## 5. OPERATING INSTRUCTIONS

---

### 5.1 Recliner Function

The chaise lounge section features a manual recliner. To activate, locate the pull-tab or lever on the side of the chaise. Pull the tab to release the footrest and recline the backrest. Push back with your body weight to return to the upright position.

## 5.2 Pull-Out Sleeper Bed Function

The main sofa section converts into a sleeper bed. To deploy the sleeper, grasp the fabric handles located at the front base of the sofa. Pull the mechanism outwards and lift until the bed is fully extended and locked into place. To retract, lift the front edge of the bed slightly, push it back into the sofa, and ensure it is fully closed.
