SETUP AND ASSEMBLY

Assembly is required for this patio set. Follow the included graphical instructions carefully. It is recommended that two people assemble the furniture to ensure stability and ease of construction.

1. **Unpack all components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches. Verify all parts and hardware are present against the packing list.

4. **Attach Rattan Panels:** Secure the PE rattan panels to the metal frames.
