

EUGAD 0282WY

EUGAD Bathroom Cabinet with Mirror and Light

Model: 0282WY | Brand: EUGAD

1. INTRODUCTION

Thank you for choosing the EUGAD Bathroom Cabinet with Mirror and Light. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before installation and retain them for future reference.

This cabinet features a high-definition mirror with integrated LED lighting, adjustable shelves for versatile storage, and convenient power outlets (AC, USB, Type-C) for your electronic devices. Its moisture-resistant design makes it suitable for bathroom environments.

2. IMPORTANT SAFETY INSTRUCTIONS

- **Read All Instructions:** Before assembly and use, carefully read and understand all instructions provided in this manual.
- **Wall Mounting:** The cabinet must be securely mounted to a solid wall using appropriate hardware. Ensure the wall material can support the weight of the cabinet and its contents.
- **Weight Capacity:** Do not exceed the maximum load capacity of **5 kg (11 lbs) per shelf**. Overloading can cause damage or injury.
- **Electrical Safety:** This product contains electrical components. Ensure proper installation by a qualified professional if direct wiring is chosen. Always disconnect power before any maintenance or installation work. The integrated sockets are insulated and moisture-resistant, but avoid direct water exposure.
- **Glass Handling:** The mirror is made of 4mm thick high-definition glass. Handle with care to prevent breakage.
- **Children and Pets:** Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- **Ventilation:** Ensure adequate ventilation in the bathroom to minimize humidity, which can affect the longevity of the product.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the illustrated instruction manual included in the package for a detailed list of parts and hardware.

- Bathroom Cabinet main body with integrated mirror and light
- Adjustable shelves
- 8 hooks
- Mounting hardware (screws, wall anchors)
- Illustrated instruction manual
- Positioning cardboard template

Installazione senza Problemi

Con istruzioni illustrate e cartoncini di posizionamento, installazione rapida.

4. SETUP AND INSTALLATION

Assembly and installation require basic tools (not included) such as a drill, screwdriver, and level. Follow the step-by-step instructions in the provided manual for proper assembly.

4.1 Assembly Steps

1. Unpack all components and verify against the parts list.
2. Assemble the cabinet frame according to the diagrams in the manual.
3. Install the hinges onto the cabinet doors and frame.
4. Attach the doors to the cabinet frame.

4.2 Wall Mounting

1. Choose a suitable location on a solid wall, ensuring no hidden pipes or electrical wires.
2. Use the positioning cardboard template to mark the drilling points on the wall.
3. Drill holes at the marked points and insert the wall anchors. (Note: Some users recommend replacing the supplied 5mm anchors with 8mm anchors for increased stability, depending on wall type).
4. Mount the cabinet securely to the wall using the provided screws.

4.3 Electrical Connection

The cabinet offers two connection options for the LED light and integrated sockets:

- **Option 1 (Plug-in):** Insert the cabinet's power plug directly into a wall socket.
- **Option 2 (Direct Wire):** Cut the plug and connect the power cable to the internal wall wiring. This option should only be performed by a qualified electrician to ensure safety and compliance with local electrical codes.

2 Modalità di Collegamento

Scegli liberamente il tipo di illuminazione desiderato

Opzione 1

Inserire la spina direttamente nella presa a muro

Opzione 2

Tagliare la spina e collegare il cavo di alimentazione al cablaggio interno della parete

Presca Integrata

5. OPERATING INSTRUCTIONS

5.1 LED Lighting Control

The LED light is controlled by a touch switch located on the mirror surface.

- **Change Color Temperature:** Briefly press the touch switch to cycle through the three color temperatures:
 - **3000K Warm Light:** Soft, ambient light.
 - **4500K Natural Light:** Balanced, true-to-color illumination.
 - **6000K Cold Light:** Bright, clear light, ideal for tasks like makeup or shaving.
- **Adjust Brightness (Dimming):** Press and hold the touch switch to continuously adjust the brightness level. Release when the desired brightness is reached.

