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Low Loft Bed Frame (Alloy Steel, Engineered Wood)
- 7 Fabric Drawers
- 3 Open Cubbies
- 1 Clothes Rail
- RGB LED Lights
- Assembly Kit (hardware, tools)
- Instruction Manual

- Anti-Tipping Device

SETUP AND ASSEMBLY

Assembly of the BTHFST Low Loft Bed requires two adults and typically takes approximately 3-4 hours. Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all parts are correctly oriented and securely fastened.

1. Unpack all components and verify against the included parts list.
2. Assemble the main bed frame structure according to the diagrams.
3. Attach the staircase unit, ensuring it is stable and secure.
4. Install the storage drawers, open cubbies, and clothes rail into their designated positions.
5. Mount the RGB LED lights as per the separate LED light instructions.
6. Install the anti-tipping device to a wall stud to prevent accidental tipping.
7. Place a twin-sized mattress (4-6 inches thick) on the bed frame.

FEATURES OVERVIEW

Staircase Design for Safe Access

The integrated staircase provides a safe and convenient way to access the loft bed. Each step is wide and sturdy, designed for secure footing. A safety handrail offers additional support.

Storage Master Keeps Room Clean and Tidy

OPERATING INSTRUCTIONS (LED LIGHTS)

The RGB LED lights can be operated using the provided remote control or a compatible mobile application. Refer to the separate LED light instruction sheet for detailed pairing and operation steps.

- **Power On/Off:** Use the power button on the remote or app.
- **Color Selection:** Choose from over 60,000 colors via the app or preset colors on the remote.
- **Brightness Adjustment:** Increase or decrease light intensity.
- **Dynamic Modes:** Select various pre-programmed lighting effects.
- **Music Sync Mode:** Lights react to music played through your device.
- **Microphone Mode:** Lights react to ambient sounds.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

MAINTENANCE

- **Cleaning:** Wipe the metal frame and engineered wood surfaces with a damp cloth. Avoid harsh chemicals.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary.
- **Fabric Drawers:** Spot clean fabric drawers with a mild detergent and air dry.
- **LED Lights:** Ensure LED light connections are secure. If lights malfunction, refer to the LED light manual or contact support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose fasteners; anti-tip device not installed or improperly secured.	Tighten all bolts and screws. Ensure the anti-tip device is correctly installed into a wall stud.
LED lights not working.	Power connection issue; remote control battery low; app not paired.	Check power supply and connections. Replace remote battery. Re-pair the app with the LED lights.
Missing parts during assembly.	Packaging error.	Review the parts list. Contact customer support with the specific missing part number.

SPECIFICATIONS

Model Number:	GS03
Size:	Twin
