4. MAINTENANCE

To ensure the longevity and appearance of your VINGLI headboard, follow these maintenance guidelines:

- **Cleaning the Upholstery:** For the linen fabric, gently spot clean with a damp cloth and mild detergent. Avoid harsh chemicals.
- **Cleaning the Metal Frame:** Wipe the metal frame with a soft, dry cloth to remove dust. For tougher marks, use a slightly damp cloth and dry immediately.
- **Electrical Components:** Ensure the charging station and LED lights are kept dry. Do not attempt to repair electrical components yourself.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

5. TROUBLESHOOTING

If you encounter any issues with your VINGLI headboard, please refer to the following common troubleshooting steps:

- **LED Lights Not Working:**
 - Check if the power adapter is securely plugged into a working outlet and the headboard.
 - Ensure the remote control batteries are functional and correctly inserted.
 - If using the app, verify Bluetooth connection and app settings.
- **Charging Station Not Providing Power:**
 - Confirm the headboard's main power cord is plugged into a live wall outlet.
 - Test with a different device or cable to rule out device-specific issues.
 - Ensure the power switch (if any) on the charging station is in the "on" position.
- **Headboard Feels Unstable:**
 - Recheck all assembly screws, especially those connecting the headboard to the bed frame and the anti-loosen screws. Tighten any loose fasteners.
 - Ensure the bed frame itself is stable and properly assembled.

If the issue persists after attempting these steps, please contact VINGLI customer support for further assistance.
