## 4. Setup Instructions

---

### 4.1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C cable to the charging port on the case and to a USB power source. The LED display on the case will indicate the charging status.

### 4.2. Pairing with Your Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for "QX68" in the list of available Bluetooth devices and select it to connect.
5. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

Image: The QXUFV QX68 earbuds are shown in their charging case next to a smartphone displaying its Bluetooth pairing menu, illustrating the setup process.

## 5. Operating Instructions

---

The QX68 earbuds feature intuitive touch controls for various functions:

- **Play/Pause Music:** Double-tap either earbud.
- **Answer/End Call:** Single-tap either earbud.
- **Reject Call:** Long-press either earbud for 2 seconds.
- **Volume Up:** Single-tap the right earbud.
- **Volume Down:** Single-tap the left earbud.
- **Next Track:** Triple-tap the right earbud.
- **Previous Track:** Triple-tap the left earbud.
- **Activate Voice Assistant:** Long-press either earbud for 2 seconds (after rejecting a call).

## 6. Maintenance

---

### 6.1. Cleaning

Wipe the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Ensure the charging contacts are clean and dry.

## 6.2. Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

## 6.3. Battery Care

To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not in constant use.

## 7. Troubleshooting

---

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **No sound:** Check the volume level on both your device and the earbuds. Ensure the earbuds are properly connected via Bluetooth.
- **Charging issues:** Verify the Type-C cable is securely connected to both the case and the power source. Check the charging case's LED display for battery status.
- **Intermittent connection:** Ensure your device is within the 15-meter Bluetooth range and there are no significant obstacles between the device and earbuds.

## 8. Specifications

---

## 9. Warranty and Support

---

QXUFV provides a **2-Year Warranty** for the QX68 Open Ear Headphones. For any product inquiries, technical support, or warranty claims, please refer to the contact information provided in the included User Manual or visit the official QXUFV website.

## 10. Safety Information

---

- Do not use the earbuds at excessively high volumes for prolonged periods to prevent hearing damage.
- Always be aware of your surroundings when using open-ear headphones, especially in traffic or other potentially hazardous environments.
- Keep the earbuds and charging case away from extreme temperatures, direct sunlight, and liquids (beyond IPX7 rating).
- Do not attempt to disassemble or modify the product. This may void the warranty and cause damage.
- Keep out of reach of children and pets.
