## WLIVE 9 Drawer Fabric Storage Tower (B0GFHDWTYK)

# WLIVE 9 Drawer Fabric Storage Tower Instruction Manual

Model: B0GFHDWTYK

## INTRODUCTION

---

Thank you for choosing the WLIVE 9 Drawer Fabric Storage Tower. This versatile and functional storage unit is designed to help organize your living spaces, including bedrooms, hallways, and closets. Featuring a sturdy steel frame, a durable wood top, and nine spacious fabric drawers, this organizer provides ample storage while maintaining a compact footprint. Please read this manual carefully before assembly and use to ensure proper setup and longevity of your product.

## SAFETY INFORMATION

---

To prevent injury or damage to the product, please observe the following safety guidelines:

- **Anti-Tip Device:** Always install the included anti-tip device to secure the storage tower to a wall. This is crucial to prevent tipping, especially in households with children or pets.
- **Weight Distribution:** Distribute weight evenly across all drawers. Avoid placing heavy items exclusively in upper drawers, as this can affect stability.
- **Maximum Load:** Do not exceed the maximum weight capacity for each drawer or the top surface. Overloading can cause structural damage or collapse.
- **Stable Surface:** Place the storage tower on a flat, level, and stable surface. Uneven surfaces can compromise stability.
- **Assembly:** Ensure all screws and fasteners are securely tightened during assembly. Periodically check and re-tighten as needed.
- **Children Safety:** Do not allow children to climb on or play with the storage tower or its drawers. Keep small parts away from children during assembly.

## PACKAGE CONTENTS

---

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- Wood Top Panel
- Fabric Drawers (9 units)
- Drawer Handles
- Adjustable Feet
- Assembly Hardware (screws, Allen wrench, anti-tip kit)

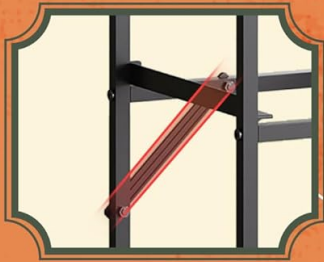

## ASSEMBLY INSTRUCTIONS

---

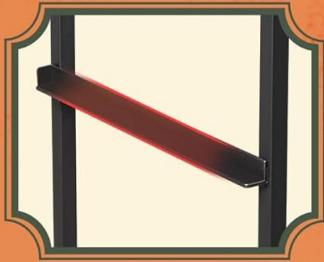

Follow these steps carefully to assemble your WLIVE 9 Drawer Fabric Storage Tower. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the package contents list to ensure everything is present.
2. **Assemble the Steel Frame:** Connect the vertical and horizontal steel frame components using the provided screws and Allen wrench. Ensure all connections are firm and stable. The frame features solid cross supports and smooth slide rails for the drawers.

3. **Attach the Wood Top:** Place the wood top panel onto the assembled steel frame. Secure it using the designated screws.
4. **Install Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the steel frame. Adjust them as needed to ensure the unit is level and stable on your floor, protecting against scratches.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer. Insert the bottom panel into each drawer to create a rigid structure. Attach the easy-pull handles to the front of each drawer. The drawers are constructed from polyester, MDF board, and non-woven fabric for durability and breathability.

- 6. Insert Drawers:** Slide the assembled fabric drawers into their respective slots in the steel frame.
- 7. Install Anti-Tip Kit:** Secure the storage tower to the wall using the provided anti-tip hardware. Follow the instructions included with the anti-tip kit for proper installation.

## OPERATING INSTRUCTIONS

The WLIVE 9 Drawer Fabric Storage Tower is designed for easy and efficient organization.

- **Using the Drawers:** Gently pull the handles to open the drawers. When closing, push them back completely into the frame. The drawers are designed to slide smoothly.
- **Storage Capacity:** The nine foldable deep drawers offer generous space for various items such as clothing, accessories, linens, or toys. Organize items by category for easy access.

- **Wood Top Surface:** The water-resistant wood top provides a stable surface for lamps, clocks, books, or other daily essentials, keeping them within easy reach.

## MAINTENANCE

Proper care will extend the life and appearance of your storage tower.

- **Cleaning the Wood Top:** Wipe the wood top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. Dry immediately to prevent water marks.

- **Cleaning Fabric Drawers:** The non-woven fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow them to air dry completely before returning them to the unit. Do not machine wash or tumble dry.
- **Frame Care:** The steel frame can be wiped clean with a damp cloth.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

If you encounter any issues with your storage tower, refer to the following common solutions:

- **Unit is Wobbly:** Ensure the unit is on a level surface. Adjust the adjustable feet at the bottom of the frame until stability is achieved. Check that all frame screws are securely tightened.
- **Drawers Do Not Slide Smoothly:** Verify that the drawers are correctly inserted into their respective slots and are not overloaded. Check for any obstructions on the slide rails.
- **Drawers Fall Out When Pulled Too Far:** This unit features fabric drawers that are designed to be fully removable. Exercise caution when pulling drawers out to prevent them from detaching completely.

- **Chemical Odor:** A new product may have a slight odor upon unpacking. This is normal and will dissipate over time. Air out the drawers in a well-ventilated area for a few days if needed.
