Important Safety Information

Always follow basic safety precautions to reduce the risk of fire, electric shock, or injury. This bathtub is designed for bathing purposes only. Do not use for any other purpose.

- Ensure proper grounding for all electrical components if applicable.
- Do not allow children to use the bathtub unsupervised.
- Avoid using abrasive cleaners or tools that could damage the acrylic surface.
- Ensure the floor can support the weight of the filled bathtub and user.

Setup and Installation

The Garvee bathtub is designed for fast and simple installation, with 90% of plumbing components pre-assembled. Basic tools and clear instructions are provided.

Unpacking and Inspection

1. Carefully remove the bathtub from its ISTA 3B packaging.
2. Inspect the tub for any signs of damage during shipping. Report any damage immediately to the retailer.
3. Verify all included components are present: Bathtub, Chrome Drain, Overflow assembly, and mounting template.

Placement and Leveling

- Position the bathtub in the desired location. The raised, walk-around base allows flexible placement.
- Use a level to ensure the tub is perfectly horizontal. Adjust the leveling feet if necessary.

Plumbing Connection

- Connect the pre-assembled drain and overflow system to your bathroom's standard drain pipes. The accessible panel simplifies this process.
- Ensure all connections are watertight to prevent leaks.

Operating Instructions

Filling the Bathtub

- Ensure the drain stopper is closed.
- Fill the tub with water to your desired level. The deep, curved sides are designed for full-body relaxation.
- The double-wall insulation helps maintain water warmth for extended periods.

Draining the Bathtub

- To drain the tub, press the chrome-finished drain stopper.
- The advanced drainage system quickly removes water.

Care and Maintenance

Proper care will ensure the longevity and pristine appearance of your Garvee bathtub.

Cleaning the Acrylic Surface

- Clean the tub regularly with a soft cloth and a non-abrasive, mild bathroom cleaner.

- Avoid harsh chemicals, abrasive pads, or scouring powders, as these can scratch the high-gloss acrylic finish.
- For stubborn stains, use a diluted solution of white vinegar and water, then rinse thoroughly.

Chrome Fixtures

- Wipe chrome drain and overflow fixtures with a soft, damp cloth to prevent water spots and maintain their shine.
- Avoid using abrasive cleaners on chrome.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Slow Drainage	Drain stopper partially closed or minor clog.	Ensure drain stopper is fully open. Check for and remove any debris from the drain.
Water Leakage	Loose plumbing connection.	Inspect all plumbing connections under the tub and tighten as needed. If leak persists, consult a professional plumber.
Surface Scratches	Use of abrasive cleaners or sharp objects.	Minor scratches can sometimes be buffed out with a specialized acrylic repair kit. Prevent future scratches by using only soft cloths and non-abrasive cleaners.

Product Specifications

Brand: Garvee

Model Number: ZRZNICL7X

Material: 4 mm thick Acrylic reinforced by fiberglass

Color: White Pearl

Product Dimensions (L x W x H): 66.93" x 31.5" x 22.83"

Item Weight: 114.2 Pounds

Installation Type: Freestanding

Drain Type: Chrome Push-Pop Drain

Certification: cUPC Certified

Features: Non-slip base, Double-wall insulation, Ergonomic design

Warranty and Support

Warranty Information

This Garvee bathtub comes with a manufacturer's warranty covering defects in materials and workmanship. Please refer to the warranty card included with your purchase for specific terms, conditions, and duration. Keep your proof of purchase for warranty claims.

Customer Support

For technical assistance, replacement parts, or warranty inquiries, please contact Garvee customer support through the retailer where the product was purchased or visit the official Garvee website. You can also visit the Garvee Store on Amazon for more information.