Illuminazione LED con Interruttore Tattile

- 3 Colori di luce (premere brevemente)

Luce calda
3000K

Luce naturale
4500K

Luce fredda
6000K

- **Regolazione continua della luminosità**
(premere a lungo)

5.2 Using Integrated Power Outlets

The cabinet includes integrated power outlets for your convenience:

- **2 AC Ports:** For standard electrical appliances (e.g., hairdryer, electric toothbrush).
- **1 USB Port (5V/2A):** For charging USB-powered devices.
- **1 Type-C Port (5V/2A):** For charging Type-C compatible devices.

These outlets are designed to be moisture-resistant for safe use in a bathroom environment. Always ensure devices are dry before plugging them in.

5.3 Adjusting Shelves and Using Hooks

The cabinet features adjustable shelves and 8 hooks for organized storage.

- **Adjustable Shelves:** The shelves can be repositioned to 3 different heights to accommodate items of various sizes. To adjust, carefully remove the shelf, reposition the shelf supports to the desired height, and reinsert the shelf.

- **Hooks:** Use the 8 integrated hooks to hang small items like necklaces, earrings, or other accessories.

5 Ganci

Spazio Contenitivo Pratico

- 3 Grandi scomparti per riporre facilmente prodotti per la cura personale
- Ganci per organizzare comodamente collane, orecchini e altri gioielli

Ripiani Regolabili

3 posizioni regolabili per posizionare oggetti di altezze diverse

Image: Detail of adjustable shelves, illustrating the three possible height positions for flexible storage.

6. MAINTENANCE AND CARE

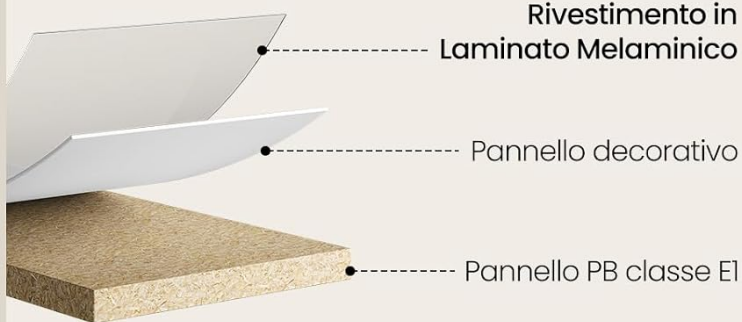

- **Cleaning:** Wipe the cabinet surfaces and mirror with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish or mirror coating.
- **Humidity:** Although moisture-resistant, it is recommended to wipe away any water droplets promptly to keep the cabinet dry and prolong its lifespan.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure.

Resistente all'Umidità

Adatto all'uso in ambienti umidi come il bagno, riduce i rischi legati all'elettricità

* Asciugare tempestivamente eventuali gocce d'acqua per mantenere l'armadio asciutto e prolungarne la durata

4 mm

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power supply; loose connection; faulty LED driver.	Check power plug/wiring. Ensure touch switch is pressed correctly. If problem persists, contact support.
Outlets not working.	No power supply; circuit breaker tripped.	Check power plug/wiring. Reset household circuit breaker.
Cabinet feels unstable.	Improper wall mounting; loose screws.	Ensure cabinet is securely fastened to the wall. Tighten all mounting screws. Consider using stronger wall anchors if necessary.

Problem	Possible Cause	Solution
Doors are misaligned.	Hinges need adjustment.	Adjust the screws on the hinges to align the doors. Refer to the assembly manual for hinge adjustment details.

8. SPECIFICATIONS

Brand: EUGAD

Model: 0282WY

Dimensions (W x D x H): 100 x 14.5 x 60 cm (39.4 x 5.7 x 23.6 inches)

Weight: 20.9 kg (46.1 lbs)

Material: E1 Particle Board with Melamine Veneer, 4mm HD Glass Mirror

Color: White

Max Load Capacity per Shelf: 5 kg (11 lbs)

Lighting: Integrated LED, Touch Control

Color Temperatures: 3000K (Warm), 4500K (Natural), 6000K (Cold)

Dimming: Continuous brightness adjustment

Power Outlets: 2 x AC Ports, 1 x USB Port (5V/2A), 1 x Type-C Port (5V/2A)

Special Features: High strength, durable, wear-resistant, stable, moisture-resistant

Carico massimo per ripiano
5 kg
