Outsunny Barbecue Shelter Instruction Manual

Model: FR84C-677V00CG0531

INTRODUCTION

Thank you for choosing the Outsunny Barbecue Shelter. This manual provides essential information for the safe assembly, operation, and maintenance of your product. Please read all instructions carefully before use and retain this manual for future reference.

This spacious barbecue shelter, measuring 245 x 152 x 218 cm, is designed to provide ample space for grilling, preparation, and serving. It features two lateral shelves and five hooks for convenient storage of dishes, utensils, accessories, and ingredients. The robust steel frame is coated for durability and resistance to rust and corrosion, suitable for outdoor use. The arched, fire-retardant polyester roof offers pleasant shade and prevents water accumulation.

SAFETY INFORMATION

Always prioritize safety during assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly:** Ensure all parts are present and undamaged before beginning assembly. Assemble on a flat, stable surface. Two or more people are recommended for assembly.
- **Stability:** Securely fix the shelter to the ground using the provided eight ground stakes to prevent overturning or collapse, especially in windy conditions.
- **Fire Safety:** The roof is fire-retardant, but always maintain a safe distance between the barbecue and the shelter fabric. Do not place hot items directly on the shelves without protection.
- **Weight Limits:** Do not exceed the recommended maximum load: 20 kg per shelf, 2 kg per hook.
- **Weather Conditions:** While designed for outdoor use, extreme weather conditions (heavy winds, snow) may require temporary disassembly or additional securing measures.
- **Children and Pets:** Keep children and pets away from the assembly area and the hot barbecue during use.

PACKAGE CONTENTS

Please verify that all components are included in your package before starting assembly. If any parts are missing or damaged, contact customer support.

- Steel frame components (posts, beams, roof supports)
- Polyester roof canopy
- Two lateral shelves
- Five hanging hooks
- Assembly hardware (screws, bolts, washers, nuts)
- Eight ground stakes
- Instruction manual

SETUP AND ASSEMBLY

Assembly is required for this product. Follow the steps below carefully. It is recommended to have at least two people for assembly.

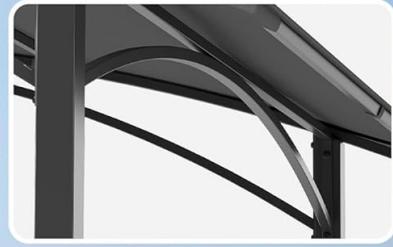

Step 1: Unpack and Identify Parts

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in your manual to identify each piece.

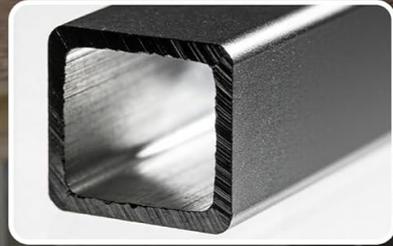

Step 2: Assemble the Main Frame

Begin by connecting the main vertical posts and horizontal beams to form the base structure. Ensure all connections are finger-tight at this stage.

Step 3: Attach Roof Supports

Install the roof support beams to create the arched shape. Ensure they are securely fastened to the main frame.

Step 4: Install the Roof Canopy

Drape the polyester roof canopy over the assembled roof structure. Secure it firmly to the frame according to the instructions to ensure proper tension and water runoff.

Step 5: Attach Side Shelves and Hooks

Mount the two lateral shelves to the side posts. Attach the five hooks to the designated areas on the shelves for hanging utensils.

Step 6: Secure to the Ground

Once the structure is fully assembled, use the eight ground stakes to firmly anchor the shelter to the ground. This is crucial for stability.

OPERATING INSTRUCTIONS

The Outsunny Barbecue Shelter is designed to enhance your outdoor grilling experience by providing shade and convenient storage.

Using the Shelter

- Position your barbecue grill centrally under the shelter, ensuring adequate ventilation and clearance from the canopy.
- Utilize the lateral shelves for placing food, drinks, and grilling accessories.
- Hang your barbecue tools on the integrated hooks for easy access during cooking.
- The arched roof design helps to prevent water from pooling, allowing for continued use even during light rain.

MAINTENANCE

Regular maintenance will prolong the life and appearance of your barbecue shelter.

- **Cleaning:** Clean the steel frame with a damp cloth and mild soap. Rinse thoroughly and dry to prevent water spots. Clean the polyester canopy with a soft brush and mild detergent, then rinse and allow to air dry completely.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary. Inspect the canopy for any tears or damage.
- **Storage:** During prolonged periods of non-use or in anticipation of severe weather, it is recommended to remove the canopy and store it in a dry, protected area.
- **Rust Prevention:** Although the steel frame is coated, inspect for any signs of rust, especially at joints. Touch up any chipped paint to prevent further corrosion.

TROUBLESHOOTING

If you encounter any issues with your barbecue shelter, refer to the following common problems and solutions.

- **Shelter is unstable:** Ensure all frame connections are securely tightened. Verify that the ground stakes are fully inserted and the shelter is on a level surface.
- **Water pooling on roof:** Check that the canopy is properly tensioned and installed correctly on the arched frame. Ensure no debris is obstructing water runoff.
- **Difficulty with assembly:** Review the assembly instructions carefully. Ensure you have all parts and are following the steps in the correct order. It is often helpful to have a second person assist.
- **Parts missing or damaged:** Do not attempt to force assembly with incorrect or damaged parts. Contact Outsunny customer support for replacement parts.

SPECIFICATIONS

Feature	Specification
Product Dimensions (L x W x H)	245 x 152 x 218 cm
Item Weight	20.5 Kilograms
Model Number	FR84C-677V00CG0531
Material	Alloy Steel, Polyester
Frame Material	Alloy Steel
Water Resistance Level	Waterproof
UV Protection	Yes
Assembly Required	Yes
Max. Recommended Load (Shelf)	20 kg
Max. Recommended Load (Hook)	2 kg
