VOTAZIB L6

VOTAZIB L6 Sleep Earbuds User Manual

Model: L6

Introduction

Thank you for choosing the VOTAZIB L6 Sleep Earbuds. These earbuds are designed to provide a comfortable audio experience, especially for sleep, relaxation, and focus. Featuring Bluetooth 5.4, a lightweight design, and specialized sleep modes with built-in white noise, the L6 earbuds aim to enhance your rest and concentration. Please read this manual carefully to ensure proper use and optimal performance of your device.

What's in the Box

Verify that all items are present in your package:

- VOTAZIB L6 Sleep Earbuds (L/R) x 2
- USB-C Charging Cable x 1
- Portable Charging Case x 1
- User Manual x 1
- Eartips (various sizes)

Setup

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the USB-C charging cable to the charging case and a power source. The digital display on the case will indicate the charging status.

2. Pairing with Your Device

1. Ensure your device's Bluetooth is enabled.
2. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "L6" from the list.
4. Once connected, the earbuds will automatically pair with your last device when removed from the case.

3. How to Properly Wear Sleep Earbuds

For optimal comfort and sound isolation, especially for side sleepers, follow these steps:

1. **Select Eartips:** Choose the ear tips that provide the best fit and seal for your ears.
2. **Position:** Point the ear tip downward.
3. **Insert:** Gently insert the earbud into your ear canal.
4. **Secure:** Twist slightly to lock it in place, ensuring a snug and comfortable fit.

Operating Instructions

Touch Controls

The L6 earbuds feature intuitive touch controls. The sensitive panel allows for easy management of audio and calls.

Action	Function
One tap (L/R)	Play/Pause Music
Long tap 2s (R)	Volume +
Long tap 2s (L)	Volume -
Double tap (L)	Previous Track
Double tap (R)	Next Track
Four taps (L/R)	Enter Sleep Mode
Four taps (L/R) (in Sleep Mode)	Enter Deep Sleep Mode
Three taps (in Deep Sleep Mode)	Toggle White Noise Music

Sleep Modes

The L6 earbuds offer specialized modes to enhance your sleep experience:

- **Sleep Mode:** Tap either earbud four times to activate. This mode silences voice assistants (Siri/Google), blocks incoming call ringtones, and suppresses all system notifications. Music can still play normally from your connected device.
- **Deep Sleep Mode:** After entering Sleep Mode, tap either earbud four more times. This mode blocks all external sounds, including music from your phone, and automatically plays built-in white noise sounds.

Image: Explanation of Sleep Mode and Deep Sleep Mode functionalities, highlighting what is blocked and what is enabled.

Built-in White Noise

The L6 earbuds come with pre-installed soothing white noise sounds (e.g., gentle streams, soft fan sounds). These sounds play independently when in Deep Sleep Mode, effectively masking disruptive external noises. To toggle between different white noise sounds while in Deep Sleep Mode, tap three times on either earbud.

Charging

The L6 earbuds and charging case provide extended battery life:

- **Earbud Battery Life:** Up to 8+ hours on a single charge.
- **Total Battery Life (with case):** Up to 48 hours.
- **Fast Charging:** A 1.5-hour charge provides significant playback time.

To charge the case, connect the provided USB-C cable to the charging port on the case and a power source. The digital display on the case will show the current battery percentage.

