HOMCOM Round Dining Table 83A-297V00DR User Manual

Model: 83A-297V00DR

1. INTRODUCTION

Thank you for choosing the HOMCOM Round Dining Table. This manual provides essential information for the safe assembly, proper use, and maintenance of your new table. Please read these instructions carefully before assembly and retain them for future reference.

Image 1.1: The HOMCOM Round Dining Table in a kitchen environment.

2. SAFETY INSTRUCTIONS

- Read all instructions before assembly and use.
- Keep all packaging materials away from children.
- Assemble the table on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 40 kg (88 lbs).
- Do not stand or sit on the table.
- Avoid placing hot items directly on the tabletop; use coasters or protective mats.
- Keep the table away from direct heat sources and excessive moisture.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop (Plateau)
- Legs (Pieds) - X-shaped steel base
- Assembly Hardware (screws, washers, Allen key)

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. It is recommended that one person assembles the table. Tools are provided.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent damage.
2. **Attach Legs to Tabletop:** Align the X-shaped steel legs with the pre-drilled holes on the underside of the tabletop.
3. **Secure Fasteners:** Insert the provided screws and washers into the holes. Using the Allen key, tighten all screws securely. Do not overtighten.
4. **Adjust Feet:** Once the legs are securely attached, carefully turn the table upright. Adjust the leveling feet at the bottom of each leg to ensure the table is stable and does not wobble on uneven floors.

Ensure all connections are firm before using the table.

5. USAGE GUIDELINES

This HOMCOM dining table is designed for versatile use in various indoor settings.

- **Seating Capacity:** The table is designed to comfortably accommodate up to 4 people.
- **Weight Capacity:** The maximum recommended load for the tabletop is 40 kg (88 lbs). Do not exceed this limit.
- **Versatile Use:** Suitable for dining, kitchen use, or as an elegant home office desk.

PEUT ACCUEILLIR JUSQU'À 4 PERSONNES

Idéal pour les repas en famille ou les réunions décontractées entre amis

Image 5.2: Visual representation of the table's dimensions and maximum weight capacity.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the table surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or polishes that may damage the melamine finish.
- **Protection:** Use placemats, coasters, and trivets to protect the tabletop from scratches, heat, and spills.
- **Regular Checks:** Periodically inspect all fasteners and re-tighten them if they become loose to maintain stability.
- **Environment:** Keep the table in a dry environment and avoid prolonged exposure to direct sunlight to prevent material degradation.

7. TROUBLESHOOTING

- **Table wobbles:**
 - Ensure all assembly screws are fully tightened.
 - Adjust the leveling feet on the bottom of the legs to compensate for uneven floor surfaces.
- **Scratches on surface:**

- The tabletop is scratch-resistant, but not scratch-proof. Use placemats or coasters for added protection.
- Avoid dragging sharp or heavy objects across the surface.
