ASSEMBLY INSTRUCTIONS

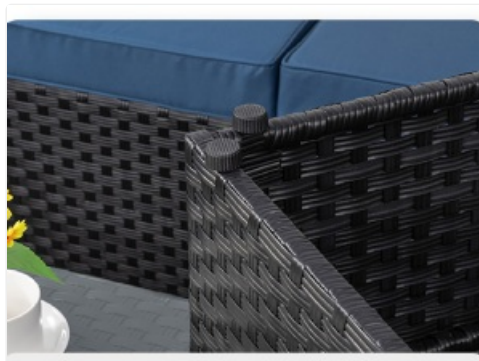

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the boxes and lay them out on a soft, clean surface. Verify all components are present against the package contents list.
2. **Assemble Frame Sections:** Attach the backrests and armrests to the seat bases using the provided bolts and Allen wrench. Do not fully tighten bolts until all pieces are loosely connected.
3. **Connect Modular Sections:** Use the high-quality clips to securely connect the individual sofa sections (loveseat and armless chairs) into your desired configuration (e.g., L-shape, separate seating).

Use clips to secure modular sections.

4. **Assemble Coffee Table:** Attach the legs to the coffee table frame. Place the tempered glass top onto the table, ensuring it is secured by the suction cups.
5. **Adjust Feet:** The furniture features adjustable feet. Turn the feet to level the furniture on uneven surfaces and prevent wobbling.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your patio furniture set.

- **Cushions:** The cushion covers are removable and machine washable thanks to hidden zippers. Wash in cold water on a gentle cycle and air dry. Do not bleach.
- **Wicker Frame:** Clean the PE rattan wicker with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Steel Frame:** Wipe the steel frame with a damp cloth. For rust prevention, ensure the frame is dry after cleaning and consider applying a rust-inhibiting spray if stored in humid conditions.
- **Tempered Glass Tabletop:** Clean with a glass cleaner and a soft cloth. Avoid using abrasive materials that could scratch the surface.
- **Storage:** During prolonged periods of non-use or severe weather, it is recommended to cover the furniture or store it indoors to protect it from the elements.
