CHONCHOW 102J

CHONCHOW 102J Gaming Keyboard and Mouse Set User Manual

Model: 102J | Brand: CHONCHOW

INTRODUCTION

Thank you for purchasing the CHONCHOW 102J Gaming Keyboard and Mouse Set. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new gaming peripherals. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

SETUP

Follow these steps to connect your CHONCHOW 102J Gaming Keyboard and Mouse Set:

- 1. Connect the Keyboard:** Plug the USB cable of the keyboard into an available USB port on your computer or gaming console (PS5, PS4, Switch).
- 2. Connect the Mouse:** Plug the USB cable of the mouse into another available USB port on your computer or gaming console.
- 3. Driver Installation:** The keyboard and mouse are plug-and-play devices. Your operating system (Windows, Mac OS) should automatically detect and install the necessary drivers. No additional software installation is typically required.
- 4. Console Compatibility:** For PS5, PS4, or Switch, ensure that the game you intend to play supports keyboard and mouse input. Some games may require specific in-game settings to enable these peripherals.

Keyboard Functions

- **90-Key Layout:** The keyboard features a compact 90-key Japanese layout, optimizing desk space while retaining essential keys.
- **19-Key Anti-Ghosting:** This feature ensures that multiple key presses are registered accurately, preventing input conflicts during intense gaming sessions.
- **Multimedia Keys:** 12 dedicated multimedia keys provide quick access to functions like email, volume control, and media playback. These functions are typically accessed using the **FN** key in combination with the corresponding F-keys.

Backlight Control

- **Brightness Adjustment:**
 - **FN + ↑:** Increase backlight brightness.
 - **FN + ↓:** Decrease backlight brightness.
- **Backlight ON/OFF:** Press **FN + SCR LK** to toggle the backlight on or off.
- **Breathing Mode:** Press **FN + PAUBRK** to activate the breathing backlight effect.
- **Breathing Speed Adjustment:** While in breathing mode, use **FN + (Ho)** or **FN + (He)** to change the breathing speed.

WASD and Arrow Key Swap

The **WASD** keys and arrow keys can be swapped to suit different gaming preferences. Refer to the product packaging or manufacturer's website for the specific key combination to perform this swap, as it may vary.

人間工学による階段式デザイン

Mouse Functions

- **6 Programmable Buttons:** The mouse features Left Click, Right Click, Scroll Wheel Click, DPI Cycle, Forward, and Backward buttons for versatile control.
- **Adjustable DPI:** Cycle through 4 DPI settings (800/1600/2400/3200 DPI) to adjust sensitivity for different tasks or games.
- **7-Color Breathing Backlight:** The mouse features a dynamic 7-color LED breathing backlight, enhancing the gaming aesthetic.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your gaming set:

- **Cleaning:** Use a soft, dry cloth to wipe down the keyboard and mouse regularly. For stubborn dirt, a slightly damp cloth can be used, ensuring no liquid enters the device. Avoid harsh chemicals.
- **Cable Care:** Avoid bending or twisting the USB cables excessively, especially near the connectors, to prevent internal damage.
- **Storage:** When not in use, store the devices in a clean, dry environment away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter issues, try these common solutions:

Problem	Solution
Keyboard/Mouse not responding	• Ensure USB cables are securely plugged into the computer/console. • Try a different USB port. • Restart your computer/console. • Test the devices on another computer to rule out system-specific issues.
Backlight not working or flickering	• Press FN + SCR LK to ensure the backlight is turned on. • Adjust brightness using FN + ↑ / FN + ↓. • Ensure the USB connection is stable.
Keys not registering correctly (e.g., Spacebar)	• Ensure the key is pressed directly and fully. • Clean around the keycap to remove any debris that might be obstructing movement. • If the issue persists, contact customer support.
Mouse cursor erratic or unresponsive	• Clean the optical sensor on the bottom of the mouse. • Ensure you are using the mouse on a suitable surface (mouse pad recommended). • Try adjusting the DPI settings.
Compatibility issues with games/consoles	• Verify that the specific game or console supports keyboard and mouse input. • Check in-game settings for peripheral configuration options. • Ensure your console's firmware is up to date.

SPECIFICATIONS

Feature	Detail
Brand	CHONCHOW
Model Number	102J
