SETUP INSTRUCTIONS

Follow these steps to assemble your artificial hanging flower basket:

1. **Prepare the Base:** Place the plastic plant ball (green, hemispherical) into the hanging basket. Ensure it sits securely.
2. **Insert Foam:** Gently press the white foam half-sphere into the center of the plastic plant ball. This provides a stable base for the flower stems.
3. **Arrange Flowers:** Take the individual flower bundles and insert their stems into the foam base. Distribute the colors evenly or as desired for a balanced and full appearance. The bendable wire stems allow for easy shaping.
4. **Fluff and Adjust:** Once all flower bundles are inserted, gently fluff and adjust the stems and flowers to achieve your

desired fullness and shape.

5. **Hang the Basket:** Attach the hanging chain to the basket and hang it in your desired outdoor location.

DIY Installation Steps

USAGE GUIDELINES

These artificial hanging flowers are designed for outdoor use in covered areas such as porches, patios, and balconies.

While they are UV-resistant to help retain color under typical sun exposure, they are not intended for prolonged exposure to extreme weather conditions, heavy rain, strong winds, or harsh direct sunlight. Placing them in sheltered locations will help preserve their appearance and longevity.

MAINTENANCE

The Senjie Artificial Hanging Flowers require minimal maintenance.

- **Cleaning:** To remove dust or dirt, gently wipe the flowers and leaves with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **No Watering:** These are artificial flowers and do not require watering.
- **No Trimming:** No trimming or pruning is necessary to maintain their shape or size.
- **Seasonal Storage:** For prolonged life, consider bringing the baskets indoors during extreme winter conditions or prolonged periods of harsh weather.

TROUBLESHOOTING

Most issues with artificial flowers are related to appearance or stability.

- **Flowers appear compressed:** Upon unboxing, the flowers may be compressed. Gently bend the wire stems and fluff the petals to restore their full shape.
- **Flowers falling out:** Ensure the stems are firmly inserted into the foam base. If a stem is loose, re-insert it securely.
- **Fading color:** While UV-resistant, prolonged exposure to intense, direct sunlight can eventually cause some fading. Relocate the basket to a more shaded, covered area if fading is observed.