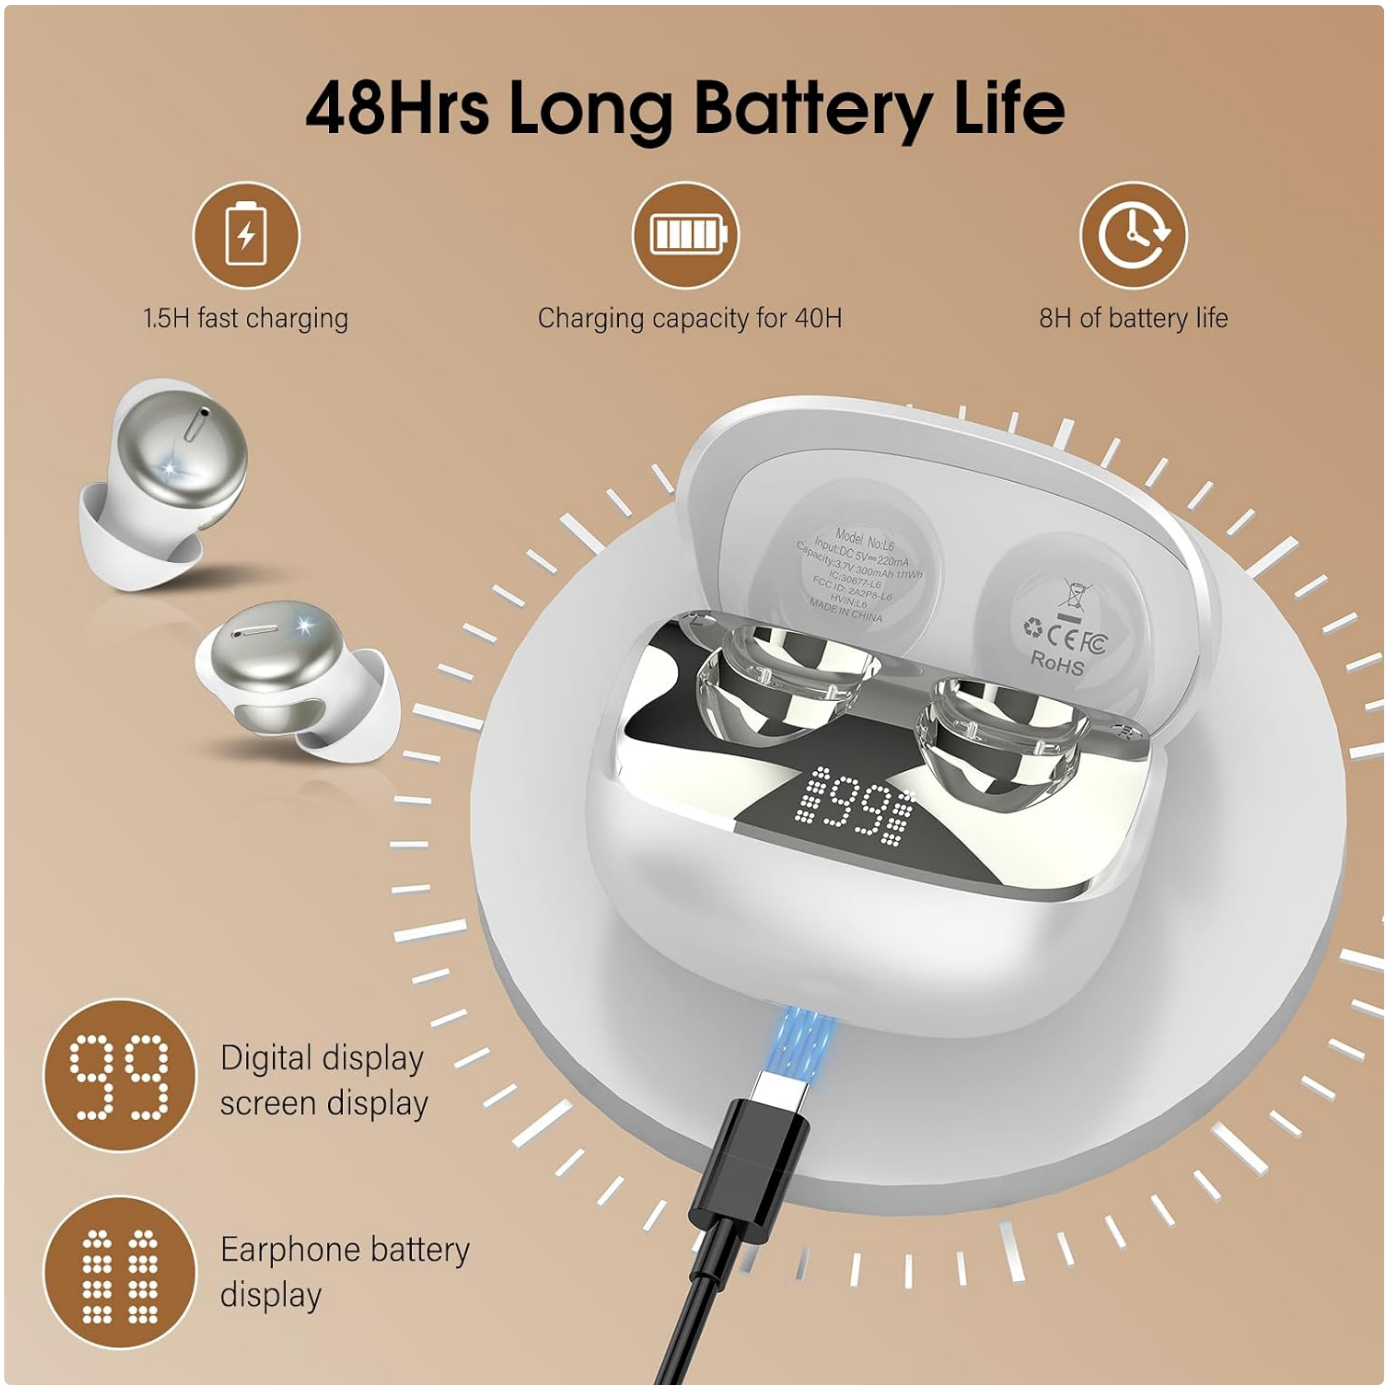

Image: Illustration of the 48-hour battery life, 1.5-hour fast charging, and the digital display on the charging case.

Maintenance

Proper maintenance ensures the longevity and performance of your L6 Sleep Earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Eartips:** Remove and clean the silicone eartips with mild soap and water, then dry thoroughly before reattaching.
- **Charging Ports:** Keep the USB-C charging port free of dust and debris.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Avoid extreme temperatures.
- **Water Resistance:** The earbuds are water-resistant, but not waterproof. Avoid submerging them in water or exposing them to heavy rain. Dry them completely if they get wet.

Troubleshooting

If you encounter issues with your VOTAZIB L6 Sleep Earbuds, refer to the following common solutions:

Problem	Possible Cause / Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Forget "L6" from your device's Bluetooth list and re-pair. Ensure earbuds are removed from the case.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated in your ears. Reconnect Bluetooth. Clean any debris from the earbud speakers.
Touch controls unresponsive	Ensure your fingers are clean and dry. Try restarting the earbuds by placing them back in the case and taking them out. Avoid accidental touches by ensuring proper fit.
Earbuds not charging	Check the USB-C cable and power adapter. Ensure the charging contacts on the earbuds and in the case are clean and dry. Verify the charging case has power.
White noise not playing in Deep Sleep Mode	Ensure you have correctly entered Deep Sleep Mode (four taps after entering Sleep Mode). Tap three times to toggle white noise sounds.
Poor call quality	Ensure the microphone is not obstructed. Move closer to your connected device. Check for environmental noise interference.
